judge them on their records but if Mr his taking the position. A large coterwould retire in his favor. If elected | councillors, Messrs McFadden, McInhe had now more time to devote to tyre, Robb, McArthur, Walls, Gordon the duties of the office and left the case and J R Smith. All the old council in their hands.

figures for 1901 and read from the Auditor's Report to prove his statement. He claimed that when Calder was creditable. The latter showing by a mayor his company, to leave the council no excuse, had made a very liberal offer for light but it was not purchase of the much maligned road accepted. He pointed out in addition to what he had said before that they had spent nearly \$300 in law costs which should have been paid last

This Calder refuted by saying the case was not decided till February 1902 hence could not be paid in 1901. He scouted the idea that he was the only one in 1901 to decide on law, the council was behind him and had their own views. Anyway each party had had to pay their own costs. He blamed the mayor and council for not repealing the by-law before reshingling and hoped by the good will of the Insurance nad declared there was danger of losing our rating because fault with financial statement, not connot laid in mortar. Mr. McIntyre cise enough, not distributed soon asked it asbestos was not as good as enough, Holstein bridge was found mortar and was told that Insurance fault with, or rather the council in companies recommended against asbes | putting in wooden piles, when a more tos as anyone could find by writing to the underwriters.

AT THE OLD STAND it was good some said not, he didn't ter Ferguson to become a candidate know whether it was or not."

> remarks reflected on Council as well as mayor. The council of 1092 were quite able to initiate matters. The character of the season had been bad for gravelling, and it was impossible to the following account of the death of get men and teams to begin the work Mrs. Stewart, nee McGillivray, Hugh earlier. He defended the material McKechnie, Rocky Saugeen. Jno. Mc well. Anyway they had avoided the ceased who was formerly a Bentinck mistake of former councils of putting | gurl. She died in St. Vants Hospital, big stones on the road and then biring | Vancouver, B. C., Noy. 21st, of paralymen to pick them out again. Mr. sis. "Mrs, Stewart, Mary, wife of Alex Calder had said that Connery was N. Stewart, is the oldest daughter of bluffing them. How were they to Martin McGillivray and was married in the case their solicitor wanted \$150 and they thought the easiest way was to settle the case without law, when Connery offered to take the amount asked by the solicitor.

C. Smith next took the stand and Sand roads properly made were good. When the morning stars sang together stone and gravel was being ground into this sand for our purposes. He referred to the bad season and admitted that a few parts of the streets were | were the expressions of pleasure at a defective. He thanked his supporters, fine Christmas. Not too cold, snow he had striven to act conscientiously enough for good sleighing and as a condone its duty,

Trustee in W. Ward followed, referred all round. to his long connection with the board, he had striven to make a good school, to keep down salaries, and expenses. After explaining how estimates were made, he placed himself before them, he was there at the request of many friends and having consented he was going to stay with it.

Commissioner McKinnon asked and got the privilege to discuss County matters and entered into the valuation question showing how Durbam had benefitted in the the re-adjustments. As an evidence of careful management he showed how a deficit of \$9000 had been tranformed into a surplus of a like amount. The steps taken to prepare for the building of the House of Refuge were rehearsed and he claimed as justifying his own candidature that it was in the interests of the county to return the men to finish the work they had begun. Thanking them he retired and the meeting

Reeve Dickson is in by acclamation and for the council there are six running Wm Brown, Thos. Torry, Grierson, F. Cronin, R. Leslie, And

NOMINATIONS AT HOLSTEIN.

The ratepayers of this thriving temto overflowing on |Monday last at the nomination. Messrs McQueen, Dickson and that irrepressible mirth pro-He touched on the electric light voking Irishman Wm Lawrence were pressure of business at home, a large He closed by urging ratepayers to family, and twins in the house, forbade erling accepted the nomination he ie were nominated for the position of justified their actions during the year Mr. McIntyre objected to Mr. Calder's more or less explicitly. The effort by gures for 1901 and read from the Messrs McFadden and McIntyre, two members of the old council, were very compilation of figures the advantages accruing to the township through the grader, not only in the fact of having better work done, but at a saving of some 14 or 15 cts per rod for work done this amounting to a difference in favor of the township for one year alone of \$175. In arrangement of his figures and manner of presenting them would show him to be not only improving himself, but a decided acquisition to the municipality.

Some of the other candidates who had been induced by their neighbors to "run" had thro some strange prevarication of nature decided to "stand" the Town Hall, for an Inspector of electors to finally have a "seat" in the council. Some of the speakers found lasting job could have been had in mason work, on an apparently firm foundation. The other points men-Sparling and Hunter being absent tioned were the grader already referr-Wm. Sharp was called on but declined | ed to and the McInnes lawsuit instituto take the platform. A.
