**The Rev. Wray Smith will give a blackboard sermon at Zion on Sunday afternoon. The pupils of the Sunday School will occupy the front centre seats.**

**NEW SPRINKLER.**—The town's new sprinkler arrived this week and the weather man, as if to head off the contrivance, sent a copious shower of rain. We can stand a good bit of this interruption.

**A memorial Service will be held in the Methodist Church, Durham, on Sunday morning for the late Lloyd Bean.** The members of the Sunday School and Junior League, of which he was a member, will meet in the basement at 10.45.

**MIGHT HAVE BEEN SERIOUS.**—While assisting at the hoisting of a barn at his son-in-law's, Mr. Jas. Matthews the other day, Mr. Wm. McFadden got a severe cut on the head, but no bad result is likely to follow. The barn was being jacked up and posts put below it, and when just about completed it gave a "slew" with the above result.

**See our New Black and white Muslins, Organdies, Dimities, Chambrics, Zephyrs.** H. H. Mocker's.

**FIRE BY FIRECRACKERS.**—Last Saturday the sound of the Fire Bell about noon brought the Brigade on the run. The danger lay in the stables of Thos. Barclay and Jas. Warrington which were jacked before help could be rendered. However, the residences near by, in danger, were saved. The cause was children playing with firecrackers.

**BROKEN ELBOW.**—The accident to Mr. Fred Benton at the Foot ball match was more serious than we thought. His elbow joint it seems is broken, and even if the arm is saved, it will be stiff. It is expected he will be off work for 2 months, which is a serious outlook to a young man with wife and child. His fellow employees at the cement works are, we hear, planning generous things.

**A PAINFUL ACCIDENT.**—One night last week Mrs. Dr. Hutton was returning home from a down town visit, she made a slip on a part of the very bad crossing at the Moody corner, and, in the fall, broke the small bone of her leg near the ankle. Mrs. Calder, who was with her, secured the doctor's help and the limb was at once set. She is progressing favorably and will we hope, soon be herself again.

**MRS. ROBT. BULL DEAD.**—On Monday last a telegram was received from Miss Mary E. Bull, of Pincher Creek, announcing the death that morning of her mother. No previous notice was received of her illness and the news was therefore a sad surprise. She was a sister of Mr. Thos. Harris, and was long a well-known and respected citizen of Durham. Three of her daughters are with her. Mrs. M. Barber, Varney, is a sister-in-law.

**A DELICATE OPERATION.**—Last week Miss Katie Black, daughter of John S. Black, Clerk of Glenelg, underwent an operation for the removal of a "cystic tumor." Dr. Ego, of Markdale, had the case and Dr. Hutton was called in consultation. The operation was not without ahero, O. Sound, assisted by Dr. Ego, while Dr. Hutton administered chloroform. The operation was successful, and at last reports the patient was making a good recovery.

**BAPTIST SOCIAL.**—The Social Friday evening was quite unique in its way the ladies furnishing the whole programme, and doing it well too. Miss Stewart occupied the chair and Mrs. Newton was accompanist. Miss B. Crawford, a pupil of Mrs. Newton's, sang two solos nicely. Misses Stewart, Nettie Brown and Iza Campbell gave good recitations and Miss Jewel McComb a nice reading. Vocal numbers were given by Misses Stewart, Dora Burnet, Bessie Brown and club singing by Misses Beaton and R. McComb. Dainty refreshments ended a pleasant evening. Proceeds \$8.85.

**Laid to Rest.**—The funeral of the late Lloyd Bean was very largely attended and very marked were the feelings of sympathy for the living and respect for the dead. The beautiful white casket was covered with flowers, the chief piece being a "Gates Ajar," inscribed "Our Comrade the gift of the school. Another lovely wreath was sent by the Junior Epworth League of which he was a member. Rev. Messrs. Smith and Ferguson, (late Methodist pastor here) improved the occasion by appropriate remarks. The School children were lined up by the teachers and marched at the head of the procession all the way to the cemetery and very touching it was to see them open out to allow the passage between them of their comrade's body. Among those present from a distance were Mrs. Bean's parents, Mr. and Mrs. Jno. Patterson, Sr., Howick; Mr. and Mrs. Jno. Patterson, Jr., Albert Patterson, Mrs. E. A. Cooper, Miss Nettie Patterson, brothers and sisters of Mrs. Bean; Howick; Mr. and Mrs. Geo. Ayres, mother and stepfather of Mr. Bean; Mr. and Mrs. W. T. Armstrong—the latter a sister—and two children; M. C. A. Bean, Newry, a brother and Mrs. Thos. Best, Palmerston, a sister.

