Meaford has just lately added a new furniture factory to its industries. Three stories and basement, 200 feet long, 60 wide, and like our own factory here rushed to keep up with orders.

District No. 2 in the C. L. A. juniors is scheduled as follows: Durham at Dundalk, July 3; at Sound, July 20. O. Sound at Durham, June 23; at Dundalk, July 17. Dundalk at O. Sound on June 18; at Durham, July 31.

NO RAIN.—Everyone here is calling out for rain, but to-day, Tuesday is as dry as ever. Even the cement men want rain as their clay is harder to get out. Fine showers in Manitoba on Sunday. LATER—Tuesday evening brought a delightful little down pour and more seems to be coming.

Paisley Village has had offered to it a handsome and costly drinking fountain for man and beast if they will erect it and keep it supplied with good water. The donor is a Mrs. Seymour who wishes to commemorate her late husband, and the "Advocate" hopes the council will close with the offer. We would like to see Durham council tested this way.

BIG DAY IN MT. FOREST.—Saturday last a large number of outsiders joined with the townspeople at a corner-stone laying ceremony, the building being the new carriage works, to which the town recently gave encouragement. It is situated between the two stations and when completed will cut off the view of one from the other but will be finely placed for shipping purposes. Mayor Halstead presided and gave an excellent address. Others who spoke were the two editors and the local clergy. A special train from Palmerston brought about 100 sightseers who must be a generous lot to come to celebrate in a rival town the foundation of an industry just taken from their own.

THE NIAGARA CAMP.—The Niagara military camp will commence on June 9th, instead of June 16th, as at first announced. There will be no camp at London, all the western Ontario regiments drilling at Niagara and the eastern Ontario ones at Kingston. The idea of calling out skeleton regiments and training them was adopted last year and as stated last week, the same plan will be followed this year, except that each regiment will be represented by 225 officers and men instead of 180. Considerable change will be made in the rations. In addition to the allowance allowed in past years, each man will be given daily two ounces of bacon, two ounces butter three ounces of jam, one ounce of evaporated vegetables, two ounces of flour, and one ounce of split peas in lieu of the old allowance of barley.—Ex.

An exchange gives some pertinent hints as to news suitable for local papers which we reproduce. The REVIEW will always be pleased to receive accounts of the following: 1—Marriages, give as fully as possible. 2—Births. 3—Deaths, give sketch of life always. 4—Removals. 5—Loss by fire or otherwise. 6—Land transfers. 7—Robberies. 8—Unusual freaks or incidents. 9—New or important enterprises. 10—Visitors to or from a distance. 11—All township news, and in fact any kind of news that is of interest. 12—Progress of Agricultural operations. Don't forget to sign your name, which is not for publication. What not to give: 13—Hints or insinuations which only a few can make sense of, and which are unkind in their nature. The mere calling of one neighbor on another unless for some public purpose, Sunday visiting, and though "every lassie has her laddie," she doesn't like the public to know every time he calls on her, and the public doesn't care for it either.

Pure Manitoba Flour from Ogilvie's Mill, Manitoba, for sale, at A. S. Hunter's.

When you want something nice, neat and artistic in the line of photographs patronize Kelsey.

FISHING TROUBLES.—Those in want of notices prohibiting trespassing should apply at this office and spend 10 cts for notices.

Canada will have a fresh issue of stamps on Dominion Day bearing the image of King Edward. The supply of old stamps bearing the lineaments of the Queen will be disposed of before the new stamps are issued.

REVIEW TO GREAT BRITAIN AND IRELAND.—Postage is now the same on papers to the old land as in Canada. For 50 cts we will send the REVIEW to Jan 1, 1904 to new subscribers from Land's End to John O'Groats House Use this special offer to send to your friends.

We beg to acknowledge receipt of program of a 5-day Teacher's Institute, held at Peekskill N. Y., from an old friend and teacher in that County, Miss J. R. Fitzgibbon, of Katonah. From the report in the Peekskill paper accompanying we notice they have talking teachers and heavy papers even as in South Grey—in the olden time of course.

BINDER TWINE.—The public meeting held in Ayton a week ago Saturday, to consider the establishment of this industry there, was says the Advance, well attended. Messrs A. Wenger, Jas. Allan and Geo. Calder laid the plans of the promoters before the meeting, and as the subscription list approximated the \$20000 mark it was decided to secure a charter. Messrs Wenger, G. Calder and A. Schenk were sent to Toronto for that purpose.

### A MUCH LAMENTED DEATH.

Very seldom have we had occasion to record a death so sad as that which took place this, Wednesday morning, when Lloyd Bean, only son of Mr. and Mrs. W. H. Bean passed away. Attacked last week with appendicitis, his medical attendants decided on an operation which took place early Monday morning. He came through it apparently all right, but death was in the end, and Divine providence had decreed that the loving and much beloved son was to be separated from earthly ties. How much this separation means only those similarly tried can tell. The parents, yes and grandparents too, know well that they have all human sympathy, but in the trying hour they will also turn their thoughts heavenward and draw consolation from the best source. Though only 13 years of age Lloyd was a universal favorite, with young and old. Kindly in speech, civil in manner, and courteous in all his demeanor he was a type of boy we have all too few of. He gave promise too of a useful life, for he worked his way through school without ever missing an examination and was a reader of marked intelligence for his age. These, though but memories now are sweet memories, and he will not soon be forgotten by his companions and never by those who knew his full companionship. It is a surprising testimony to the influence of one young life to observe the gloom cast over the town by his sudden illness and later by his death.

### S. G. WOMEN'S INSTITUTE.

A very successful meeting was held at the home of Mrs David McCrie's on Wednesday, April 29th. There were quite a number in attendance. Addresses were given on hospitality, housecleaning, hygiene and vegetable gardening.

The next meeting will be held in the Town Hall, Durham, in June, at which there will be a lady speaker, sent by the Superintendent of Farmers' Institutes to address the meeting.

### VICTORIA DAY, MAY 25.

The memory of the great Queen's birthday will extend on into the future longer than that of her son or her son's son. Her merits as a woman and a queen, the unparalleled length of her reign, the brilliancy of it in many aspects all tend to make it memorable, but there is no denying the fact that the happy circumstance of its occurrence in the "Miracle month of May" goes a long way to make it popular. It is with us again. Monday next by general consent will be a general holiday. In honoring the day we honor the King who desires his birthday to be celebrated that day. Let the flags fly to the breeze, sing "God save the King," look around on the beauties of our country and be proud in your heart of our glorious Canada and its British connection.—God Save the King—Long Live Canada.
