reports as are available confirm the Russian statement that the entrance to Port Arthur is not obstructed, the Japanese ships being sunk far from the entrance.

of the crippled Russian battleship Russo-Chinese Bank, has been ap- the Russian Admiralty has ordered ment by the law of 1901, of closing Czarevitch was badly damaged by a pointed consular agent at New eight 350 ton torpedo boats from such schools in the colonies by de-Japanese shell.

A despatch from Berlin to the Morning Post asserts that the Russian Government has informed the Senate that the battleship Reivizan and the cruiser Pallada have been repaired by engineers from Cronstadt, and have resumed their positions in the squadron in the outer readstead at Port Arthur, where they have been since March 20. This remarkable statement has not appeared in any of the published despatches from Admiral Alexieff or Vice-Admiral Makaroff, and is contrary to the independent information of the correspondents in the Far East.

The Daily Telegraph's Yin-Kow correspondent sends a Russian report that sixty-five Japanese transports, escorted by four cruisers, approached New-Chwang last Saturday. They

eventually steamed southward. The Washington correspondent of the Morning Post savs he has learned from an informant in a high position, which death struggle," continues screening the movements of Japanese struggle is over." transports.

JAPANESE LOST FIFTY.

#### Engaged and Defeated the Russians, Near Anju, Northern Corea.

London cable: A despatch to the Daily Mail from Seoul, dated March 27, says that an engagement occurred on March 23 between Japanese infantry and Cossaeks at a place between Anju and Chonju. It resulted in a victory for the Japanese, who, however, lost fifty see. killed. The Russians retreated slowly.
