### OUR HOLIDAY.

Readers will be thinking we are taking our holiday this week unannounced, but so. The delay is again attributable to the G. T. R. Since the snow blockade we had our paper sent by express; three weeks ago we thought we might venture to trust freight getting through in four days from Hamilton, but it seems our judgment was wrong for as we write, Thursday, it is not here yet and we will be again compelled to be at unnecessary expense to prevent such delays. Next week as elsewhere announced is our week off for this year. Office open as usual for business.

 NOTICE.—Any person desiring to see the Mayor on town business will please leave word at the clerk's office until such time as he occupies his own store premises.  
 The Bus and Dray business has again changed hands. John Murdoch selling out his interests to Frank Hinds. Mr. Murdoch leaves next week for British Columbia.

 WHO WANTS IT?—The Weekly Globe with its many fine features, 4-page illustrated edition, markets, round-the-world news, home news of the best, &c., all for 25 cts. to Jan. 1, 1905. Review and Globe to beginners for same period 60 cts.  
 A GRUESOME story comes from Orchardville. While workmen were demolishing an old store they found between the joists of the ceiling and above the plaster a large jar containing the remains of an infant. It is supposed 10 years at least must have elapsed since placed there.  
 THE Aytou Cordage Co. held a successful annual meeting, all the shareholders seeming to be well satisfied with their investment. They have some good men in the directorate, and by avoiding and profiting by the mistakes of other factories we believe they will go ahead all right.  
 We hear it whispered that a hardware business is to open shortly in the new A. S. Hunter store, with an expert in charge. The J. & J. Hunter corner store next door has got things inside adjusted nicely, and certainly there is no finer place in town to do business in. The great slaughter sale is still on.  
 CANED.—After a residence of 14 yrs. in Aytou, for 13 years principal of the Public School and 1 year Sec. of the New Cordage Co., Mr. W. I. Huston left last week for Portage La Prairie, having caught the prevailing western fever. The citizens presented him with a gold headed cane as a mark of esteem to one who had served the village so well and long.  
 FIRST HARVESTING.—Not long since we were asking "Through Seeding yet?" and here we learn on July 18, that Mr. W. E. McAllister of the 3rd Con. Normanby, is to day cutting wheat. It is a good crop too, stood the winter well, and is a variety called "Early Democrat." Will some of our diary-keepers inform us when wheat was cut earlier?  
 Mr. C. M. Blyth of Orchard, while in town on Tuesday told an Advance reporter of a strange freak at present in his orchard. His pear trees which are heavily loaded with fruit about the size of hen eggs are again out in blossom. To add to the mystery of the unusual occurrence, the blossoms are on this spring's growth on the end of the limbs.—Aytou Advance.

### TEACHER WANTED.

 Edge Hill.

### ENTRANCE RESULTS.

Durham passes 30 out of 34.  
 Saturday last word was wired here by Inspector Campbell that Durham School had passed for Entrance 30 out of 34, which is the largest number the school has passed at one examination in its history. The result is gratifying (1) to the pupils of course (2) to the teacher Mr. McIntosh, who had charge of the room for 8 months, and (3) to the School Board who see in the result, material for the better work of the school so ably conducted by Principal Allan and Miss L. Forfar B. A. A large proportion of these will likely continue next year by the number from the country taking advantage of High School privileges is increasing, consideration of the question of a High School for Durham can not be long deferred.  
 We heartily congratulate the pupils and Mr. McIntosh on the brilliant record made, and hope the former under a new teacher will still keep pushing ahead making new conquests in wider fields.  
 Mr. Jno A. Graham, shall we say "as usual" passes 100 per cent. Mr. Graham it seems to us has an unapproachable record.  
 THE Gordon Silver Medal for highest in the Inspectorate goes to A. Dowding, of Markdale, who has 855. A pupil of Mr. Willoughby, Bentinck, runs him close with 850.  
 Miss M. Edge, daughter of Mr. D. Edge, takes the bronze medal for highest at Durham centre.  
 The result is given below:

### LETTERS TO THE EDITOR.

**EDITOR REVIEW:**  
 DEAR SIR:—Just a word for the boys re bathing privileges to ask if it is not possible to modify the Order of the Mayor, and instead of including all our boys in the prohibition have the order read that if proper bathing suits or trunks are worn this order shall not apply. I write as a mother who realizes what a hardship it is for the "ladies" to be unable to get into the refreshing water except at hours which are too early and too late. The last few hot days compel me to ask if our boys may not have an opportunity given them (by providing bathing suits) to enjoy the water.  
 A MOTHER.  
 [In reference to the above it has been pointed out to us that the notices forbid bathing anywhere. We have the Mayor's assurance that no such drastic order is intended! The prohibition applies only to the river and public places—though not so stated—and to parties appearing there in Edenic costumes. Ed.]

