**TOWN TOPICS**  
The Review to January 1 1903, 10 cts.  
To-Day, Wednesday, is the anniversary of Gunpowder Plot.

Sunday, November 9, is the birthday of our King, and a notice is being taken of it. A warning to all future princes to have their birthday in the picnic season.

**TO-NIGHT—THURSDAY, Nov. 6.**—Rev. A. L. Geggie in the Pres. Church. Subject "Wit and Humor." Mr. Geggie is the most popular Lecturer in Toronto and those who miss this lecture will regret it. No admission fee. Silver collection.

**FARM FOR SALE.**—Containing 100 acres Lots 45&46, 1st Con., N. D. R. Glenelg, one mile west of Pricville. The farm is well watered, 75 acres under cultivation, with good buildings. For particulars, apply to Peter McKechnie, Newville, N. Dakota, U. S.

The Family Herald and Weekly Star, of Montreal, have begun the distribution of their new pictures "Alone" and "Purity." A few copies have been received in this locality and those who have been fortunate enough to get them pronounce them the best they have ever seen. The Family Herald has also much improved during the past year and the combination of the two pictures and that best of all family papers is certainly a big dollar's worth.

All Wool Blankets in White and Grey—at Grant's.

**DROMORE CONCERT.**—On Friday, 14th inst., the management of Dromore Public Library have arranged for a Concert in aid of the funds of the Library. An outside choral club has been engaged, and prominent speakers are to be present as well. The library is little more than a year old but it has already secured a large membership and is filling a long-felt want. Admission to concert 25c and 15c. See posters.

Parlor Games of all kinds at MacFarlane's Drug Store.

The "Prairie Witness" published at Indian Head, N. W. T., in its last issue has an account of a very successful anniversary social at Sintulata, Rev. Mr. Jansen's new charge. There was "a packed church, a bright programme and the ladies last, but after all first with refreshments. Rev. A. G. Jansen filled the chair and more than filled in the spaces with his happiest wit and humor." All the requisites of a good social.

**A DOUBLE WELCOME.**—Mr. Jas. Ren-ton, Egremont, drove north last week end to visit at his father-in-law's, Mr. Geo. Skene, where his wife had been staying with her parents for a week or two. Judge of his delightful surprise when he found in addition to a wifely welcome, a little son, 3 days old, waiting to claim his affections. A letter, announcing the event, had failed to reach him before starting, but all's well that ends well and we offer hearty congratulations.

Flannellette Blankets and Flannel Sheeting—at Grant's.

**INFORMATION WANTED.**—Information is wanted by the mother of the youngest of two boys who left the town a week ago last Monday, for unknown parts. They were dressed in dark clothes, and are both of dark complexion. The little fellow, who is about 13, weighs about 75 pounds, and wears a cap and short pants, while the taller boy is 17 years of age, 125 pounds, and carries a rifle. Their names are Morgan Agnew, Lisle Cadmore, respectively. It is thought that they are on their way north for a shoot, although other reports say that they are heading for Michigan. Any information that will help in the finding out of the whereabouts of these boys will be thankfully received at this office. Other papers kindly copy.—Clinton New Era.

**WHO WOULDN'T BE A HIGHLANDMAN?**—The following item will gratify our numerous Highland readers. "Mod" we believe is a name for "gathering." Anything his grace of Argyll has to say is always interesting.—The Duke of Argyll, speaking at the Highland Mod in Dundee last week, proved himself a sturdy champion of the Gaelic cause. They were anxious, said his grace, to keep alive, as far as they could, the old dress, the old language, and some of the best of the old customs of Gael. It was not a stupid and useless sentiment, no nanby-pamby affection, but a healthy and hearty and good thing to keep in the recollection of the people those elements which had contributed to the strength of the nation. There was no doubt that a great deal of the light and leading which the Scottish nation had in its character, came from the impetuous and fiery, but romantic and beautiful character of the Celt amongst them. The Mod, it only remains to add, has been one of the most successful ever held.

