The Sunday School Entertainment held in the Presbyterian church on Xmas Eve, was a complete success, both financially and otherwise. As we would be only in trading on your valuable space Mr. Ed. to give all the proceedings in detail, we shall only give a synopsis of the programme. Rev. Mr. Matheson occupied the chair, and with a few well chosen words of Command at the commencement had the best of order during the evening. The programme consisted of singing and recitations by the children and choir, addresses from Rev. Varley, soloists from Miss Annie James and Emma McLean were well rendered. A dozen little girls with dolls, in a drill, deserve special mention, they acted their parts well. Miss La Dell, Elcounstent, was the best of the evening, she masters her calling well, she is quite an entertainer. The Xmas Tree was elegant, loaded from bottom to top, we did not get anything, although presents were fast and numerous passing by our way. Miss Cassie Nichol, daughter of John Nichol, received the Diploma from the General Assembly for perfect recitation of the Shorter Catechism from beginning to end. Miss McLeod, who performed the duty of organist, deserves credit. The proceeds of the evening amounted to \$56.50. All went home satisfied with what they received in the basement to satisfy the inner man, which was abundantly prepared by the good ladies, who are never behind in doing their part, and also by what was seen and heard up stairs. The meeting was closed by Rev. Mr. Varley, who pronounced the Benediction.

At the last regular meeting of the A O U W Lodge, No. 140, Priceville, the following officers were appointed for 1903: Master, Dr. Dixon; Financier, Thos. Ferguson; Recorder, G. W. Watson; Treasurer, Joseph Anssum; Foreman, James Turner; Guide, Alex. McLeod; Overseer, C. G. James; Inside watchman David Tutor; Outside, B. Kelley; Representative to Grand Lodge, John McDonald; Alternates, W. G. Watson. Mr. and Mrs. D. McQueen and little girl, of Stayner, visited at Mr. N. McCannells at Xmas, and return again this week. Mr. John McLean who has spent the last 3 years in Montana, arrived at his home in south Glensiel on Xmas day, and intends to stay home for good, his brother Hugh, with wife and son, are expected to arrive at the old home also in a few days. Mrs. Thompson leaves this week to spend a month at the old home in Harou County. Mrs. McNulty left a week ago to live with her son Robert in Manitoba. Chas. McDougall is around weekly, buying cattle and hogs and anything that is marketable, and probably he may have his eyes fixed on some other class more valuable than cattle or hogs. We received a renewal for the Review and Globe from Mrs. James Black, Oak River, Manitoba, stating that she cannot do without the Review, and her husband cannot get along without the Globe. Miss Lizzie Campbell of Toronto, is

visiting at her fathers', Mr. Jno Campbell, north line, during the holidays. Before we forget, Mr. Editor, we must thank you for the Xmas Annuals, which we got just in time for a Xmas present, we take the liberty of vouching the sentiments of all your numerous subscribers in Priceville and surroundings, in thanking you on their behalf, (agus corra moe maith agad air son sin).

The Baptists of this place have secured the services of the Rev. Mr. Halbert, as pastor of that congregation in this town. Mr. Fred Kennedy, Sr., of the north line lies in a critical condition at present, but we hope to hear of him being better soon, he is attended by Dr. Dixon of this place. John and Peter McIntyre, (sons of Vet McIntyre,) are home from the County of Wellington where they spent the last 6 or 7 months.

Hugh McArthur of this town is clerk at Mr. E. Kins store at Cayton. David McNichol, Esq., ex-M. P. E., at tended church in this place on Sunday. Mr. Duncan McDougall, north line, lies in a low condition at present, and as the venerable gentleman is far advanced in years, it will go hard with him.

married on Xmas Day, by Rev. Mr. Matheson, on Dec 25th, 1902, Mr. Leggate of Buffalo to Miss Mary, daughter of John Nichol of this place, the young couple took their departure for their home at Buffalo on Friday 26, carrying with them the best wishes of the numerous friends of the young bride in this place. As we did not get particulars we can only add our sincere wishes for the future happiness of the young couple.

