REVIEW balance of the year for 25 cts to new subscribers.

Money to Loan at 4 1/2 per cent.

MACKAY & DUNN, Durham.

Miss Dick, the milliner, has important announcements in her ad. on this page. Read it.

BOY WANTED.—At once, to learn moulding. Apply at the Durham Foundry.

We offer the REVIEW from now to Jan. 1, 1904 for 25 cts. Friends will oblige by making this introduction price known.

The sidewalk men are at work this week beginning at the Cream Separator Building. By the progress they are making the part on Countess St will be finished this week.

BAPTIST CONCERT.—On Friday of this week a concert will be given at the Glenelg Baptist Church, by the Baptist choir, led by Mrs. Newton. Proceeds in aid of the organ fund. A good time may be expected.

LABOR DAY.—Great celebrations took place in various cities and generally these passed off successfully and all peaceably. The holiday swelled the attendance at Toronto's big Fair to high-water mark, and the attendance passed the point of comfort, especially when it rained.

HEAD OFFICE IN DURHAM.—We believe it is the intention, if not already accomplished, to have the head offices of the National Portland Cement Co. removed from Toronto to Durham. This has been long looked for and the work will not suffer by being placed in Mr. Ehrhardt's care.

A GOOD BRIDGE BUT COSTLY.—Such was the impression one forms as he listened to the accounts before Council on Monday night. The one item of cement alone cost over \$1000, and labor charges of course are heavy. The by-law provided \$270, but before completion the cost will be measurably near twice that amount.

OUR FALL SHOW.—Prize Lists are out by the hundreds and if you have not got one, write Secretary Davidson. Readers of the Prize List should scan the advertisements of local merchants, many of whom give liberally to the funds and all of whom are prepared to cater to the wants of this community just as well, and in many instances better, than the big Department Stores. Remember it is Monday and Tuesday, Sept. 21 and 22.

THE ABERDEEN CONCERT CO.—The Town Hall on Wednesday evening last was well filled to hear the three ladies of this Company whose fame had preceded them. The musical part contained some good numbers, "Angus MacDonald" illustrated with lime light views being excellent. Apologies were made for Miss Burnett being out of trim, but she showed herself a vocalist of no mean power. The accompanying and the violin work was loudly applauded, but even this and the vocal part was voted second in importance to the very fine collection of moving pictures they showed. These were decidedly the best ever shown in Durham. The concert or entertainment, left such a flavor of excellence that a return visit will be welcomed especially since they are receiving new sets of views from England, and having a large repertoire of songs to draw from. The funds of the Library were benefited to the extent of nearly \$20.00.

HOUSE OF REFUGE.—The Markdale Standard of recent date reports progress as follows: "The building operations on this magnificent edifice, which is being erected on the outskirts of the town, is being proceeded with rapidly. It is a three-storey brick structure, its proportions and symmetrical order being such as to produce an attractive appearance from every point of view. The roof is the "cottage" style, and is pierced by five dormer windows on the front and one on each end, which, gradually diminishing in elevation, has a bold and pleasing sky-line. The excellent hardwood maple floors have been laid on the second and third storeys, and are being oiled by a gang of men of the firm of R. Irwin & Son, Orangeville, who have the contract for the painting, decorating, etc. The wires for the electric current have been laid and seventy-one lights installed. The lathers commenced their work this (Wednesday) morning. Mr. Christie, of Owen Sound, is expected here this week to commence the installation of the steam heating apparatus."