Grain Bags—at Grant's.  
6 lbs Rice 25c.—6 lbs Tapioca 25c.—24 lbs Granulated Sugar \$1.00.—at Parker's.

Miss La-Dell took the house by storm and received double encores for nearly every number.—Globe. In the Town Hall, next Wednesday.

**FIRST SUGAR IN CANADA.**—That is from sugar beets grown in Canada and it was made last week in the new factory at Berlin, which has the honor of being first.

The evangelistic services conducted for the past four weeks will be continued on Sunday evening by the pastor. Subject for Sunday evening "The Last Prayer meeting."

Pure, Fresh, Pleasant to take, Emulsion, 35c a bottle at MacFarlane's Drug Store.

The Annual meeting of the Ladies Aid was held on Monday afternoon. The following officers were elected for the next term: Pres., Mrs. J. Carson; Sec., Mrs. J. Redford; Treas., Mrs. Benn. \$225.00 was raised by this society for church funds last year.

**A GOOD CONCERT.**—A couple of clever Artists have been secured by the Lacrosse Club for a concert in the Town Hall on Nov. 12, next Wednesday. Miss Marietta La-Dell and Miss Teresa Flannigan are each stars in their line, and there can be no fear of fake with these on the platform.

**NOTABLE PEOPLE.**—Lady Henry Somerset was enthusiastically welcomed last week by W. C. T. U. circles in Toronto, and another great moral worker, Gen. Booth, of the Salvation army, had high honors at his reception in Massey Hall, Premier Ross being in the chair, and Mayor Howland a leading figure. Quite right. Honor moral heroism as well as physical prowess.

Have you seen those heavy dress Goods?—They are only 25c a yd.—at Grant's.

**SNEAK THIEVES.**—On Sunday evening last a young man attending the Presbyterian church, left a good waterproof coat in his buggy during service. When starting home the coat could not be found, and the conclusion is inevitable that, failing its return, there has been a low-lived thief at work. It is difficult to conceive the craven spirit that could be guilty of such an action at such a time and we mention it that others may take warning.

**NOW GENERAL MANAGER.**—A letter from Mr. J. A. Hunter last week shows that he is allowing no grass to grow under his feet in the breezy west, but in new fields is finding scope for his energy. A paragraph in the letter says: "I made a very satisfactory cash sale of the option which I held on the cement deposits at Morden, Manitoba, and have been retained by the purchasers—a Chicago syndicate—to act as Managing Director of their Company here, styled 'The Manitoba Cement Co., Limited.' So I expect to live here for some time. Our stock is selling rapidly, and we expect to have it all sold in 3 months." We wish our old townsmen continued success.

**Dishonesty in making exhibits at the fall fairs had long been a difficulty with which the directors have had to contend.** Orangeville directors this year are requiring the winners of prizes in certain classes to make affidavits that their entries were made in accordance with the rules. Trouble has developed from the fair at Caledonia, near Hamilton, and the result is that the exhibitor has been fined \$50. The particulars are that a colt was entered as a three year old, but a rival exhibitor entered a protest, claiming the animal to be four, which, upon investigation by the directors, proved to be correct. The exhibitor making the fraudulent entry was prosecuted by the board and fined the amount above stated.—Ex.

You can get a heavy dress Freize 56 inches wide for 90 cts.—at Grant's.

**THE LATE W. O. PATTERSON.**—No inquest was deemed necessary on the remains of the man found dying on the road. He was a resident of Walkerton for the past 25 years. His son came home from Chicago on Thursday and made all decent arrangements for his interment on Friday which took place from the Town Hall to the New cemetery, Rev. Mr. Farquharson conducting appropriate services. Besides the son two intimate friends from Walkerton, Kellington by name, were chief mourners. The deceased was nearly 80 years of age. Nothing further was learned of the manner of his death. One theory is that he had a stroke of paralysis and the snows of the night melting on his body produced the saturation of his clothing. Quite a number of the citizens attended the obsequies.

**Wit and Humor.**  
Geggie in the Pres. Church to-night.

**GUELPH MERCURY.**—"Miss Flannigan is undoubtedly Canada's sweetest soprano."—Everyone should hear her in the Town Hall next Wednesday, Nov. 12. Popular Prices.

