Trade conditions at the Toronto Cattle Market to-day were unchanged from those o. the previous day- of the week. Business was normally active, and prices are about steady for all kinds of cattle.

Export Cattle-There was a firmer feeling on the market although prices in most instances continued steady. About \$4 to \$4.50 per cwt was paid for the best chore cattle, but some fancy lots were sold at higher prices. Quotations generally are nuchanged, despite the better feeling, while the prospects are for a slightly firmer

Butcher Cattle-The market continues about steady. The run was rather light. and the demand for the stuff offering, quotations are unchanged. Choice cattle brought about \$4.25 per cwt. and higher prices were paid for extra choice stock ..

Milch Cows-The offerings of milch cows were of poor quality and rather few in number. The market is about stead . with an active demand for good cows. Quotations are unchanged at \$30 to \$55 each, but as high as\$80 was asked for extra goo! cows with calves.

Stockers and Feeders-Good stockers are still in brisk demand, but the receipts of this kind are light. Prices continue about steady, with quotations unchanged. Sheep and Lambs-A fairly brisk business was done to-day, nearly everything being sold early. The market continues about steady, with the exception of export bucks, which are about 50c per cwt higher.

Calves-Good veals continue in demand and the market is steady, wite quotations

Hogs-The market is firmer in places, ducts being finished by machinery, per cwt, and of lights and fats firmer at i the same price, \$5.80 per cwt.