**DURHAM'S DAY OF SPORTS.**  
Monday, Victoria Day, was loyally observed in Durham. Weather conditions were right, and town and country seemed to have made up their mind to have a holiday outing and witness the sights prepared by the Lacrosse Club. The attendance was the greatest yet seen at any Lacrosse event here, and we are pleased at the encouragement this will give the club.

**FOOTBALL.**  
But it wasn't all Lacrosse. Holstein and Varney strove for victory at football in the morning and the result showed 1-0 in favor of Holstein. The sides, however, were very evenly matched, and the play was good though the wind was rather strong and this may have contributed to the provoking frequency of stops "for outs." Will McDimon made some brilliant work on the Varney team, while Robt. Taylor, Dromore, had legs all round the ball for Holstein, whenever it came near him. Fred Bennon, an enthusiastic player, lately from England, early in the game, got a check or a trip which sent him flying and landing on his arm, broke it near the wrist. He bore it manfully and all will regret the enforced idleness imposed upon him by the accident, which happily was not caused by any "foul."

**THE SCHOOL AND THE "SCRUBS."**  
Promptly after dinner a Lacrosse Match was played between the "Mitios" (the School team) and some of the loose Junior players round town. The match ended 2-1 in favor of the school who excelled their opponents in combination and in other respects.

**WALKERTON VS. DURHAM.**  
The chief attraction of the afternoon centred round this event, as it is the first time that either of the teams have played a match this season and expectation ran high. Durham lined up as follows:  
Goal—C. Layelle. Point—Wes. Theobald. Cover Point—Jeff McCracken. 1st Defence—J. Baker. 2nd Defence—Glen Dillon. 3rd Defence—A. McIntyre. Centre—W. S. Hunter. 3rd Home—P. Matheson. 2nd Home—G. Booth. 1st Home—D. Munro. Outside Home—F. Glass. Inside Home—J. Layelle. Field Captain—P. Gagnon. Reteree—A. Whitney.

Play had not long started till it was seen that the Walkerton boys, handsome in bright green sweaters, were clearly outclassed. Of course they have good players, but they lack combination work, catching power, and confidence in themselves. Their wingers were not winning goals, they generally had the ball under control and only once in the 2nd quarter allowed their rivals to score, themselves winning 4 goals in the first quarter, 4 in the 2nd, 14 in the third and 14 in the 4th quarter, 14 in all. Goal-keeper Layelle had a snap, especially with Wes. Theobald of the men's furnishing store, at point, for the dash and boldness, the skill and the cuteness "Wes" displayed amongst his checkers was the wonder of the day. Willie Hunter made brilliant play as a centre man while Booth's stick seemed like a magnet for the ball would get into it. Munro, Glass, McIntyre, McCracken and Matheson, have lost none of their last year's vim, and young Jimmy Layelle promises to be a star.

**THE RELAY RACE.**  
Mr. Baker, of the Public School staff, organized this race, and had 2 sets of 4 boys each from the town. Only Priceville, outside of the town, entered into competition and while not winning first prize, they were given second. As its name implies, four boys ran one race, the first going one round giving a ticket to the second boy waiting, he in turn to a third, &c.

**THE TUG OF WAR.**  
This event came off successfully, the captains being Thos. G. Lauder for Glenelg and Robt. Lawson for Bentinck. Mr. Baker refereed the affair and the first pull went to Glenelg after a spirited pull. On changing ends, Bentinck was the victor, and on a third pull, victory again rested with the Bentinck stalwarts. It was the best tug of war we have ever seen, and ended in good feeling. The lining up was as follows, the captains not pulling:  
Bentinck: Elijah Armsstrong, Fred Noble, Thos Lawrence, John Wilkie, Neil Coultts, Cam. Dunsmoor, R. Lawson, Capt.  
Glenelg: Walter McDonald, Chas. Kennedy, Jas. Smiley, David Davis, Thos. Watson, Bert Smith, T. G. Lauder, Capt.

**THE CALTHUMPIANS.**  
This motley aggregation paraded the streets in the forenoon and their grotesque outfits gave no small fun to the on-lookers. A little nonsense now and then is relished by the wise men. The stout old German with his bottle was voted among the best and a shaving outfit was the acme of ludicrousness. To the cry of "Fire," a grotesque Fire Brigade made its appearance manoeuvring the hose in such a manner as to dampen the fire of a few of the spectators. The weird music rendered by the Calthumpian band was also a feature.

**THE CONCERT.**  
This was a complete success as far as attendance went, the Hall being crowded and every reserved seat taken. "The Scout of the Philippines" was put on the boards again by the local talent, and some creditable acting was shown. It is a mixture of farce, comedy and tragedy and the scenic settings and arrangements were quite ambitious. Miss Jessie Laidlaw was a spirited heroine whom no amount of blandishments in captivity could win her regard. Miss M. Munro on the other hand represented a character anxious to test matrimony no matter who. Lauder Buchan
