A **GARDEN PARTY** will be held on the grounds of Mr. Yandt, Varney, on Thursday, July 28th, under the auspices of the Durham B. Y. P. U.

NOTICE.—Any person desiring to see the Mayor on town business will please leave word at the clerk's office until such time as he twines his own store premises.

CHEAP TWINE.—John Livingston is offering twine, slightly damaged by the recent fire, at 7c a lb. Come early. He also has large quantities of the best Plymouth brand perfectly undamaged.

J. & J. HUNTER are marking their entry into their splendid new store on the old Stewart corner by a great slaughter sale. Their present stock has to be reduced to make room for new importations of fall goods. Consequently for 30 days there will be bargains going. Read their ad. on page 5.

A **CORRECTION.**—We regret that owing to some misunderstanding, before reaching us, the report of the Egremont S. S. Convention had the statement that Miss Naismith read a paper prepared by Mrs. Rogers. The paper, very highly spoken of, was Miss Naismith's own work, and we are glad to give her credit. Miss N. gives promise of bright literary genius and occasionally drops into poetry, we believe, producing creditable verses.

THE 12TH.—The great festival day of the Orangemen opened with pouring rain and lowering sky, but it was easily seen that the worst was over, and about 100 of the brethren and their friends boarded the train for Listowel where great preparations had been made for the annual demonstration. The day cleared up fine, with, of course, no discomfort from dust, and the outing was thoroughly enjoyable, all coming home pleased with the trip.

KINDLY TREATED.—Letters received from Mr. Geo. Turnbull show that he arrived safely in the land of his forefathers. Before landing, the 2nd Cabin passengers drew up a resolution to Captain Arden and crew including Stewards and Stewardesses who had "vied with each other in ministering to the comfort of all the passengers, while the sick received such special care as greatly relieved their troubles and made the voyage pleasant." This and more was signed by A. MacKay, Presbyterian Minister, Lucknow, Mrs. McNaughton, Montreal, Geo. Turnbull, Durham.

THE QUESTION OF BALDNESS.—This is a vital question with hundreds of men who are bald or partially so. How to overcome the disfigurement lent by baldness is a simple matter when you consider the perfection of modern art in the making of Wigs and Toupees. The visit of Prof. Dowdend of Toronto to Durham on Wednesday, July 20th, when he will be at the Middaugh House renders it possible for any who wish to consult him to do so at his private apartments retained at Middaugh House for this purpose. Demonstration given to show the perfect naturalness of his Wigs and Toupees. Do not miss this opportunity. Remember the day and date, Wednesday, July 20th.

LACROSSE NOTES.

In Markdale this Friday an interesting match may be expected between the Durhams of Durham and Aberdeens of Markdale. Durham is out to win the championship of this district at least, and realize that they need to win every game yet to be played. It will be worth seeing.

Dundalk at home defeated Markdale by a score of 8-2 last Friday. Another small riot took place.

By defeating the champion Brantford's in two games, the Shamrocks of Montreal still hold the Minicup.

Owen Sound Seniors were defeated in Mt. Forest at the R. C. Picnic last week, their old time opponents, the Lornes, doing the trick, Score 3-1.

Hanover won from Walkerton last week by score of 9-3 at home.

A GREAT BANQUET.

HON. W. S. FIELDING HONORED.

Monday evening the Finance Minister was the guest of the Toronto Fielding Club at a banquet held in the King Edward Hotel. Sir Wm. Mulock, Hon. Wm. Paterson, Hon. H. B. Emerson and many leading liberals of Toronto and the province were present and all either spoke or applauded words of approval of Hon. W. S. Fielding the guest of the evening.

The extraordinary buoyancy of Canadian National Finances since 1896 was of course the prevailing theme, but the developing of Canada's resources, retrospective and prospective, the importance of this work as compared with militarism, all received attention, while the zeal and ability of the Nova Scotian, no longer a stranger to Toronto, was freely recognized.

The story of the surpluses never grows old. After a period of deficits, and in spite of reduction of duties, lowering of postage rates, &c., to have surpluses coming yearly and this year amounting up to \$16,500,000,—more than the actual government outlay of the G T P Railway is a great fact and a great feat, the fact redounding to the credit of Canada, the feat speaking volumes for the present administration.

