THE DURHAM REVIEW

Hopeville.

Municipal Elections.

Intended for last week.
Died in Proton Township near Hopeville on Jan. 3rd, Mr. Richard Parslow after a few months illness. Aged 71 years.

Mr. Parslow was one of the pioneers of Proton. He came into Proton about 50 years ago before the general land sale of Proton and settled on the farm on which he died. Mr. Parslow's wife died some years ago and only two sons and three daughters survive him all of whom are married and doing well. Mr. Parslow was a hard working man and gave his family a good start. In religion he was a Methodist and in politics a Conservative. The funeral which was held, on Wednesday and followed by a large number of friends to the Methodist church was the largest ever seen here. Rev. Mr. Varley officiated.

Richard Davis has about changed his mind about going to Durham to live and talks of Little Current being the place for him.

Election matters are going here strong, McArdle and Wright for Reeve, and seven councillors.

The Rev. Mr. Thom, of Flesherton, preached in the Eskdale church on the 4th. Mr. Geo. McLean of Toronto arrived here lately.

Miss Proctor, of Toronto, is visiting at Mr. Burnett's.

Mrs. Ferris has friends visiting from Bruce County.

Obituary.

The Rat Portage News of recent date says:

The death occurred Sunday evening of one of the old and respected residents of Rat Portage in the person of Mr. Alexander McPhail, after an illness of only two weeks duration, in his 70th year. Deceased was born in Muir, Scotland, in 1824, and came to Canada some 50 years ago. He first settled at Vaughan, York Co., where he was married in 1833 to Mary Black, who survives him. He next took up his residence in Grey Co., Ontario, and came to Rat Portage eight years ago. Besides his widow he leaves a family of five sons and three daughters: John and Neil at home here; Angus in Revelstoke, B. C.; Daniel at Medicine Hat; Alexander at Kincardine, Ont., and Misses Katie and Tina, home, and Mrs. Thos. Saunders was a stout Reformer, and in religion a Presbyterian.

The funeral took place from the family residence, First Street, today at 2:30 o'clock, and was largely attended, showing the esteem in which the deceased was held by all who knew him.

SCIENTIFIC AMERICAN.

The Special Edition of the Scientific American, devoted to Transportation on Land and Sea, cannot fail to attract widespread interest, both because of the very handsome manner in which it is gotten up and on account of the voluminous amount of information that it contains. It is safe to say that anyone that reads it carefully through will find himself thoroughly posted both to the magnitude and high quality of our railroads and shipping. The Scientific American has its own characteristic way of presenting what some people might call dry statistical matter in an interesting form, and the present number is no exception to the rule. Both artist and Editor have collaborated to certainly very good effect, and we believe the number will meet everywhere with a hearty reception.

Mr. F. W. Hosson, Dominion Live Stock Commissioner, in speaking of agricultural newspapers says: "No better publication reaches my office from any quarter than THE WEEKLY SUN. There is none more carefully read by my family or my staff. If every farmer in Canada were a subscriber, a careful and thoughtful reader of THE SUN it would be a national benefit." You can get this paper and THE REVIEW one year, only \$1.80. Leave your order at this office.

HIGH JINKS IN RAINY RIVER.—A letter received lately from a subscriber in this district gives a picture of jollity worth reproducing. The "Tom Whitmore" is a son of John Whitmore, N. Egremont. "The bachelors of the township clubbed together lately and invited nearly all around to a supper at Tom Whitmore's. His new house was filled comfortably and about 75 sat down to a magnificent spread, all cooked and served by the bachelors themselves, 7 or 8 of them acting as waiters, nearly all of them dressed in dark vest and pants and white shirts with large white aprons with bibs and looked and acted to the "manor born". Turkey and Geese cooked to suit an epicure, cakes, galore. They had 40 pies and other things in the same proportion. Such experienced cooks as M— was surprised at the excellence of everything. Tom Whitmore told me they mixed the stuff and then looked at the cook book afterwards to see how nearly right the book was. After the tables were cleared out the younger portion of the gathering tripped the light fantastic till the wee sma' hours. Some of the older ones of us going upstairs and discussing the referendum, the approaching municipal elections, &c., all going home well pleased with the night's entertainment."

A number of young men from this part came home from the West to spend Xmas with McLeod and Dan Ferguson are home also, looking well after their trip. Miss Alice and Martha Wilson spent Xmas at home.

Miss Lena Wilson visited her Boothville friends last.

The contract for the new school house has been given to David Runciman and son Fred, we are sure that satisfaction will be given, Mr. John Weir was re-elected as Trustee.

F. McCabe has decided to remain, and we hope the public will appreciate the convenience of having a blacksmith shop near, without having to spend the most of a day to get a few jobs done.

Mr. Jas. Marshall has begun his new duties carrying the mail from Boothville, Swinton Park and Birdell to Proton Station. Mr. Martin has carried the mail for 16 years and at all times was prompt, courteous and obliging.

Mr. and Mrs. Dan McLeod, Stayner, and Miss Maggie McNamee, Glenelg, visited here on the 26th.

Mr. and Mrs. Wm. McLeod, Sudnside, and Mrs. Wm. McLeod, Glenelg, visited at Clarks and Clars. McQueens on Friday.

Donald and Annie McNamee visited at Badgers, Osprey, last week.

Everyone here extends hearty good wishes to Mr. and Mrs. Samuel Caldwell on their union and wish them long life and prosperity.

Below will be found the detailed vote in three municipalities. Glenelg council is surprisingly close. Reeve McArdle of Proton deserves congratulations on his big victory.