TRIAL TRIP SUBSCRIPTIONS TO W. MAIL and Empire to end of the year only 15 cts.
DORNOCH.—Communion Services will be held on Sabbath next, at 11 a. m. Preparatory services, Friday at 2 p. m., Saturday 11 a. m.
SMALL FISH.—Before Police Magistrate Telford on Tuesday, Mr. H. Mackay was fined for having in possession fish under the legal length.
HAVE YOUR LAMPS READY.—Messrs. Crawford and McIntyre, the electric light firm, asks patrons to bear with them for a short time if lights go out, as repairs are in progress.
CAN'T PUBLISH.—A budget from Dornoch gives a few legitimate items and another accusing some Durham ladies of stealing pumpkins and using bad language. No name being attached it goes to the W. B.
RECOVERING.—Mrs. Hutton, who was severely bitten by a pig is making a good recovery under Dr. Hutton's care. Her son, also Dr. Hutton, from the States has been home seeing her. Her daughters, Laura and Jane have now taken up the Model school work.
DIRECTORS MEETING OF PUBLIC LIBRARY, Friday evening of this week in the Library Building. These Directors are, in case they have forgot, the resident clergymen, and Messrs Allan, N. W. Campbell, Kelly, Sparling, Irwin, Graham, A. S. Hunter, Moran, J. L. Brown, W. S. Davidson, A. Davidson, C. Ramage. The attendance of all is needed.
ROWDYISM IN SPORT.—Both Walkerton papers refer regretfully to the action of a few rough boys who molested Durham players while leaving the town and the Herald proposes they should be sent to jail or reformatory. A Walkerton lawyer intends to prosecute, and if he fails to do so the lacrosse boys will. The Herald adds: "The good reputation of the town can not be damaged by the act of a few young scoundrels without some punishment being given the offenders." Durham appreciates the honorable sentiments expressed and never blamed the team, though as much can not, we fear, be said for the O. Sound fellows.
LAIID TO REST.—To-day, Tuesday, the mortal remains of Mrs. Duncan McKenzie have been laid to rest. She died on Sunday morning last. For many years she has been in poor health and needed the tender solicitude of her family, which was never wanting. All her family, except Alex., are home at the funeral. To husband and other bereaved ones, much sympathy is extended. Her pastor, Rev. Mr. Newton, conducted appropriate funeral services, a large number, in addition to relatives and neighbors in town, being present from deceased's old home neighborhood in Bentinck. Her brother, Mr. Donald McDonald, of Bentinck was present. Another brother is in Dakota. Besides her husband she leaves two daughters, Florence and Maggie, teacher at Crawford, and three sons, John, Alexander and Duncan.
LAMENTED DEATHS.—Last week's Aytton Advance records the death under sad circumstances of two well-known residents near Nenagh. One of these was Mr. Joseph Curran, brother of Robert in this town, who was operated on for appendicitis and died in a few days. The whole community was shrouded in gloom over the sudden death of a "fine, honest, noble and good hearted fellow." The paper says: "The remains were followed by perhaps the largest cortege ever seen at that burying place. The final ceremonies were performed by Rev. P. S. Owens who spoke in the most complimentary terms of the deceased. Besides the aged parents three brothers, John in California, Robert in Durham, and Felix of this Tp., with four sisters Mrs. Barret and Mrs. Holleran of Hamilton, Miss Katie, of Syracuse, and Mrs. Jos Taylor, of Nenagh, live to mourn his loss and to receive the heartfelt sympathies of the community which are at present being extended from every side." Immediately following this came another crushing blow when Miss Maggie Ellen McPhee, eldest daughter of Mr. Hector McPhee, aged about 20 years died under exactly similar circumstances. Strong and well, in a few days she was prostrate, death followed the operation, and all in a week. Mr and Mrs John A Black, of town and about a dozen others near by attended the funeral, the McFaydens and Turnbulls being relatives. The Advance says: "She was the eldest of her family and had the cares of a household on her hands since the death of her mother some years ago and when she was yet a mere girl. Everybody speaks of her as being a splendid young woman and the loss to her father and family as being beyond calculation."

2nd Round Semi-Finals.

Wellingtons Defeated by Durham.

Battered and bruised, but victorious, the Durham team came home Friday last from Owen Sound where they played the Wellingtons of that place. The score was 5-5, but, as the first of the "home and home" games, played in Durham, was 6-4 in favor of Durham the net result was a win for our boys who now hold the championship of Districts 1, 2, and 3.