Mr. Walter Nichol is spending his holidays at the parental home. Messrs Regie and Leo Grier are at home with their mother, Mrs. Grier of this place, at present. Mr. John McPhail who got his leg broken a month ago is improving as well as could be expected, but will take a long time yet before he will be able to be about.

Turnbull-Ector A very pretty wedding was held on the avenue last Wednesday at the home of Mr. and Mrs. Robt. Ector. In the presence of about 50 people Mr. Thos. Turnbull and Miss Catherine Ector were united till death do us part by the Rev. Mr. Farquharson. The bride was led into the parlor by her father while the wedding march was played by Miss Maggie Ector. The parlor was beautifully decorated with ferns and house plants. She was unattended, bridesmaid and groomsmen being dispensed with, and looked very pretty in a dress of cream silk brocade.

After the wedding ceremony a sumptuous repast was partaken of which gave credit to the cooks. The bride-cake was a finely adorned 4 story affair. The guests from a distance were, Mrs. Bridges and son, Wingham; Mr. and Mrs. Jno. Moffat, Greenock; Mr. and Mrs. J. A. Little, Proton. The bride and groom, left on their wedding trip to Bruce Co. The bride's travelling dress was of stone blue broadcloth with white silk blouse. The wedding gifts were numerous and handsome showing the esteem in which both are held and we wish them a pleasant road to travel on in their new life.

RISH LAKE

Owing to the absence of the regular correspondent, we take the liberty of supplying the Review with some items, and hope our humble efforts will be critized with leniency.

Mr and Mrs Thos. Hughes and son, of Detroit, are spending the Xmas holidays with Mrs. J. Nash, Sr., the old home of the latter. Mr. Hughes returns shortly, as his position, a lucrative one, necessitates it. Mrs. Hughes will remain however for an indefinite length of time. Mr. John Ryan attended the concert and pie-social given at Dornoch lately. He reports a well rendered programme, and says the pies were all right too.

Messrs T. and P. Butler have bought a brand new cutter. They tested its merits for the first time on Xmas day. Pat and Tom are industrious lads, and believe in having everything up to date.

Mr Donald Campbell has lately been investing in a quantity of lye stock and implements. His next investment will likely be in real estate. Success! Dau. With Mrs. M. Martin the season's thrashing in this neighborhood ran ashore. Mrs. Martin's spacious granaries are said to contain 1500 bushels or more of different grains.

Mr Thos. Sullivan delivered at Cayton, last Monday, seven choice hogs, which were bought by Mr. R. Cook, for which he paid \$5.70 per cwt.

Miss M. Sullivan is spending the holidays at her home at Dornoch, Miss Sullivan is re-engaged which testifies to her popularity, it being her third term here.

Mr Jerry Sullivan of Dornoch, spent Friday night at the Lake, being the guest of Mr. Jas. Kerley.

Many thanks Mr Editor for those handsome Xmas Annuals, many interesting stories are found on its pages. It alone is worth half a yearly subscription.

We wish the Editor and all the readers of the Review A happy and prosperous New Year.

Address and Presentation.

On Friday, 19th Dec, a large turn out of the ratepayers of the corner section of Egremont was found at teacher D. McDonald's examination. Mr. McDonald, after several years' faithful work is leaving. Speeches were made by Messrs Wm. Allan, Jas. Allan, Jos. Mack and others and the pupils made good contributions. Everybody was pleased and this is how the teacher was rewarded:

Mr. D. McDonald. Dear Teacher:— It is with feeling of regret, that we the pupils of S. S. No. 2, Egremont are compelled by force of circumstances to sever our pleasant association as scholars and teacher.

We can assure you dear teacher we will long remember your kindness and patience to us as scholars since you have been our teacher.

