Sauzean Presbytery meets in Holstein on July 7. On the same day the annual Presbyterial meeting of the Guild takes place, and Durham we understand is to supply some of the music.

Court Durham, C. O. F. No. 446, will attend Divine service in Trinity Church Sunday, June 21, at 11 a. m. Brethren requested to be at the hall at 10.30.

BY ORDER. STRAWBERRY SOCIAL.—The Presbyterian Guild will hold their social evening in the basement on Thursday 25th inst., (not Tuesday as announced). Strawberries and cream will be served. A good program is being prepared.

A LARGE COMMUNION.—The Sacrament of the Lord's Supper was dispensed in the Presbyterian Church on Sunday to 247 communicants, the largest number in the history of the Church. 29 new members were received the majority by profession of faith.

CONGRATULATIONS.—In the reports of the examinations at McGill Medical College, we are pleased to see the name of Arch. W. Hunter amongst the successful ones, he having taken aggregate honors in all subjects, and stands high among the few who have done so.

FORBES'S SERMON.—Court Durham, 25th June, O. F. will attend Divine service in a body at the Methodist Church on Sunday morning, June 28th. Members are requested to meet at the Hall at 10.30. Members of the order from Courts at other points will be welcomed. A full attendance is respectfully requested.

W. M. JOHNSTON, Jr., Rec. Secy. If your socks are "not worth a darn"—go to Ireland's and buy a new pair.

BIG ORDERS.—The Strawberry season on in force and the large but the luscious fruit keeps up with the increased supply. Jordan and Burnet have had an extraordinary run and to-day are receiving the largest shipment that ever came to Durham, and we believe they are all spoken for. We have to thank Mr. Wismer of Rocky Saugeen for a gift of as fine home-grown specimens of the fruit as we ever saw.

COUNTRY PROGRESSING.—The number of barns going up and other new buildings is a sure sign of progress. Monday last Mr. Neil Livingstone, of Glasgow, was in the city. We have to thank Mr. Wismer of Rocky Saugeen for a gift of as fine home-grown specimens of the fruit as we ever saw.

WELL DONE CANUCKS.—The other day we saw a photograph at Mr. Wm. Johnston's taken in Georgia on Victoria Day. About a dozen Canadians at the Rockmart Cement Works got together and secured some Canadian flags with which they adorned their persons and the verandah of their hotel in memory of the homeland. Amongst them we notice Mr. Philip McKechnie, R. McGowan and Fox. We "bet" they sang "God save the King."

NOT A SUCCESS.—The directors of the Public Library and Reading Room at a meeting last week determined that the result of the experiment of moving the Library down town was not successful, nor likely to be, and came to the conclusion that, at the earliest opportunity they would move back to the original proposition. The move down was made last winter with the idea that the great advantages of a free Reading Room would be better utilized round the "busy corner," and expectations were high that a largely increased membership of the Library would result. These expectations have been found entirely misplaced, and the Board, even with the help of the town council, find it impossible to finance the new reading room. The government gives dollar for dollar for amounts spent in book purchases, but evidently where the whole income goes to expenses, this government help is lost. There must be at least 100 homes in Durham and near it, that would be benefitted by the library, and yet who do not use it. Where there are young people, few better opportunities presents themselves for a profitable investment of a dollar than membership in the Public Library.

Chatsworth and Dundalk are celebrating Dominion Day.

How long will the fine weather last? Go to Ireland's and carry Umbrella Insurance.

HOTEL CHANGE.—Mr Geo. Klempf of Holstein has sold his hotel to Mr Anton Zettel, of Berlin. Mr Klempf is going west.

A great Picnic in aid of St. Mary's Church, Mt. Forest, is to be held on the Church Grounds, Mt. Forest, on Dominion Day. Proceeds in aid of the Church.

County Council is in Session in Markdale this week. During the week, likely on Thursday, the corner stone of the new House of Refuge will be laid with fitting ceremony.

