

Ayer's

Your doctor will tell you that thin, pale, weak, nervous children become strong and well by taking Ayer's Sarsaparilla. Small doses, for a few days.

Sarsaparilla

The change is very prompt and very marked. Ask your doctor why it is. He has our formula and will explain.

When 15 years old, for many months no one thought I could live because of thin blood. But, in a few weeks, Ayer's Sarsaparilla completely restored me to health.

The Children

Biliousness, constipation prevent recovery. Cure these with Ayer's Pills.

CRAWFORD.

Such hot weather! Miss Kate McDougall is working at Mrs D C McKechnie's in Glenelg for the summer months.

Misses H. Hastie and L. Green visited friends on the 8th last week.

Misses Fisher and Dico have their will moved from the swamp on the 14th to Mr Fischer's farm.

Mrs Hugh McDonald, of Durham, is spending a few days at Hobkirk's.

Miss Annie Hobkirk is able to be around again after a few weeks' illness.

The Pres. Church people have bought an organ from Mr C McKinnon, Durham, for use in their Sunday School, the price paid was somewhere in the neighborhood of eighty dollars.

Mr Robt Twamley lost a valuable three-year old colt last week, due to the hot weather.

Sorry to say that our venerable citizen, Mr Supernant, is very low. His recovery is doubtful.

The grim reaper has again entered our midst; this time taking as its victim Mrs Dau Hastie. She had been in poor health for some time but the news of her death, which occurred on April 30th, was a shock to many. She leaves her husband and four children to mourn her loss and to whom we extend our heart felt sympathy.

PRICEVILLE.

This week we give as our budget an obituary and some Gaelic composition on "Summer" which may be interesting to the Gaelic people who are subscribers to the Durham Review.

We do not claim that the composition is worthy of giving place but for curiosity's sake we know that the editor will comply with our request when we ask him to bear with us in trying his patience and exercising his talent in an unknown language to him.

All the editor asks is to "bear" with him this week as space and time both are precious. "A Teasmadh" will appear in our next issue.—Ed.]

DIED.—On Sunday morning 8th May after a long illness borne with christian patience at her residence on the North Line, Artemesia, Mary Cameron, beloved wife of Donald McArthur aged about 59 years.

We have known the subject of our sketch from her youthful days. She, with her father and mother and the rest of the family moved to Glenelg to lot 41 on the second Con. N D R 52 years ago when only about 7 or 8 years of age. She was always kind and affectionate, ready to lend assistance whenever required. She was a loving wife and dutiful mother and now that she is gone the home is left mournful and sad.

To the bereaved husband we can only say that he has now to travel in loneliness on life's pathway for she who always shared his joys and troubles has ceased to be his earthly companion, but he has the assurance of a blessed reunion in the world beyond where there is no death.

The funeral takes place on Tuesday the 10th inst. to the cemetery in this place. The Rev. Mr Matheson will officiate at the house and grave. The deceased leaves a family of four sons and one daughter and a lonely husband to mourn the loss of a faithful mother and wife.
