Roosevelt Elected by an Overwhelming Majority.

to this hour show that so far as the election of President is concerned, it is only a matter of the size of the pluralities. The Republican vote in the Electoral , years ago,

College will be the unprecedented one of 325 for Roosevit and Fairbanks to vote, 292, in '1900, but Judge Parker's as they were of success, they were not vote is four less than that given Mr. side of the so-called "solid South."

Mr. Roosevelt has a vote apparently ties in almost every Republican State dreds, but by thousands. In New York lost some of those which the Nebraskan dead in her arms yesterday. State, for instance, he has a plurality of candidate held for his party. more than 200,000. Mr. Mckinley had 143,551. In Connecticut and New Jersey, which the Democrats were calling ment that he would not be a candidate doubtful States only yesterday, Mr. for re-election, lending the only excite-Roosevelt's plurarities greatly exceed ing aspect to an election night otheranything ever given.

The vote in Greater New York was a disappointment to the Democrats, not | that degree of enthusiasm which usucoming anywhere near to that given for ally marks the occasion. Late in the Coler two years ago.

The New York Legislature continues to be Republican by a large majority, ensuring the election of a United States Senator to succeed Senator Chauncey M.

The so-called doubtful States of West Virginia and Indiana and Montana give their vote to Roosevelt. The States of Maryland and Missouri

which were conceded to Parker by both Defeated Candidate Telegraphs Conparties, are found in the Republican col-The returns from Congressional dis-

tricts indicate further gains. The Republicans will have a larger majority in President: the next Congress than they have in the present one. In New York State Mr. Higgins is elected Governor by what looks to be a large majority.

Massachusetts gives Roosevelt about tion, and I congratulate you 70,000 plurality. Douglas, the Democratic candidate for Governor, is elected by from 12,000 to 25,000 plurality. The Democrats elect three and perhaps four Congressmen. Rockwood Hoar, Republican, is elected in the Third District, which is now represented by Thayer, Democrat.

Returns from Rhode Island indicate that Roosevelt has carried the State and that Gov. Garvin (Dem.) has been defeated. McKinley's plurality in the State in 1900 was 13,972.

New Hampshire's plurality for Roosevelt will equal, if not exceed, the 19,310 Received Return in Study Smoking With stronger in the east penetrated the mi-

given for Mckinley four years ago. Increast in all Republican States.

succeed Gen. Hawley.

It gave McKinley a plurality of 28,590 in 1900.

Roosevelt's plurality in Vermont will exceed that given for McKinley four years ago, which was 29,729.

New Jersey goes Republican by an increased plurality over that of 1900.

Delaware's Republican plurality is 7,000. The Legislature is overwhelmingly Republican, and the indications are that J. Edward Addicks has enough votes to elect himself United States

Maryland is in the Republican column by a small plurality. The Solid South.

Parker carried the old solid South as was expected, but the Republicans made notable gains over four years ago, especially in Virginia and Tennes-see. The Democrats made gains in

Gov. La Follette has been re-elected in Wisconsin by an estimated plurality of 20,000. Roosevelt's plurality will prob- He received the discouraging news in ably be 75,000. The greatest plurality ever given to

any candidate for office in the United States was given by Pennsylvania to declining to make any statement be-Roosevelt, the figures being about 350, youd that indicated by his telegram to rado, two Democratic election judges 000. In 1896 McKinley had 301,000. Only President Roosevelt. one Democrat is surely known to have been elected to Congress.

Michigan rolled up a plurality for Roosevelt of about 125,000, a gain of 20,000 over McKinley's plurality in 1900. Roosevelt carried Illinois by 140,000, an unprecedented plurality. Debs received about 40,000 votes in Chicago for

In Missouri, which Bryan carried by 37,830 plurality over McKinley, Roosevelt s triumphant. His plurality will following statement: probably be 20,000. Folk carried the Democratic State ticket to victory. lowa gives Roosevelt the immense

plurality of 150,000 to 175,000. In Washington State Roosevelt's plurality is estimated at from 30,000 to do. I appreciate to the full the solemn 40,000. McKinley got only 12,623 in 1900. The Democrats conceded Kansas to Roosevelt by 50,000, and the Republicans claim a plurality of 100,000.

North and South Dakota give Roosevelt pluralities of 15,000 to 16,000. Roosevelt's vote in Wyoming shows a gain over McKinley's plurality. In Oregon there was a small vote, but the State is safely Republican.

Colorado's vote was close, but late returns give the State to Roosevelt, and re-elect Gov. Peabody. Minnesota goes strongly for Roose-New York, Nov. 9, 1 a. m. Returns up velt, where the plurality may reach 90,000. The result on the State ticket was in doubt at a late hour.

A New Democratic Party.

California gives Roosevelt fully 50,000,

better than she gave McKinley four

The result of to-day's balloting was 151 for Parkr and Davis. Not only is astounding, even to the most sanguine this far in excess of Mr. McKinley's of the Republican managers. Confident prepared for the astonishing figures certain that the Republican party has not only all those States they had claimcarried every state in the Union out ed as safe for the candidates, but with the possible exception of Mary land, every State classed as doubtful. much larger than that given to Waniam | the solid South, in which Kentucky is McKinley four years ago.
