Following our holiday, some of the news this week, as our readers will understand, may have an ancient appearance.

APPENDICITIS.—Miss Ella Robertson and Rev. Thos. Farr are recent victims to this too common disease. Both underwent an operation, and at last reports are doing well.

We somehow omitted to mention in our last issue the fine fraternal visit of the Priceville Camp, Sons of Scotland, to their brethren in Ben Nevis. A return visit will be arranged for before long.

SALE REGISTER.—Mr. Peter Brown, Holstein, will on Friday of this week at 2 p. m. sell his household furniture and chattels. Terms 4 mos. credit on approved joint notes. Jas. Carson, Auctioneer.

SCOTCHMEN, ATTENTION!—Do you wish to visit the land of your forefathers without crossing the Ocean? Attend the Scottish Concert, Wednesday Sept. 2nd. A program that pleases all classes.

See Mockler's north window for New York styles in Men's Hats.

CREAM SEPARATORS.—The first sales of the make of the firm, The Durham Manufacturing Co., Limited, were made this week. For an elegant article, fit for the parlor as one lady said, we have seen nothing to equal them and certainly it would be hard to surpass. But the main thing is their efficiency in all particulars has been proved equal to their elegance. An exhibit has been prepared and is away to the big fairs where it will be sure to receive much attention. A prospectus, for use at these fairs, has just been issued from this office.

Huntsville Standard, Mar. 12, 1903, says: "The Concert given by the Scottish Concert Co. in the Presbyterian Church, under the auspices of the Ladies' Aid, was a success. The concert was opened by singing of good old Scotch songs and violin solos, which were appreciated by the large audience. Miss Mary Burnett sang 'Afton water' with clear expression and much feeling. The moving pictures and stereoscopic views were splendid. The Company is worthy the public patronage." Under the auspices of the Public Library in Town Hall next Wednesday.

THE SCHOOL STAFF.—The School Board last week engaged Mr. Alton M. Sheppard, of Paisley, as substitute for the Model Term. The staff is now complete, and in addition to Principal Allan whose duty lies with the Model-ites, is as follows: High School Dept.: Miss L. M. Forfar and Mr. Sheppard, Public Sch. Dept., Mr. Baker, Miss A. Meredith, Miss A. McKenzie, Miss A. Gun, Miss A. Grant. Next year an additional teacher has to be added to the staff, which will fill every room in the school, and provision will have to be made to accommodate elsewhere the Model class of 1904. It is becoming clearly a necessity to plan for increased school accommodation in Durham.

WIDELY MOURNED.—Far beyond the bounds of Hanover there is sorrow and grief that the stroke of death carried off the well-loved and respected Nellie Mearns, daughter of Dr. and Mrs. Mearns of that town. She was a few days past her 21st year, and her removal at the dawn of womanhood from the home she brightened, is one of the inscrutable things we mortals can fathom not but must endure. Very sincere sympathy is extended to the parents over the loss of their only daughter. She was well known in Durham where she attended Model School in 1901. She was a brilliant student, a successful teacher and gave promise of a useful life. Her affable disposition and cultured social qualities made her a general favorite and we well believe as the Post says, that Hanoverians will feel her death as a personal loss. In extending our own sympathy to the bereaved we voice the sentiment of many in Durham.

Some New Dress Goods to hand that are selling. C. L. Grant.
Mr. Donald Beaton offers an excellent farm for sale in this issue.

Large shirt sale! all summer soft front shirts away down in price at H. H. Mockler's.
Our story readers will find the connection of our vacant week on a supplement in this issue.

FOR SALE AT A SACRIFICE.—A 100 acre farm in Bentinck. Apply to MACKAY & DUNN.

The Dundalk Herald has come out of the fire purified by a fine new dress of type and other signs of renewed capacity to serve the public.

Dr. Burt will be at the Middaugh Ho. Durham, Wednesday, Sep. 2nd, from 12 to 4 p. m., for consultation in Eye, Ear, Throat and Nose cases.

This week we publish Mrs. Cameron's first letter from England. It will be found deeply interesting and another for next week is equally so.

The Young People's League of the Methodist Church are planning to hold a Rainbow lawn party on the grounds of Mrs. Sutherland on the evening of August 31st.

The Concert next Wednesday by the three Scottish Ladies promises to be a great success. Parties who heard them in Dundalk last week speak highly of them as a treat not to be missed. Plan at MacFarlane's.

Do you need a Raincoat? H. H. Mockler has a large range to choose from.

NO SERVICE.—The session of the Presbyterian Church allowed last Sunday, one of the three Sundays of the pastor's holidays, to go vacant, and the fold being closed the sheep scattered to find other pasture for the day in the churches of the town. A number found their way to the Rocky in the afternoon to hear the new pastor, Rev. Mr. Aitchison, who is commending himself to his two charges by devout and scholarly sermons and a faithful pastorate.

Barrie Examiner commenting Concert given in Grand Opera House, Aug. 11th, 1903 says: "Seldom have the people of Barrie had the opportunity of enjoying such an excellent program as that given by the Scottish Concert Co. of Aberdeen, Scotland. Miss Mary Burnett maintained her reputation as the sweet singer of Scotland. Miss Jennie Thomson is an extremely clever violinist. Miss Nellie Malcolm, the eminent pianist and accompanist, is as pleasing a vocalist as she is a clever instrumentalist. The moving pictures were the most clear and distinct ever seen in Barrie, they were still further acceptable from the fact that they were accompanied by suitable piano music." Hear these artists in Town Hall next Wednesday.

