Quite an enjoyable time was spent at the residence of Mrs Bothwell, on the townline Egremont and Gleneig, on Tuesday evening the 31st inst. the occasion being the presentation of an address and gold watch to Mrs Bothwell, who intends departing for Brockville shortly.
On motion, Mr Wm Ramage occupied the chair and read the address, Mrs H McKinnon making the presentation, after which Mr W L Dixon read a letter from her pastor Rev Mr Varley, regretting his inability to attend. Speeches were made by various members of the company, interspersed by songs from Mr and Mrs John Weir, Miss Kate Dixon and Mr Thos Hornsby and members of the local choir. Mr Thos Bothwell, who is leaving for Edmonton soon, made reply to the address, on behalf of his mother, thanking all for their consideration and kindness shown to them both, and for the present which had just been given, and hoped if any old friends ever came his way they would give him a call and assured them that he would bestow upon them the best of his hospitality. In the remarks made all expressed regret at parting, and wished them every success in the future.

The following is the address:
Dear Mrs. Bothwell,
We cannot contemplate your removal from our neighborhood without being prompted to recognize the coming separation in some formal and tangible way. To many of us association with you has been life-long, and thus we have had ample opportunities of witnessing, and sharing in, your kindnesses and attentions in sickness and in health. Your worth in time of trouble we will know only when we lose you, and we heartily assure you what you will sorely need to be told, that the pleasant memories of nearly half a century will long be cherished. We wish you health and happiness in the evening of life. We shall ever rejoice to hear of your welfare and we ask you to accept of this gold watch as a mark of the esteem and affection entertained towards you by your old neighbors and friends in this vicinity.
Signed on behalf of the community,
Mr Matthew Hooper has moved on the Bothwell farm.
The Koch Bros., have moved to their lately purchased farms (Bell) several waggon loads passing in last week. We are told they are pushing young men and sociable and have no doubt they will take their place in the neighborhood. We extend a cordial welcome to the new comers.

What Others say

Worthington's Canadian Stock Tonic
James Leask, breeder and feeder of the sweepstake fat cattle at Provincial Winter Fair of 1901 and 1902 says:
DEAR SIR,—
I have fed your Stock Tonic to cattle and like it very much. It makes them thrive well and put on flesh more rapidly. I think it is the best Tonic I have fed to horses. We are also feeding it to our hens this winter and they are laying better than they have done for a long time. It pays to feed it.
Yours truly,
JAMES LEASK.

DEAR SIR,—
I had a mare stocked in both legs. Worthington's Stock Food took it down completely and put her in good condition. It has done my cows good. Think it is a good thing and can recommend it.