The game in its earlier stages showed good lacrosse, but towards the end developed a frenzy on the part of the Sounders which observers and players agree in saying lost them the game. This frenzy took the shape of brutal slugging so glaring that the referee, Geo. Allan, Mt. Forest, had one or more of their men ruled off during nearly the whole of the last quarter. Crooks will be apt to remember this crooked work, as he had three or four of his teeth knocked clean out with a vile blow from a stick. Another had a cut in the forehead, and few escaped a scar.

The unsportsmanlike character of the players was copied by the crowd, who at the close became an insulting, almost dangerous mob, and the Durham players were not allowed even to get to the hotel in peace. One of the players approached Jimmy Lavelle, apparently to shake hands with him, and as the courtesy was about to be received, a treacherous blow on the face was given, and others piled in on the lad to help the first coward. So threatening was the crowd that the Durham team felt relief when they left the hoodlums behind them.

Such work as this disgraces a town, and the U. L. A. should mark its disapprobation of this conduct by cutting O. Sound out of the leagues while the town authorities can only clear themselves from complicity by investigation, and arrest of the ringleaders.

The game started at 3.15, and the first goal was scored by Munro in 5 minutes. Owen Sound in 3 1/2 minutes evened up, and in 2 1/2 minutes more went one better, but in 3 1/2 minutes more Dickson scored for Durham and the first quarter ended so. The second quarter was the Sound's only two goals scored being taken by them in 7 and 6 minutes respectively. This lead was increased in the first minute of the third quarter by another from Owen Sound but this was their last as in 12 minutes more McIntyre scored for Durham, and in the 4th quarter, Munro found the nets in 5 and 9 minutes respectively. Following is the line-up in which will be noticed two or three new Durham players, who made a good impression:

DURHAM	GOAL	WELLINGTONS
Lavelle	Munro	
Matheson	Wilson	
Crooks	Cover Point	McDonald
McCracken	Hart	
Baker	Defence Field	Cruikshank
Glass	Centre	Mullins
Pearson		Carson
McIntyre	Home Field	Armstrong
Moore		Thompson
Munro		Jones
J. Lavelle	Outside Home	Bell
Dixon	Inside Home	Patterson
Davidson	Field Captain	Thompson
Jordan	Timekeeper	Rausay

Referee—Geo. L. Allen, Mt. Forest.
The Wellingtons have protested Baker, claiming that he played in a former match with Port Elgin. Southampton has won its protest against the Wellingtons over a disputed goal, so these two again play off in Tara Thursday for the championship of District No. 1. If the Wellingtons are victorious, and Durham wins the protest, our boys are champions of Districts 1, 2, 3. Southampton winning, Durham will likely play a sudden death game with them on neutral grounds.

On returning from O. Sound the Durham team was met a mile above town by a deked out dray in loyal colors and loving lassies. A bonfire at the busy corner shone its welcome, a supper at the Middaugh House followed, and following this an hour or two of the "light fantastic" in the Town Hall, completed the rejoicing.

Notes.

The Rocks of Elora and Kincardine, champions of their respective districts, crossed sticks in Harrison Labor Day in a sudden death game, their first in the semi-finals, Elora winning out by a score of 9 to 4. By winning the protest, or by defeating Southampton, Durham will likely be next up against the Rocks in the semi-finals.

The game to break the tie between Ferguson and Owen Sound intermediates took place in Orangeville last Saturday when the Thistles demonstrated their superiority over the Sounders by doubling the score, 10 to 5. Up to the end of the third quarter it was anybody's game but in the last quarter, Ferguson simply played rings around the star Owen Sound aggregation. The champion-ship, which the Times figured were coming home seem to be getting away on them, as the Wellingtons are now the only team they have that has any chance at all for any championship. Ferguson will likely capture the Intermediate again this year. They play with Seaforth to-day.
