THE LATE MRS. BLYTH—In addition to our mention of the lamented death of this lady in last week's issue, we have learned that the cause of death was a stroke of paralysis which she experienced a week before she died. This we believe was her second attack. The funeral was a very large one, and much sympathy is expressed for the bereaved ones.

GENTLEMEN, ARE YOU BALD?—Investigate and see for yourself the Art Coverings in Wigs and Toupees. Prof. Dorenwend's manufactures are worn on over 55,000 heads by all classes, and in all stations of life. They are the essence of perfection, light in weight, durable and a great benefit to health, and a protection to the head against Cold Draughts, Catarrh, etc. Trying on and demonstrating the completeness of these goods free of charge. He will be at Middaugh House, Durham, Friday, Feb. 6.

THE NEW "NEWS"—The first number of the Flavell-Willison Journal, came out on Monday. The name News is retained, and number of volume. It is to be an evening paper, independent in tone, and the first issue is very creditable. Few ventures in this line have started out with such hopes of success; Good financial backing and a brilliant Managing Director in Mr. Willison, who knows his work thoroughly and the ground he has to cover. The News sets out to be an Independent Journal, devoted to politics, education, literature, the presentation of current news and the diffusion of useful information.

Ladies and Gentlemen, see Prof. Dorenwend's beautiful Wigs, Toupees, Bangs, Wavy and Plain Fronts, Switches in every length and shade, etc. He will be at the Middaugh House, Durham, on Friday, Feb. 6th. His Hair Goods Styles when properly adjusted protect and ornament the head, soften and beautify the expression of the face and consequently tone up aged appearance. Prof. Dorenwend has for this season many new and pretty designs. He has added a number of New York, London and Paris patterns. Be sure to see them and not forget day and date. Friday Feb. 6th.

Miss Margaret Gunn returned from Toronto last week, and is now prepared to teach the Myer's music method for children. Pupils are prepared for the first examination in the Toronto Conservatory of Music.

The Baptists are beautifying the interior of their new church by putting in a Karn Pedal Organ, which they secured through agents Barclay & Bell. It is a beauty, the case being made of Oak, and weighs 1,280 pounds.

HYMENEAL—Early on Tuesday, Mr. Jas. Lavelle and Miss O'Neil, sister of Mrs. Jas. Lenahan, were married at Mr. Jas. Lenahan's home by Rev. Father Hauck, and left on their wedding trip the same day. Hearty Congratulations.

THE CARNIVAL—The first Carnival of the season last Thursday was largely attended, and the races keenly contested. The ice was in splendid condition. A number of young people from Mt. Forest, Walkerton and other points were present and picked up some of the prizes.

DROMORE PUBLIC LIBRARY—The Annual meeting will be held on Monday, of next week, (26th inst.). During the year the library has been well patronized and highly valued. Though the number of volumes is only 375, the number of books taken out is 1094 an average of 4 1/2 times per book.

LIBRARY FOR PRICEVILLE—A communication in another column informs us of steps being taken to found a Library in Priceville. Of course and why not? We are surprised to learn this is the first step and we hope that great success may attend the promoters. Anything we can do to assist will be gladly done. Such an institution is a boon, that, once enjoyed would not be parted with.

DISTINGUISHED HIMSELF—We have been much pleased to learn of the brilliant success of our young friend Mr. A. W. Hunter, son of Councillor A. S. Hunter of town. He went to McGill College, Montreal last fall and at the Christmas "final" examination, succeeded in passing; not only so, he took honors in two subjects, and stood first in Physics in a class of over 100. We congratulate our townsman whose brilliant success reflects credit not only on himself, but on the staff of Durham School, who have laid the foundations so well. "Archie" is the stuff for a student, painstaking and thorough, and we predict will ultimately make a good M. D.

CHURCH OPENING—The opening services of the new Baptist Church will be held on Sunday, Jan. 25, 1903. Service at 11 a. m., and 7 p. m., conducted by Rev. J. B. Kennedy, B. A., Toronto, and at 2:30 p. m., by Rev. Wm. Farquharson, B. A. Monday following tea will be served in the old meeting house, followed by a platform meeting in the church. Mr. Kennedy and other clergymen will assist. Mr. Frank J. Barber, of Toronto Conservatory of Music will sing at the services on Sunday and Monday. Continuation services will be held on Sunday Feb. 1, when Rev. Dr. Spencer, Bradford, will preach morning and evening, and Rev. Mr. Smith in the afternoon. Monday Feb. 2, there will be a grand concert, for which Frank S. Davidson a celebrated vocalist of St. Thomas has been secured. Admission to Tea, Jan. 26, 25c. To Concert Feb. 2, 25c.

ODDFELLOWS REUNION—On Monday evening, 26 visiting brethren from Mt. Forest visited Grey Lodge, No. 69, and had a very pleasant time. They came on the afternoon train and were met at the station with rigs and driven to the Cement works to see the wonders there. They took tea together at the Middaugh House, and were billeted among the brethren here who paid all expenses. After tea adjournment was made to the Lodge room, where the visitors conferred the initiatory and 3 degrees on seven members, putting the work on in a most acceptable manner. Supper was served at 12 midnight by these able caterers Jordan and Burnet, who supplied oysters, turkey, and everything good. The work was resumed for an hour or two, and about 3 a. m. after a pleasant evening they sought repose till the morning whistles blew.

Have you noticed how a wedding and Black's ad run into poetry this week? Jimmy Fax too. Is it spring?

We are pleased to hear that Mr. W. H. Cowham, the President of the National Portland Cement Co., has taken a block of stock in the Durham Natural Gas & Oil Co. He is firmly convinced of the existence of Gas in the vicinity of Durham, and expressed the hope that operations would be commenced at an early date.