**FARM TO RENT.**  
 Lots 43 and 44, Concession 1, South Durham Road, Glenelg containing one hundred (100) acres, about 75 acres cleared, good frame barn with stone stabling, frame house, never failing well. ### Markdale Defeated at Home.

Another fine victory has been added to the credit of the Durham Lacrosse boys. Last Friday noon they left for Markdale to play the return scheduled game with the Aberdeens and returned with a greater majority of goals than they expected. As expected, also, the opposing team played a rough game, inflicting injuries on several Durham players. Bert McDonald, the clever cover point, received a cut on the forehead which required several stitches, while Alex. Graham returned with his upper lip cut through. Several others received bruises, Markdale's Indian player, Scott, bearing the worst reputation. However, the boys in blue and white had the satisfaction of holding Markdale down to one solitary chick of a goal while they placed no less than 7 into the nets. This fine showing of an opponent's grounds proves that Durham has again a team capable of winning its way into the semi-finals of the Junior C. L. A. Tournament. who also officiated here. Yesterday gave fair satisfaction. Durham took the only goal scored in the first quarter, while each team found the nets for a goal in the second. This quarter was the only one in which the Aberdeens held their own with the Durhams. The last two quarters were all Durham. By all round playing, our boys secured two more in the 3rd and three in the last quarter, the last goal being put in about a minute before time was up. Durham's line-up was the strongest of the season and they fully expect another decisive "win" to their list on the 29th when they cross sticks the first time this season with the strong Dundak club.

### LACROSSE NOTES.

The Owen Sound Wellingtons took their second game from Dundak on Tuesday at home, by the score of 7 to 1. This narrows the struggle in this district down to Durham and Owen Sound.  
 Walkerton came out second best at Southampton last week. Score 9-3.  
 The Thistles of Fergus, two years intermediate champions, have a very poor show of winning a game this season in the senior series. They have now lost 4 straight, 2 at home.  
 The following is the present standing in District No. 3, Junior series, C. L. A.:

Team	Won	Lost	To play	Per cent
Durham	3	1	2	750
O. Sound	3	1	2	750
Dundak	1	3	2	250
Markdale	1	3	2	250

### At Owen Sound on the 12th.

A correspondent writes us some notes regarding the great Orange demonstration in Owen Sound, which was very successful as to attendance and interest. The Dundonald incident furnished a theme for several of the speakers, and the political bias of many was apparent. Rev. Rural Dean Ardill made a good speech. Inspector Hughes, of Toronto, spoke of growing enthusiasm among Orangemen, which was growing in the States as well as in Canada. They kept the day as a reminder of the overthrow of tyranny, and he enjoined them to be ever on the alert. Alex. Muir, author of "The Maple Leaf Forever," still strong and vigorous, was present and made a patriotic address in line with his famous song. He quoted poetry bearing on each nation's love of home, and was quite eloquent.  
 Swinton Park Lodge and members won many honors and more admiring comments. 1st prize for largest lodge \$15. 2nd for file and drum band, being debarred from 1st because they had more than "one" file and drum! yet singularly got 2nd over other competitors. It was, in our correspondent's view, by far the best music on the ground, and they also made the best marching. John Parslow got 1st in 100 yds race, Bert Watson 2nd in 1 mile, Jack Brown 3rd in 1/2 mile, Wm Kinnell and J. Parslow 2nd in 3-legged race.  
 An interesting event was the presentation of a medal to an octogenarian whose membership extended over 65 years.

### A WORD FROM SCOTLAND.

We were pleased a few days ago to have a brief letter from Mr Geo Turnbull, and his many friends will be pleased to have a whiff of Scotland from his pen and will be glad to have "some notes later on."  
 Writing from Culaig, Lochinver, Scotland, he says: "After a pleasant journey across the Atlantic, I arrived in Glasgow on Sunday 20th. Stayed there all night, then on Monday left for the north, arriving safely at Lochinver on Wednesday, 23th. Lochinver is a beautiful little place by the seaside and although it appears out of the way, it is visited yearly by visitors from all parts. Since coming here, I have enjoyed myself. On Sunday I went twice to church and heard one sermon in the Gaelic language. The singing especially delighted me. On Monday my brother and I had a walk through the garden and palace of the Duke's private residence. Yesterday we visited the school and were much interested in seeing and hearing all about school management in Scotland. To-morrow we are going out to tea and on Friday to call on the E. C. Minister.  
 On Friday 1st. Dominion Day, while walking along the road I was much interested in seeing a yacht come in decorated with flags. Thinking they were celebrating Dominion Day I made enquiries but found it was the birthday of some one on board. I leave here on the 12th and may send you some notes later on."  
 GEO. TURNBULL.