We sincerely hope that wherever your lot is cast you will always remember the pupils who attended school during the years you were with us.

Dear teacher, will you kindly accept this teacher's Bible, and a volume of Burn's Poems, as a token of our esteem and respect. In bidding you good-bye we can assure you that we will always remember you as a kind teacher and friend.

Signed in behalf of the School Lottie Eden, Nellie Allan, Annie Crittenden.

Address and Presentation.

At the closing exercises of Welbeck school, the teacher, Miss McCormack was presented with a parlor lamp, Oriental tea-pot and cup and saucer.

DEAR TEACHER: It is with regret that we near the end of another term, when the pleasant ties which have existed between us as teacher and pupils are about to terminate. We cannot let the occasion pass without in some manner expressing our appreciation of the kindly relations between us during the term now passed. The excellent advancement in our studies, your kindly manner in imparting knowledge to us, have endeared you to all, and you may rest assured we will follow your future with interest. Kindly accept this small memento from the pupils of S. S. No. 13, and may your future be a bright and happy one.

Signed on behalf of school and section: CORA JOHNSTON, EFFIE CAMPBELL.

CHRISTMAS CONCERT AT DORNOCH SEPARATE SCHOOL.

Probably one of the most successful concerts ever held in this vicinity was that which took place in Dornoch Separate School, Friday evening Dec. 19. Long before the beginning of the program, which was unavoidably delayed a few moments later than announced the school house was crowded to its utmost capacity a circumstance which even stimulates performers to their best efforts.

Part I of the program was rendered by the pupils who did themselves credit in solos, duets, quartettes, recitations, dialog, drills and calisthenic exercises. All were good but we mention the "Good Night" drill, by 8 little tots, the Wand Drill by 8 girls all prettily costumed as being particularly good. The girls were Misses N. Vasey, C. Barry, M. McKenna, M. Gillen, H. Dargavel, J. Gillen, M. Vasey, N. Barry. The singing was highly praised the quartettes being, boys—W. Drees, J. McKenna, W. McDonald, W. Vasey, Girls—N. Vasey, C. Barry, M. McKenna, N. Barry. The soloists from form I were Misses H. Barry, C. Vasey, H. Vasey, Johnny Barry, from form V Miss Nellie Vasey. Among many good recitations were those by Misses Ivy Dargavel and Mary Cummings.

Part II was rendered by local talent and was of great variety and all enthusiastically enjoyed. The comic singing in costume by Messrs Barry, Casey, Vasey, Dargavel; the minstrel Messrs Mays, Barry, McKenna, Casey, Vasey, Lister and T. Casey, (all genuine coons), the dialogues "Fugateed Lodger," "Census Collector" and "Savel," were all of a high class and creditably performed.

Excellent orchestra music was furnished by Messrs P. Malone, J. Coffey and J. Sullivan, the accompanist for the evening was K. M. Ryan, the teacher, and the instrument used was an elegant new parlor organ, kindly loaned for the occasion by Dornoch Presbyterian Church.

The duties of chairman were most pleasingly and gracefully performed by merchant A. Ledingham, of Williamsford.

At the close of Part II Mr. Staples in a very efficient manner auctioned off the pies, etc. His success is seen in the results: the cheapest pie was 65c and the highest \$1.55. The total receipts were \$57.85, and when expense is off there remains \$54.37 to an organ fund.

The teacher and friends of the school heartily thank all who aided in making this concert such a success. Com.

MARVEL OF MECHANISM.

One of the largest printing presses in the world, and undoubtedly the largest in Canada is shortly to be installed in the premises of The Mail and Empire, Toronto.

This monster is known as the Scott Straight Line Sextuple In-setting and Folding Machine. Its enormous capacity of 72,000 papers per hour, printed, pasted, cut, and folded, will enable The Mail and Empire to publish news an hour and a half later than at present. This mammoth press is one of the most up-to-date and complete machines ever manufactured.