In 8 years immigration has increased from 15,000 to 28,000; trade from \$20,000,000 to \$47,000,000; agricultural exports from \$50,000,000 to \$114,000,000; a great step forward in empire-building was made when the preferential tariff went into force; not only in peace but in war Canada has shown an excellent spirit as South Africa can testify.

This splendid record under Liberal administration has never been equalled and South Grey should return a candidate who will aid in maintaining the country's prosperity under Laurier as Leader.

SAUGEEN PRESBYTERY.

The Saugeen Presbytery held its regular meeting at Durham on Tuesday, July 5th, the moderator, Rev. Mr. Edmiston, of Rothsay, in the chair. Though Durham is much to one side of the Presbytery the hearty and goodly representation of the Young Peoples Societies was presented by Rev. Mr. Little and that of statistics by Rev. Mr. McCullough, the latter showing a slight advance in contributions over last year.

The trustees of Westminster Church, Mount Forest, asked for and received permission to borrow a sum of \$2500 to the security of their church property. This to be applied to the building of a manse estimated to cost \$3500. A similar request from Arthur was also granted, so that in the near future every congregation in the Presbytery with one exception will be provided with a manse.

In answer to a communication from the Presbytery of Orangeville as to opening a new station near Wesley between Con and Keldon, the Presbytery took steps to have interested congregations consulted.

A communication was received from Rev. Mr. Murray, Toronto, Convener of the Synod's Evangelistic Committee, asking that the Presbytery relieve Rev. Mr. Little of Holstein from his pastoral work for two months to enable him to engage in Evangelistic work throughout the Synod with the hope that a permanent appointment may be made to that position at a salary of \$1200. The congregational representatives present objected to leave being granted and the matter was put in the hands of a committee consisting of Rev's Hanna and Campbell, who will formally acquaint the congregations of Holstein and Fairbairn of the request and if they are willing grant Mr. Little the two months release asked for by the Evangelistic Committee.

A request from Cedarville, Esplan and Kigniscote, to retain Mr. Lee in charge during the winter with leave to be absent the major part of each week, attending classes at Knox College, was referred to a committee consisting of Rev's Farquharson and Little.

Presbytery adjourned to meet in Guthrie Church, Harrison, on the 20th day of September next.

CARD OF THANKS.

The undersigned Committee representing Durham District, L. O. L., are instructed to express their appreciation of the cordial reception they and their brethren received from Rev. and Mrs. New at the Annual parade on Sunday last. Also to the choir and band for their very efficient services on the occasion. The Committee also thank the brethren for turning out, 100 strong in response to the call.

Signed (Wm Ritchie, C. Master, Jno. Williams, C. Chap., Jas. Blyth, D. D. Master, July 12, 1904.

—Chief Judge Alton B. Parker was selected on the first ballot by the National Democratic Convention at St. Louis as their candidate for President. He forms no mean opponent to the Republican nominee, Theodore Roosevelt. The fight on Nov. 4 next will be a warm one.

SAUGEEN PRESBYTERIAL.

The annual meeting of this body, composed of the Young People's Societies of the Presbytery of Saugeen, met in the Presbytery church, Durham, on July 5th. The attendance was good and interest fully up to previous occasions. The President was Mr. Geo. Lothian, Dromore, Rec. Sec'y, Miss Dulmage, Palmerston, Presbytery Convener, Rev. J. Little, Holstein, efficient and devoted officers, all of them.

After devotional exercises by Rev. Mr. Campbell, the minutes of the former meeting at Holstein were read. Copious notes had been taken by the Sec'y, rehearsing salient points brought out in the papers and discussions. Miss Yale, Harrison, gave the Treasurer's Report, showing a balance on the right side of \$1187.

Mr. Campbell gave the report of Presbyterial Missions Committee. This committee decided last year to support a missionary in some home field from contributions by the Young People's Societies in the Presbytery. This effort to develop the missionary spirit at home and do good abroad had been successful as the following contributions show: Knox, Harrison, \$40; Guthrie, Harrison, \$25; Mt. Forest, \$18.77; Palmerston, \$40; Amos, Dromore, \$22; Knox, Normanby, \$30; Holstein, \$48; Aytton, \$10; Durham, \$20.