HYMENEAL.—Congratulations to Mr. J. S. Vollett, son of our worthy town Clerk, who at Fort William two weeks ago was united in marriage to—guess who—Miss M. Wallace, Harriston, well-known here. The REVIEW extends warmest good wishes to the young couple, whose love and loyalty to each other has led them together. They can sit at their fireside and discuss old times and be assured of a warm welcome from the old town where they first met whenever they find time to pay it a visit. This is how a Fort William paper records the event:

On the steamer Athabasca arriving in port last Saturday, a young lady arrived from Harriston to make one of Fort William's bachelors contented. On the same afternoon, at 2.30, a very quiet but happy wedding took place at St. Luke's church, when Mr. J. S. Vollett and Miss M. Wallace, were united in the bonds of holy matrimony by Rev. E. J. Harper. The young couple have taken up housekeeping. Mr. Vollett is accountant for Gordon, Ironsides and Fare's branch before taking his present position with F. Edwards, proprietor of the Fort William Supply Co.

Durham in the Semi-Finals.

Whitewashes Owen Sound.

Wednesday last Durham boys had all the Lacrosse honors going, and a cleaner and more decisive victory has not been won this season than that won by the Juniors over their opponents. The match was to decide the district championship, as between O. Sound and Durham. Each had won on their own grounds and the play-off to decide took place in Hanover where O. Sound won, but by such unfairness in players as led the C. L. A. to order a new trial. This has taken place and Durham won, 10 goals to 0, and will have a chance with the leaders of some other district.

Kearns, of Orangeville, was official referee, and when the line up took place, O. Sound again was found to have one man, Quesnel, disqualified and having no substitute, they had to play with 11 men. At the end of the first quarter however, Durham allowed him to play but his skill availed not even to the extent of one goal. During the first quarter 5 goals were scored, 1 in second, 3 in third, 1 in fourth, all by Durham.

This result is a true indication of the play. We have seen games where the play of the losers was better than their score, but at no time did the visitors on this occasion show the work that wins. Durham defence had a picnic. Lavelle in goal had not more than one good shot to throw off. Before the first quarter is over Theobald has his opponents guessing, and a path has got to open when he decides on a run. Matheson and McCracken were ready for work down the field, and occasionally came when they did, warmed up their opponents. Baker and Glass had a little more to do and did it well. Tom McDonald at centre, in his first league match, showed skill and body work that marks him as a coming man. The homers were every one stars in their way. Doug Munro—was in the line—were everywhere, that hair came out of every meele with the ball playing in or near his stick. Jordan and McIntyre did splendid combination work. Booth never misses a catch, and opposing players never quite can understand how little Jimmy Lavelle can play on both sides of them at once and sometimes all around them. Munro scored 3 of the goals. Jordan 2, McIntyre 2, Lavelle 2, and Booth 1.

The play was clean, one Durham man was sent to the fence for 5 minutes, but to blood or bruises of any account.

The line-up was as follows:

DURHAM	Position	OWEN SOUND
C. Lavelle	Goal	Cunningham
Matheson	Point	Quesnel
Theobald	Cover Point	Muir
McCracken	1st Defence	Fawcett
Munro	2nd Defence	Cummings
Glass	3rd Defence	Chesney
McDonald	Centre	Dowles
Munro	3rd Home	Galvin
Booth	2nd Home	Fawcett
McIntyre	1st Home	Bennett
Jordan	Outside Home	McKin
J. Lavelle	Inside Home	Jackson
Gagnon	Field Captain	Kelly
Davidson	Umpire	McFadden

Referee—W. Kearns, Orangeville.

Earlier in the day the Durham and Mt. Forest Juniors had a match and our boys won 9 to 2, with some real good playing on both sides.

The First Match Won.

Durham Defeats Walkerton here in the Semi-finals.

The first game in the semi-finals between Durham and Walkerton, the champions of Districts No. 2 and 3, respectively, took place in town yesterday afternoon, when Durham triumphed over their opponents by the same score as they did Owen Sound a week ago, and just about as easily.

At the beginning of the game, Walkerton started in with a rush, and in the first ten minutes they did their best playing. However in the first quarter, Durham secured 3 goals, and for the remainder of the game, Walkerton was simply 'not in it.' Durham put in two more goals in the 2nd, 3 in the 3rd, and 3 in the 4th quarter, the scoring honors being quite evenly divided. Walkerton's chances of scoring were dispelled by their home always breaking on the strong local defence, and by poor shooting on goal whenever they did get a look-in. Booth starred on the Durham home, as did Matheson and Theobald on the d-fence, but all put up a good game. The Durham line-up was the same as in the previous match. On the whole, it was a clean game, only two players being slightly hurt, though not as fast as usual, owing to the condition of the grounds. Referee Irvine of Orangeville, proved a capable official, and had few occasions to send players to the fence.

The return match is to be played in Walkerton Friday, and a large number of 'rooters' will likely accompany our boys to see them win their second game in the semi-finals. Walkerton's chances of winning are not good, and it is altogether unlikely they will overcome a lead of 10 goals, so Durham likely will next be up against the winners of the district north of us, either Southampton or the Wellingtons of Owen Sound.

LACROSSE NOTES.

In the intermediate series, in Mount Forest Friday, Owen Sound defeated the Lornes a second time by a score of 3-0, making both teams tied for the district. The tie will be played off this Friday in Orangeville.

Southampton in the Junior series, defeated Tara last week in Tara. This makes the district a tie between Southampton and the Wellingtons.

Cement Works Struck by Lightning.

The screeching of the Cement whistle at 2 a. m. Tuesday aroused many from slumber to look for fire or something unusual. A fierce electric storm was raging accompanied by heavy rainfall, and the unlucky spot struck by the subtle fluid was the Power House at the Cement Works resulting in damaging both the whole institution up, and of course the large generators, and of course the damage done will take about two weeks to repair, which over and above the costly nature of the injury, is unfortunate, as the works were in full blast trying to keep up with a large demand.
