rical Paris. "Wonderful!" I exclaimed, and the cricket field." turned again to where fashionable Paris was disporting itself in the circus ring. Some of the women were beautifully gowned and managed to make themselves as attractive as a woman can be in that unbeautiful dance. But the men! Well, the most melancholy sight on earth is a mana well-dressed, well-groomed, wellbred, ordinarily dignified man-making a consummate idiot of himself for the amusement of a jeering crowd. He looks weak, helpless, simple, pitiable, and all the time he seems to half realize it and to be laboring to overcome it. The only man in that crowd of twenty-four fashionable cake-walkers that I didn't feel profound pity for was the one who was entirely encased in a grotesque bearhido, Everybody knew everybody, and the conversation between the ring and the boxes was general, indiscriminate, and entertaining, and everybody was evidently very happy. The whole house glittered with jewels and beautiful women. Every seat in the big auditorium was occupied, and everybody was in evening dress, and the effect was almost startling in its brilliancy. A row, of seats had even to be put around the inside of the ring for the accommodation of a couple of hundred unaccompanied bachelors who made a nice study in black and white sitting close together side by side in a complete circle. -Eleanor Franklin's Paris letter in Leslie's Weekly.

Rice Cake.

A delicate rice cake for dessert pan over a hot fire. When it boils add a heaping cup of well washed cool it in the saucepan for half an hour. Add six heaping tablespoonfuls of sugar, and stir them in well. Then add three whole eggs and flavor with a tablespoonful of orange flower water or orange extract. Roll some good puff paste very thin, line a tin pudding mould, holding about three pints. with the paste; add the rice with the eggs, sugar and flavoring, and put the pudding in a moderate oven to bake for forty minutes. Then cool the pudding, cover it with an icing and serve. This makes a firm cake, which should be well flavored with orange extracted and garnished with a little acid jelly. The orange extract is made by soaking the yellow peel of a Callfornia orange in 90 per cent. alcohol for at least two weeks. Grate the peel into the alcohol of pack it in thin slices, and see that there is enough of it to fill the bottle completely .- Tribune.