Mr. R. R. Watson, of Knox, Normanby, gave a thoughtful paper on "Our indebtedness to the C. E." It was a realization of Christian indebtedness that actuated St. Paul, John Howard in visiting prisons, David Livingstone and others. Socially the C. E. was doing much, acting as guard lines to keep right, leading our activities in doing right, on temperance lines, on Sabbath observance, and in other ways. We should banish the credit system of putting off till to-morrow, spiritual activities. "What thy hand findeth to do, do it with thy might." In discussion reference was made to the change of name, and it was remarked that it might go down but thousands of souls had been brought to the light of Jesus through its instrumentality.

Mr. J. A. Grey, Clifford, spoke on "Character." It is God's best gift to man, the product of nature and of nursing. Endeavorers can help a great deal in building up character by their walk and conversation, the C. E. being a kind of advanced class for S. S. scholars. Rev. Mr. Farquharson in discussion made a strong plea for Bible influence in building up character. Stand in it, live in it, and this would be the effect.

"Missionary Work at Home," a paper by Miss Nellie Smith, Holstein, was well received. Our Kith and Kin are worthy of all attention. They form part and parcel of the great country we profess to be proud of. Avenues in usefulness are abundant and it behooves C. E. endeavorers to help in extending this important work. Rev. Mr. Little and Rev. Mr. Lee pointed out ways of engaging in Home Mission work. Rev. Mr. McCullough gave a vivid picture of the discomforts of Home Missionaries, leading us to admire their devotion, and Rev. Mr. Farquharson spoke of the experience of Dr. Pringle in the Yukon, who in homely garb and unministerial appearance was yet a true ministering spirit.

Miss Lizzie Laughton, one of Dromore's many enthusiastic endeavorers, gave an inspiring paper on "Christian Citizenship." One of its essentials was unity of purpose, based on love to our fellowmen, purity in public life, springing from an ideal home life. Her points were logically and ably presented.

One of the best things of the session was Miss Forfar's paper on "Study of Literature in Young People's Societies." In her absence it was read by Miss Allie Blackburn, who did it ample justice and received many compliments for her clearness of expression and generally intelligent rendering of an able paper. It was partly a plea for adaptation of modern methods to meet modern conditions. Social evenings attract some who may be induced to step further and enjoy a literary evening and ultimately be brought to take part in devotional work. Appropriate quotations were cleverly made to show that the study of great human works leads to the study of the Divine word. A Society has accomplished much if it has created a desire for literary work.

The criticism of this paper by Rev. Mr. Hannah was highly flattering to the writer, and was itself a most worthy contribution to the subject. It was pitiable, he said, to hear the class of books asked for at public libraries, must publish trash or go out of business, pitiable that people should unfit themselves during 6 days for the higher study of the Lord's day. There was a wholesale demoralization going on by modern literature.

THE EVENING.

Following a sumptuous tea in the basement and some pleasant out door basking, the evening session was convened and the report of the Nominating Com. received and adopted. The new officers are: Pres., Mr. J. Corkill, Harrison; Vice Pres., Miss Stevenson, Holstein; Rec. Sec., Miss Dulmage, Palmerston; Cor. Sec., Miss Nellie Smith, Holstein; Treas., Miss Kilgour, Mt. Forest.

Chairman Corkill then took the chair and made a brief appreciative address. Rev. Mr. McCullough spoke on essentials for the success of Young People's Societies, amongst these being—a pastor in full sympathy; a band of trusted young people to cling round their pastor and be willing to sacrifice much; good organization, conveners that work and get others to work, &c. He liked the Guildidea, would place greater emphasis on the prayer-meeting committee and the society must not exist for its own sake. Relief of the poor, benevolent objects, missions, &c., would provide fields. Prayerful hearts strengthened from the closet, was the great requisite.

The musical features of the sessions were thoroughly enjoyable: the choir, a duet by Mrs. Jackson and Miss Burnett, solos by Dr. Brown, Mr. Wm. Isaac, Mrs. W. Lauder and Misses Jean Brown, B. Crawford and Ida Wilson furnished pleasant interludes and were heartily applauded.
 Mr. Glassford's lecture was noted last week.
