Do it Now.—Not to make "two bites of a sherry," we offer the REVIEW to new subscribers to Jan. 1, 1905 for 25 cts. Only a quarter, but what a quarter's worth to that friend of yours, either at home or abroad.

We have received from Mr. Edwin Bone, Utah, some recent Salt Lake Papers, which are most readable. Our old neighbor we presume is in good health. Wouldn't we like to have a talk with him?

HOUSE TO RENT.—The northern portion of the McKechnie block, Upper Town, (lately occupied by Mr. John Elhardt) 8 rooms, splendid cellar, furnace, almost new, good well, &c. Apply to the proprietors.

N. G. & J. McKECHNIE.

W. M. BLACK.

Rev. Mr. Farquharson on Sunday evening preached on the topic "Is there a Hell?" drawing many striking and interesting conclusions from scripture passages relating to future punishment, but plainly showing the abounding love and goodness of the Father.

TOOK HONORS.—Pleased to notice in a last week's Chatham paper that Robt. Mills, an old Dornoch boy, was very successful at the recent examinations, not only qualifying for Junior Matriculation but passing the Junior Leaving first in his class, winning a silver medal given annually. Congratulations.

IN TROUBLE.—Mr. W. G. Richards contractor for the erection of the House of Refuge claims to have lost \$2000 in its erection and is asking the members of municipal councils to sign a petition to present to the County Council asking that the body to indemnify him for the loss. At the last meeting of Protion Council the members refused to sign and no action was taken.

Egremont Show. "The World's Fair" takes place this year on Tuesday, Sept. 27, and it is expected all the successes and perhaps more, of former years is to be repeated. Over 2000 people turn out to the best of township shows, and to this year's officers seem determined to maintain its splendid reputation. Send to or call on Secy. Treas., And. Seim, Holstein for a Prize List. The School-Drill competition so successful last year is to be repeated.

ALL ARRANGED.—The concert committee of the Public Library have about completed arrangements for their Grand Concert in the Town Hall on Thursday evening, Sept. 22nd. In addition to the brilliant talent Miss Mae Dickenson, Mr. Jas. Fax and Mrs. Newton, they have secured the services of an orchestra and may yet add other features to make it a still more brilliant affair. Those coming to the show should make arrangements to stay. They will be rewarded.

The C. P. R. have added five new steel wing snow plows to the equipment on this division in order to be prepared for a possible repetition of last winter's storms. The curves at Laurel and near Flesheron will also probably be strengthened and heavier rails substituted. The traffic this year has been the heaviest yet.—Herald.

[We would like to hear if the G. T. R. are taking any measures to keep our line open. Ed.]

DIED IN HOSPITAL.—Miss Isabella A. Ferguson, daughter of the late Thos. Ferguson of the 17th Con., Egremont, died in Hamilton Hospital, on Monday August 23. Though troubled with her head for years, she was only recently taken ill enough to suggest hospital treatment. She was taken there on Sunday and died as above. She was within 1 month of completing her 21st year and much sympathy is felt for her mother and her relatives at the cutting off of this bright young life. Mr. Jas. Calvert in town is an uncle of deceased.

The Electric Railway Company, whose stock was promoted by Mr. Pugh, of St. Catharines, and Dr. Rolston of Shelbourne, has been forgotten for many years by residents here till one day last week. This road was to parallel the C. P. R. branch as far as Flesheron village, thence across the country to some point on Lake Huron. It was the arrival in town of Thos. Grierson, formerly of Corbetton, now of Toronto, which revived the talk in reference to the "road which never came." Mr. Grierson has still some faith in the building of the road.—Dundalk Herald.

PRIZE LISTS.—The Prize Lists for the South Grey Fall Show have been out for some time. Parties interested can get one in most of the stores or from Secy. A. Davidson, who will be glad to supply them and receive entries. This year the show falls on Wednesday and Thursday, Sept. 21 and 22, and again government judges will judge in the live Stock classes. Farmers, their wives, sons and daughters should peruse the list and from public spirit as well as the inducement of liberal prizes, should determine to be represented. The management offer prizes in good faith—the community must compete. An extra effort is being made this year to have musical features during the day and elsewhere will be seen that splendid provision is made for a concert at night.

Owen Sound is agitating for a Carnegie Library.

Protion Council granted \$10 to assist in placing a telephone in their clerk's office.

Dr. Brown, Neustadt, will be at Knapp House, Durham, on Saturday, Sept. 10th, for consultation in Eye, Ear, Nose and Throat cases. Hours, 12-6 p. m.

Mr. A. Seim, Secy. of the World's Fair, Holstein, was in town Monday, and took home a supply of posters, tickets, &c., for the Show, printed at this office.

Master Campbell McLachlan had the misfortune the other day to tear his hand while the base of the thumb on a banana hook, which necessitated four or five stitches.

The People's Mills have constantly on hand all kinds of feed, especially No. 1 Mixed Chop at \$20 per ton. Also Flour, Rolled Oats, Wheatflour, at right prices.—J. & W. MCGOWAN.

Rev. Mr. Farquharson has chosen a number of special topics for Sunday evening sermons, which he designates under the general title of "Pillars of Architecture." Sunday evening next his topic is "Profanity," from which, by contrast, he will erect the pillar of Reverence.

DIED AT SWAN RIVER.—Mr. H. E. Glendinning, well-known to the older members of the teaching fraternity in S. Grey, passed away August 23 at Swan River, Man. After leaving teaching he bought out the Dundalk Herald and later went west and bought a paper in Swan River. He was a genial fellow, an influence for good in any sphere he moved in, and his memory will be cherished.

