FAT STOCK SHOW.—This week Guelph is on foot, thousands of Farmers and Stockbreeders attending the Annual Fat Stock show, which has proven to be the very best of its kind on the continent, and is attracting attention from many parts of the States. Among the winners from this show are: **Wm. Hamilton, John Garsion, David Hamilton, Wm. Smith, John Picken, B. McFarlane, Sr., Dan Edge.**

SONS OF SCOTLAND.—Dr. Hutton was elected chief of Ben Nevis Camp, Sons of Scotland, on Friday evening last. A special meeting, at which every member within the bounds is expected is called for Dec. 18. All previous concerts are to be postponed for two nights, Jan 28 and 29, this step being necessary to accommodate the crowds who are attracted by the splendid talent hitherto presented. The limitations of our town hall is another reason for the two nights. Particulars later.

A large number from Elmwood attended the lecture given by Rev. P. MacFarlane at the Presbyterian Church last Monday evening. The subject of the speaker's remarks was the "Union Jack" and the crowd listened with pleasure to the speaker's excellent description of the origin and meanings of the different emblems on the British flag. A hearty vote of thanks was tendered to the speaker and the choir rendered the proceedings with some excellent selections.—Elmwood correspondence, Chesley Enterprise.

BAPTIST CHURCH MEETING.—The Women's Mission Circle of the Baptist Church held a public meeting on the evening of the 4th inst. After reading of scripture by pastor Pineo and prayer by Commissioner Duncan McLean, the following programme was successfully carried out: Dialogue by four girls, "Little Mission Helpers," A Missionary Catechism reading by Mrs. Alex. McDonald and Miss Marion McLean, recitations by Misses Julian McLean, Campbell, Ida Pineo, Kate McKinnon and Mrs. Pineo, and a solo by "Charlie Pineo." The choir furnished suitable selections of music. Mite-boxes were opened which with the offering amounted to \$5.95. A pleasant and profitable evening was thus spent. We are looking forward to the evening of the 22nd when the Christmas S. S. will hold their annual Christmas tree and entertainment. A good time is expected. —One Present.

ACCURATE MARKET REPORTS.—Of all the daily papers of Toronto, The Daily Star is the one that should commend itself most strongly to readers living outside the city. The Star's market reports, especially in grain, cattle and farm produce, are most valuable, being at all times full and accurate. As an afternoon paper, The Star has, in this respect, a great advantage over its morning competitors. As the markets in our own and foreign countries close each day before The Star goes to press, its readers receive these reports many hours before it is possible for them to be seen in the morning papers. In this way farmers and others are able, before taking their produce to market, to learn from The Star what prices they may expect to get. This market feature is only one of many which give The Star its lead among the daily papers of Toronto. The Star's subscription price is \$1.00 a year, with the balance of the present year thrown in to new subscribers. REVIEW and Star \$1.80.

LAW OFFICE MOVED.—McKay and Dunn have found new quarters in the old Chronicle building, which Mr. Jno. Nichol, the proprietor, is remodelling for a merchant tailor business.

Mr. Malcolm Cameron, N. Dak., formerly of Bentinck, while renewing for the REVIEW speaks of good crops and a fine winter, very little snow and no sleighing but fine bracing atmosphere.

A case was also presented who, though recovering from his accident is forbidden by his doctor to go. Others on duty are Jas. Ireland, Jas. Mather.

GLOBE ENTERPRISE.—The publishers of this leading Canadian paper are constantly giving evidence of journalistic enterprise, that is as remarkable as its value. The latest in this line is the issuing with the weekly edition, of four illustrated pages on the paper and yet the price is only \$1.00 a year. Who would want it, when our clubbing rate with the REVIEW is only \$1.80.

The Band of Hope will give a concert next Friday evening, Dec. 11th, in the Presbyterian Church. A good program consisting of drills, recitations and music will be rendered by the children also music by Mrs. Newton, Mr. J. S. Drysdale and others. An interesting talk by Rev. Wray Smith will add to the evening's entertainment. The concert will begin at eight o'clock and a silver collection will be taken at the door.

\$1,000 FOR AN IDEA.—Here is a chance for our readers. To any person who can suggest premiums that can be adopted and will prove more popular and greater value than the two pictures, "Heart Broken" and "Hard to Choose" and the quick reference coloured map of the Dominion with enlarged maps of the province, which are this year given with The Family Herald and Weekly Star of Montreal, the publishers of that great Weekly will pay one thousand dollars. The contest's premiums are certainly immense value, and will be hard to surpass. However, there is \$1,000 waiting for any one who can improve on them.

CONDOLENCE.

Durham Dec. 9th, 1903.
Mrs. T. Noble,
Dear Madam, at this time when Providence has seen fit to remove from you a kind husband and from us a well beloved brother, we as members of L. O. L. No. 652, wish in some way, though it must necessarily be inadequate and unsatisfactory, to express to you and your family our heartfelt sympathy and to testify to the high respect with which we regarded our deceased brother. Under such circumstances, human sympathy be it ever so well expressed, is merely lifeless words, and our feelings to you and your family are best expressed by pointing you to the Almighty Father, who has promised to be a husband to the widow and a father to the fatherless.
Signed on behalf of the Lodge,
THOS. STINSON, Rec. Secy.,
JOHN WILLIAMS, Chaplain.
