ONLY A SLIGHT COLD

Yet It May Lead to Consumption and an Early Grave.

If your blood is poor or water, a touch of cold or influenza will settle in your lungs, and the slight cough of to-day may turn to the racking consumptive's cough of to-morrow. Weak lungs are caused by weak blood; weak blood is an open invitation for consumption to lay upon you the hand of death.

Stop that cough by enriching your blood and strengthening your lungs with Dr. Williams' Pink Pills. They make new,, rich, red blood. They They have saved hundreds from a consumptive's grave.