AN ANXIOUS TIME.—Much sympathy is felt for Mr and Mrs T. C. Morton and family in the anxious days they have been having over the illness of their son George, who lies, it may be at the point of death near Port Elgin. All the family went up on Saturday, some returned Monday, reporting the patient alive and with a thread of hope for recovery.

WOMEN'S INSTITUTE.
A very interesting meeting was held at Mrs David McCrie's on Thursday, Sept 1st, the attendance being very good. "Poultry" being the topic it is needless to say that this important subject was well discussed, as to feeding, fattening, dressing and cooking the fowl. Mrs McCrie gave an excellent paper on "The necessity of cultivating the social side of life on the farm." The next meeting will be held at Mrs. Wm Hunter's, near Dromore, on the first Thursday in October. The topic is "Pickling."

LABOR DAY SPORTS.

Splendid weather favored the holiday makers on Monday and the efforts of the committee to get up on short notice a day of sport, were fairly successful. The purpose underlying the effort was the laudable one to secure funds for the improvement of the Agricultural Society's grounds, which everyone admits is susceptible of improvement. The chief promoters were Messrs Frank Lenahan, Wm. Black, Jno H. Hunter, T. G. Holt, T. G. Lauder, Jno. A. Darling, W. D. Mills.

A cricket match between the Grits and Tories was interrupted by the football game when the Grits had finished their first innings, and by the time the ball game was over some of the players had left, so the match must be finished some other day. 64 runs were piled up during the play, Telford scoring the highest with 13.

The game of quoits was keenly contested, players from Lower Town beating those from Upper Town by only one point. The contestants from Lower town were: Archie Little, Thos. Allan, Norman McIntyre, R. Aljos, T. G. Holt, F. Lenahan. From Upper Town: W. D. Mills, R. Cochrane, Clifton Elvidge, E. Brooker, W. Hunt, R. Scott, Mr. R. Cochrane met with a slight accident to his leg which stiffened him up a little.

A short game of lacrosse between the "Hiawathas" and the "Mintos" was won by the former 2 to 1. Rufus McClocklin was referee. An impromptu game of baseball in which were some veterans, made an interesting play for lovers of the game. Messrs W. D. Mills and Jas. Lenahan were captains and at the end of 3 innings each the result was a tie. Messrs Allan and Mills each made a three-bagger at bat.

The best game of the day however was the football match between Varney and Holstein for a prize of \$15. The teams were evenly matched, consequently there was fast and furious play resulting in a score of 1-0 in favor of Varney, Harry Aldred scoring past such a giant goal-keeper as T. J. Jordan. Holstein has some good men but lacks effective combination tactics while Varney seems to have an excellent all-round aggregation.

The Concert.
The concert in the rink was not well attended, and the program was worthy of a much better audience. Mr. J. S. Drysdale sang a patriotic song, Mrs. Little, Miss Jean Brown and Miss Ida Wilson gave of their talent in the same way as did Mr. Ed. McClocklin and the "McClocklin twins," the latter being heartily encored and much appreciated in their Sailor song in costume. Very popular instrumental numbers were given by Mr and Mrs Frank Warner, assisted on one occasion by Mr Geo. Ylris. Mrs Newton and Miss Meredith were accomplished accompanists.

The proceeds of the day were over \$50 which will make a beginning on improving the grounds.

Our congratulations to Mr and Mrs. Jas. A. Hunter over the birth of a son last week in Winnipeg.

CEMENT DOINGS.—Messrs W. F. Cowham and P. W. Stanhope were in town last week in connection with the tests being made on the improvements being effected on one of the rotaries. The mill is making exceedingly satisfactory work this year, and there is every prospect of overtaking the difficulties of last year.

SCHOOL RE-OPENING.

Durham School opened on Thursday last there being an attendance first day of 277, since increased to over 330. The Model School in charge of Principal Allan, opens, to-day Tuesday with an attendance of 8 only, the severity of the examinations this summer having lessened the supply all over the province.

The feature of the opening this year is the large S. A. attendance, 33, with a dozen more at least in sight. This is more than some 3-Master High Schools have and the attendance continues it will soon be necessary to secure additional High School help.

The High School Department for the Fall term is in charge of Miss Forfar, B. A., and Mr. J. H. Smith, B. A., both teachers with a splendid record and a thorough grasp of the subjects they respectively teach. The Board has been liberal in the supply of experimenting material for the higher branches, so that pupils preparing for matriculation or for Junior Leaving Certificates can make no mistake by coming to Durham.

The Public School staff is the same except for the Entrance room, which is now in charge of Mr. H. R. Koch, a gentleman thoroughly equipped for his duties and with some experience as a teacher in a business college.

HOLSTEIN MAIL SERVICE.

A short time ago Mr. H. H. Miller, the Liberal Candidate for South Grey, was in Holstein when it was suggested to him that a second daily mail service would be a convenience to the people of the Village. Mr Miller at once took the matter in hand and communicated with the Postoffice Department requesting that the additional service be granted and he has received from the Office of the Postmaster General a letter as follows:—

"My Dear Sir,
In further reference to your communication asking for an improvement in the mail service of Holstein, P. O. Ont., I have now much pleasure in informing you that the Department has this day authorized an increase in the mail service of this Office in accordance with your recommendation and the same will go into operation at once."

We have no doubt but that this additional mail service will be a great convenience to the people of Holstein. Mr Miller appears to be very energetic and painstaking in securing whatever reasonable improvement can be secured for the convenience of the public and it would appear very evident that he will, if elected, make a splendid representative and that it will without any doubt be to the interest of the people of South Grey to see that he is elected.