Toronto show had a surplus this year of \$11000, last year a deficit of \$16000, which, with a deficit of \$25000 in 1898 were the only deficits in 10 years. There was a surplus of \$26000 in 1898.

We want good, plump, live young chickens for which we will pay 5c per lb. in trade. Also highest prices paid for dressed poultry of all kinds.

**J. H. BROWN, Holstein.**  
The Ladies Aid of the Methodist church will hold their monthly "At Home" at Mrs. George Moore's on Tuesday evening. Tea will be served from 7 to 9 o'clock. The friends of the church and members of the congregation are cordially invited.

**THAT CO. GREY COAL.**—The Assay made by the government analyst proves that the coal found in Sullivan Township while neither anthracite nor bituminous, would be useful for fuel. It contained over 78 per cent of fixed Carbon, 12.57 per cent of ash, and the only question now is, is it in buying quantities.

**ANNIVERSARY SERVICES.**—On Sunday, morning and evening Rev. J. M. C. Duncan, of Toronto, will preach anniversary discourses in the Presbyterian pulpit. Mr. Duncan is one of the ablest men in the church and holds an important position in its Sabbath School councils. A devoutly intellectual treat is in store.

**SAID GOOD BYE.**—After four weeks of almost incessant labor, the meetings conducted by the Monksman bros came to an end on Sunday evening last, the church being jammed full for the parting occasion. We are informed that over 130 have given testimony to the beginning of a work of grace in their heart; surely an indication of Divine presence and blessing.

**SWALLOWED A PIN.**—One day last week Harold, the younger son of Postmaster Hanbury, swallowed a pin. He is supposed to have been bending it with his teeth to give it the proper angles to place in position on the seat of a chair. He lost his hold and down it went. We were thinking up some nice things to say of Harold in an obituary notice for this week's paper when on enquiry we found that he was not inclined to share in the general alarm, much less to think of shuffling off this mortal coil. It appears he had swallowed pins on other occasions and was not bothered particularly about this one, although he admitted it tickled his throat a little while it lodged there for a time. This reminds us of the boy's composition on pins in which he said "Pins are a very useful article. They save a good many people's lives." On being afterwards questioned "How?" he stated "By their not swallowing them." With Harold it is different; he swallows pins and thrives, but Harold is one boy in a thousand.—Dundalk Her.

**DURHAM BRANCH LORD'S DAY ALLIANCE.**

The Annual meeting of this body was held on Tuesday evening in the Presbyterian church. The attendance was far in advance of any previous meeting, and a lively interest was manifested in the work of the Alliance at home and around us. The Secretary reported there was now over 100 members. The election of officers was proceeded with and the result is as under: Pres., Rev. Wray R. Smith; Vice Presidents, Misses H. Smith, A. Stewart, Mrs. C. McArthur, Mrs. A. McClocklin; Secy, Thos. Allan; Treas., A. McArthur; Committee: Messrs J. H. Brown, F. Lenahan, Dr. Wolfe, W. B. Vollett, C. Ramage and resident ministers. Rev. Mr. Smith was appointed delegate to the Provincial body.

The Secy reported the steps being taken by the Attorney General's Dept. through the Co. Crown Attorney in the prosecution of parties for infraction of the Lord's Day Act. The cases are to be tried in town on Tuesday next.

**THE REFERENDUM VOTE.**

The campaign may be said to be fairly opened this week and on Friday evening the first gun is to be fired at Hutton Hill school house. This honor we presume is given to this place because at the last plebiscite it was the only polling booth in this riding that did not record a single vote against prohibition. We hope it will not be alone this time. Meetings have been arranged at the following places on dates given: Friday, Nov. 7, Hutton Hill School Ho. Monday, Nov. 10, Grange Hall, Glenelg. Wednesday, Nov. 12, Zion, Glenelg. Friday, Nov. 14, Stewart's Sch. Ho., Ben.

Speakers will be drawn from the resident ministers and a number of lay workers in town and neighborhood.
