A very large from the depths of Christian truth amount of wheat still remains in the and feeling. Will you not suffer a hands of the farmers, and as the exprivation in behalf of the soul for whom Christ died?

12. Ye sin against Christ-"By injuring His children, whose wrong He feels as His own; by injuring His cause, and destroying the work He has come to do, and by misrepresenting His spirit."

IV. The question settled by love (v. 13). 13-Wherefore-This is the conclusion of the whole matter. To offend-Cause him to stumble and to fall into sin. Will eat no flesh-In order to insure my avoiding flesh offered to idols I would abstain from ail kinds of flesh in order not to be ; stumblingblock.

Teachings.-Knowledge and love should go toglether. We should be careful about trying to persuade the man with a weak conscience to disregard his conscience. We may seek to enlighten and convince with the truth, but we should not condemn or denounce.

Temperance Instruction .- Our lesson points out five principles, which should guide the Christian "1. Knowledge. We know that wine drinking is an evil and that we should avoid it. 2. Charity. The one "I was taken ili with what I thought | who acts from love is surer than edge. Love for God, ourselves and others will lead us to abstain from cured his mother, so I thought I follower of Jesus Christ. Which will please Christ most, drinking or abstaining? 4. Liberty. Some tell us that he who cannot use liquor as he may desire is not a free man but is under bondage. He who would follow Christ must deny him-

PRACTICAL SURVEY.

The question discussed in this les-

son is whether it was right for Christians to partake of meat offered in sacrifice to idols. The city of Corintly had a mixed population of heathen and Christian people. The idol worshippers dedicated every meai by presenting some portion of it to the family god, It was aiso customary to offer sacrifices in some public temple on the occasion of a birth or marriage, and to 36c; peas, 781-2c; barley, 47 to after the legs of the victim, enclosed in fat, and the entrails had 52 1-2c; hay, timothy, per ton, \$12 been consumed on the altar, the worshipper received the remainder and made a feast for his friends kets, the same as other meats. One of their arguments was that fore no barm could come to a Christian in partaking of these per pair, 75e to \$1.25; ducks, per the knowledge attainable concerning the nature of idols and idol

Bradstreets on Trade. Wholesale trade at Montreal has been quite active this week. The trade in heavy winter goods is about over so far as the jobbers are concerned, and the attention of travelers ations are being made for operations this year, Cold weather in Manitoba since the first of the month has tendport inquiry continues good, it is expected larger quantities will soon be coming out for shipment. Good progress has been made in Hamilton wholesale circles with the spring trade, and large shipments continue to be made to the various trade centres of the Dominion. The travelers are still sending in well distributed orders, and the prospects point to a very large turn-over by the retail ers the coming season. Values of staple goods, as reported to Bradstreet's this week, are firmly held Repeat orders in many cases are carrying higher prices, and in some lines it is difficult for the jobbers to get repeat orders for certain lines booked for prompt delivery. In London this week there has been a steady demand for spring goods. In Ottawa there has been a good inquiry for spring goods. The outlook for business in all departments of trade is exceedingly promising.
