#### ----PRICEVILLE.

It is seldom that such a gathering as was in Watson's Hall on Friday the 2nd inst., has been in our town. The occasion being the gathering of the Sootch Clans. It is said that Scotchmen are a far sighted class of people generally, which was proved on this occasion for on selecting an evening suitable for the event they saw through the many cold and below zero temperature nights that intervened since the proposition was made to have a concert. They wisely as with a prophetic eye saw that Friday evening the 2nd of Jan. 1903 was to be an evening suitable from the octogenarian to the child in the mother's arms to leave their homes and take a comfortable drive in the springlike

evening set apart for the purpose, etc. Dr Hutton, of Durham, being previously appointed to occupy the chair appeared on the scene of action in due time. The Dr. has always a warm corner somewhere in his heart toward Priceville, and Priceville and surroundings esteem him in like manner, and as to his ability to fill the duties of chairman he has but few

equals. The first on the programme being a selection from the bag pipes by Professor Hector McDonald, "Cock of the North." Then came a song by the chairman and the proceeds amounted to great baritone singer Donald Mc-Gregor, "Sons of the Heather," song
