\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh, being a con-stitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it falls to cure. Send for list of testimonials.

Address F. J. CHENEY & CO., Toledo, O. Sold by all druggists. 75c. Take Hall's Family Pills for constipation.

WOMEN AFTER MIDDLE AGE.

After middle age the average woman begins to care more for women than she does for men. Her allegiance undergoes a psychic charge, her eyes are opened, her judgment cleared, and she learns to apppreciate her own sex fully. The characteristics that seemed to her hateful frailties long ago, are defended now as their poetic distinctions. She sees in every girl the fair mirage of her own youth; in the pathetic care worn face of the young matron, the gentle heroism of her other years; in the mother of a grown family her own queen days when sons and daughters suddenly grew tall and proclaimed her. And for them all she has a chastened affinity. Men have passed out of her calculations. They are the things with whom she failed or succeeded, from lover and busband down to her youngest son. And, however much she remains dependent upon her, she is no longer elated to them in the same way. She has survived them and returned to her own.