NEW TIME TABLE.—This week the Grand Trunk gives us a new and improved train service. Trains go out at 7.35 a. m. and 3 p. m., and arrive at 12.35 a. m., 1.30 p. m. and at 8.30 p. m.

DUNDALK DROPS OUT.—The Dundalk Lacrosse Club has backed out of this District, leaving only 2 teams to play for the District Championship. Durham and Owen Sound. These two clubs will play two home and home games in each town.

Fresh Stock of Groceries. All goods delivered.—H. H. Mockler.

A destructive fire occurred in Clarksburg, a week ago Sunday destroying two stores and the Reflector printing office. We sympathize with brother Marshall in his loss but admire his grit, for by the courtesy of the Collingwood Bulletin he issues as usual and promises everything new next week.

THE GREAT LACROSSE MATCH.—Next Tuesday Owen Sound and Durham teams will struggle for victory on the Show Grounds here, at 3 p. m., and those who remember the exciting game of last year, will want to see this. This is the opening game and the citizens should turn out largely to give due encouragement.

HANOVER'S BIG DAY.—Among the sports in Hanover Dominion Day will be an exhibition Lacrosse Match between two Junior League teams, Harriaton and Durham. Same day and place Durham Juniors cross sticks with Hanover Juniors. The fireman also intend going west.

ONLY 75 CENTS.—The Weekly Globe and DURHAM REVIEW will be sent to new subscribers to Jan. 1st 1904 for 75c. The Weekly Mail and Empire and the Review for the same time for only 80c. In both offers the papers may go to different parties in any part of Canada, the United States or Great Britain. Remittance we pay all postage.

New white Vests, the correct thing this season at—H. H. Mockler's.

STILL BAFPLED.—The murderer or murderers of the little 13 year old Collingwood girl, Glory Whalen, are still at large. Several arrests have been made of tramps and others, but they have always succeeded in proving themselves innocent. The detective bureau will be heavily discounted unless it can run the foul murderer to earth before long.

Not a week passes without news from some one who is in serious trouble through endorsing a note for a relative or friend. Through misfortune, sickness or rascality the maker of the note has failed to meet it, and the burden falls upon the endorser. There is a fine quality of bravery in the way some of these men face the situation and work out the last dollar in order to save their honor, but the wife and children may suffer long before the debt is satisfied. It is hard for some men to refuse this endorsement for a friend, yet it is always a risky thing to do. We wish that a sudden attack of pen pals might strike most of our friends when they are called to endorse notes or sign contracts with strangers.—E. J.

DELAYED MAILS.—Mr. Jno. Acheson, S. Burnside, Man., complains of irregular arrival of the REVIEW. This is a fine second complaint we have had from that province and the fault must lie there, for all for Manitoba leaves here regularly every Thursday in one bundle, which we presume is opened in Winnipeg. We notice other publishers complain, and we imagine there must be a new and inefficient clerk on somewhere. Extremely annoying, but dear Subscribers, don't blame the printer. Mr. Acheson says the oldest settlers never saw such a good prospect for a crop, the rains came earlier and sufficient. A new railroad, the C. N. R., going through near him, promises to ease the transportation crush this fall. It leaves Portage and runs through the Fox settlement then Elmwood, Rosendale, Carberry, then north to the Main line. \$30 and \$35 is being paid for single men, per month and as high as \$45 for a man and wife.

FIREMEN'S NOTICE.

All members of the Fire Brigade are requested to meet at the Fire Hall on Monday evening 22nd inst., at 7.15 sharp to make arrangements to go to Hanover to take part in the Firemen's Demonstrations on July 1st.

Editor's Notice. We are glad to see the firemen are to have an outing on our National holiday, and feel sure they will worthily represent the town wherever they go. At the same time we rise to remark that it is about time our own town was giving a thought to the social side of the Firemen's life. If we mistake not, there was an understanding some years ago to work up an annual picnic or excursion in their interests. It was done a few times, but seems for some reason to have been overlooked in recent years. In the meantime here's wishing them a good time, and at least we may hope they will not have to go into their own pockets to appear in suitable uniform or to be at expense for livery hire.
