THE DURHAM REVIEW

Announces the most remarkable proposition ever made by a Canadian publication to its readers:

TWO DOLLAR PAPERS FOR \$1.15

By special arrangement, and at heavy cost—justifiable only by the certainty of largely increasing our subscription list—we are enabled to offer our paper and The

MONTREAL WEEKLY HERALD

a great dollar weekly, for \$1.25 per year. This offer is exclusive, and can be made by no other paper, as we have purchased the exclusive rights for this district.

REMEMBER THIS FACT—Every subscriber paying one dollar in advance for our paper will receive The Montreal Weekly Herald for one year without extra cost. The expense to us is so great that we can make no deviation from this rule—the money must be paid in advance, and all arrears must be paid.

As a Newspaper.

THE MONTREAL WEEKLY HERALD was established in 1868, and is the second oldest Canadian paper in its old age it has renewed its youth, and stands in the forefront of Canada's great journals. As a newspaper, it is edited with special reference to its constituency of readers, who desire a comprehensive summary of the world's news of the week. Everything is viewed from the standpoint of the Canadian who wishes to keep abreast of the times, without having to wade through columns of irrelevant matter. Careful consideration marks The Herald's treatment of every line of news. Do not confuse it with other papers of somewhat similar name. The Herald is a compact paper, not a blank sheet.

As a Home Paper.

THE MONTREAL WEEKLY HERALD is pre-eminently a paper for The Home. In the first place, nothing is permitted in its columns that cannot be read with profit and instruction by every member of the household. In the second place, it is edited with special reference to matters that interest women. "Madge McCrean's" weekly talks with her women readers constitute the most popular department of the kind in any Canadian paper. They are veritable "heart to heart" talks with the women of the Dominion, and are appreciated in thousands of homes. In this department are given Hints to Mothers, Time-tested Cooking Recipes, the latest Fashions, Illustrated, and a hundred and one topics of true home interest.

THIS COMBINATION is a great one. Your home paper gives you in full the local news, the local markets and the local gossip. The Montreal Weekly Herald gives you the general news of the world, reports of the great markets, departments of interest to farmers, and, in particular, features of value and interest in The Home. One paper is the complement of the other. They dovetail into each other, and never overlap. SUBSCRIPTIONS may begin at any time. If your subscription is already paid in advance, and you want The Montreal Weekly Herald at once send in 25c, and your subscription will be advanced a year. Address all communications to—

THE REVIEW, DURHAM, ONT

PRICEVILLE.

The Rev. Alex. McGillivray of Toronto, preached to the different societies in this place on Sunday last to a crowded church. Mr McGillivray is a sound speaker. He spoke feelingly of his pleasant memories of the time when he first came to Priceville 28 years ago laboring as a student for two summers in the then "old kirk" as there were two bodies of Presbyterians in Priceville at that time. He took for his text in 2nd Samuel, 10th chapter, and 12th verse: "Be of good courage and play the man, &c." He pointed out clearly the duty of each individual member of the different societies, represented that they were playing the man when they were laying up something for their families for the future, &c. Mr McGillivray left on the morning train Monday for his next place. He preached on Sunday last at Cedarville, Swinton Park and Priceville.

We see that our old friends, Mr. and Mrs. Brander, has returned again to our town. He will open out in the old stand again in a week or two.

Lots of snow now and the sleighing being fine, business is brisk.

Councillor Muir of Armesia, intends to contest for the Reeveship. As he is a strong man, always heading the poll we think he will have no trouble in being elected Reeve. Gleneig seems to be quiet so far. We don't hear of anyone in particular but certainly they must get one councillor more in anyway instead of Patrick Sullivan who left the Township a while ago.

Alex Black and family of Pine Grove York County, moved into our town a few days ago so Priceville is gaining in population.

Johnnie McMillan, son of John McMillan, south line, Armesia, underwent an operation, a few days ago in Toronto. We hear the operation was successful and we hope the patient will soon be able to get home.

Those who were privileged to attend the concert arranged by the Board of Management of our Public Library a short time ago, will be glad to hear that another treat is in store for them in the early part of December. This time it will be a local concert. It has been felt by many for a long time that our local talent should be developed more than it has been and the Board intend to make this next concert quite an eye-opener to the community at large. A large number of new books have been ordered recently and will be set up in the Library in a few days. Remember the concert and watch for particulars next week.

WELBECK.

The first sleighing of the season is here and a very heavy fall of snow it was. It snowed 17 inches in thirty-two hours.

The most of our farmers have suspended ploughing for some time.

The firm of Messrs Kinnes & Sparling have opened communication between Durham and Welbeck in the line of hauling ties and posts to the former place.

What made Mr John Post wear a broad grin last week was the happy event—Well a double wedding I guess. Brothers-in-law of course.

We noticed in your Dornoch correspondent a few weeks ago an account of some people not having much brains. Well there is a wealthy farmer not far from here has lots of brains for he can go through the hold up act and he evidently has started on a small scale commencing on a small article like a horse-shoe in the possession of a small boy 12 years old. The boy had found a shoe on a road which the wealthy farmer has not travelled for six months; yet he claimed he lost the shoe and took it. Next.

NORTH EGREMONT.

On Tuesday last, the 17th inst, the extensive auction sale of Mrs W J Stephenson was held and good prices prevailed. We were all there and listened once more to the saws and chestnuts of the auctioneer, and are still alive. Veteran MacKay has lots of vim yet. We "opened our hearts and lived the sale," and endeavored to prevent the owner from being "robbed out of house and home," &c.

Messrs John McBeth and John McKenzie have each purchased an Oxford Separator from the Durham factory. These articles are highly spoken of.

Miss Bella Weir is home after a lengthened stay with her grandmother, Mrs J Weir.

Mrs Wm Renton, of Durham, visited at her mother's, Mrs Baxter, last week.

Mr Humphreys, Sr., has, we are told, left this part after spending the summer at Mr H Tucker's and other places.

Miss Maggie Hooper, S Gleneig, we are pleased to hear, is recovering nicely from a recent attack of neuralgia.

Mr Amos Chislett, after acting in the capacity of foreman in connection with the cement works near Preston, returned last week for a short stay around home.

Mr Geo A Lawrence's sale passed off with meagre success, most of the implements being withdrawn from sale, as going too cheap.

Obituary.—We regret to have to record this week, the death of Mr Jno Hamilton, brother of David Hamilton at the Lake, which took place at his home at the town of Hoople, N. Dak., on October 15th last. Deceased was well-known in his younger days in this locality. He moved West about 15 yrs ago and eight yrs later married a western lady who survives him, and with his aged mother, brothers and sisters, will mourn his early removal. He underwent an operation two years ago from which he never fully recovered. All the Dakota relatives, except his sister Kate (Mrs Vollett) were at the funeral.

HOPEVILLE.

Mr John Dezell has purchased the D C McArdle farm and is lying at present in Castle Pinch. Mr James Deans, the former tenant, has moved to the house formerly occupied by John Ferguson on the sideward. John will be a benefit to the town.

W & R Dingwall has purchased a stallion of the heavy class.

Ham Allen was in Toronto at the J E Seagram sale and purchased a well-bred stallion, one of the running class.

Mr and Mrs Geo Scariett, who have been visiting in Proton and Arthur with friends for two months, have left for their home in Rainy River District, and by way of Michigan where they intended to call on some more of their friends and stay a few days.

As we write we hear of Geo McLeach leaving to meet his people in Toronto.

Miss Minnie Stevenson, of Egremont, is at McArdle's.

Miss Elizabeth Glenister, of Toronto, is with her cousin Miss Edith Glenister.

J W McArdle drove down from Markdale on Sunday to see his mother.

Good sleighing the last few days. No particular election news yet. The present council will have a chance to be re-elected.
