LOST \$200.—A recent issue of the "Weyburn Herald" says, has an account of a fire which affected a Durham boy, Mr. Boy Gordon, to the extent of \$200. The fire did not reach him, but damage to his stock in removal caused the loss.

AN AGED VOTER.—We read a month ago of Philip Chisholm of Nova Scotia, 90 years old, voting on 3rd November last for the Laurier candidate and hoping to live to help Laurier once more into power. We learn that this veteran is a grand uncle of Rev. Mr. Matheson, Ericsville, and congratulate him on coming of a long-lived race.

Anniversary Services will be held at Rocky Sageson Presbyterian church on Sabbath, Dec. 18th. Rev. Mr. Matheson will preach at 11 a m and 7 p m. After the English service in the morning, Mr. Matheson will preach a Gaelic sermon. Tuesday evening following a Christmas entertainment will be given and a good program of music, speeches, recitations, &c., presented.

BIG VALUE FOR YOUR MONEY.—If there is a good dollar's worth offered to the Canadian people this season it is that of the Family Herald and Weekly Star of Montreal, with its exquisitely pretty premium picture "The Princess and the Work." The public have been tempted by dollar dailies and trashy weeklies at give-away prices, but when it comes down to value for your money the Family Herald and Weekly Star has no competitor. The publishers report an enormous increase in new business, and are earnestly beseeching their old readers to renew now and save them from confusion in the great rush at Christmas.

LANTERNS.—Cold blast lanterns at Parker's.

HICKS 1905 ALMANAC.—The Rev. Irl R. Hicks Almanac for 1905 is now ready, being the finest edition ever issued. This splendid and costly book of 200 pages is a complete study of astronomy and storm and weather for 1905. It is too well known to need comment. See it and you will so decide. The price, postpaid to any address, is 30c per copy. The Rev. Irl R. Hicks' scientific religious and family journal, WORD AND WORKS, with the best magazine, is 75c a year. Both WORD AND WORKS and the Almanac \$1.00 per year. No better investment possible for any person or family. Try it and see. Send to WORD AND WORKS PUB. CO., 2201 Locust St., St. Louis, Mo.

HYMENEAL.—Last week's Aytton Advance contains a lengthy write up of the marriage of Miss Nora Chadwick of Durham, to Mr. Justus Roedding, of Aytton. Miss Chadwick has been teaching in a German section of Normanby for some years and was very successful receiving the highest salary we ever knew to be paid to a lady teacher in a rural school. Mr. Roedding is spoken of as an exemplary young man; Miss Chadwick was held in the highest esteem here, and we have much pleasure in wishing the young couple long life and happiness. Some curiosity was aroused for a few days because so many lovers have done before, they chose to have the knot tied quietly and a little mysteriously, but that is their business, as it was their pleasure and no one need complain. The marriage ceremony took place at the residence of Mr. Roedding's brother, 513 Matland St., London. Best wishes to Mr and Mrs Roedding.

THE REFORM CONVENTION.

MR. JOHN MCKECHNIE Chosen Standard-Bearer.

The Convention of South Grey Liberals held on Thursday of last week was one of the most successful ever held. The weather was good and the attendance all that could be desired, there being 115 duly accredited delegates present,—only Proton and Dundalk not having full delegations. These and other Liberals, and a few Conservatives, filled completely the Town Hall, some having to be content with standing room.

President J. P. Telford occupied the chair and welcomed the representatives and others present, referring in congratulatory terms to the recent victory achieved by the party in this riding. He referred also to the successful Liberal Convention in Toronto and to the splendid platform it enunciated. The question of the erection of a monument at the grave of the late Senator Landerkin had been discussed before and the steps agreed upon by the Executive was laid before the meeting and proved highly acceptable. After stating the business of the meeting, the Secretary read the minutes of the preceding meeting and these were adopted.

Before calling for nominations, President Telford read a letter from Dr. Meares written in response to one sent to him, stating definitely that he could not accept the nomination, which he had reason to believe was to be tendered to him. He expressed heartily his interest in and sympathy with the Reform cause, and hoped for success.

Fifteen minutes were allowed for nominations and the names of Geo. Binnie, John McKechnie, D. Knechtel, R. Morice, A. Wenger, W. H. Ryan, J. D. Morgan, Walter Hastie, were put before the meeting.

Messrs Binnie, Knechtel, Wenger, Ryan, Morgan and Hastie all spoke briefly and retired. All thought that with earnest work of candidate and friends and with unanimity, the riding could be redeemed, some going further and feeling sure that it would at the present time, owing to the splendid effort of the Great Convention, and the resentment felt, at the plan of campaign of their opponents, one of mud throwing almost exclusively. Mr. Morice fell in with the idea of brevity and left his name with the Convention, being confident he would win if he secured the nomination and the support of the Liberal Workers. Mr. McKechnie, who was received with immense enthusiasm, left his name with the Convention allowing this only on the condition of hearty support from the rank and file which was necessary to overcome the large majority against us. Of this support he had many assurances. He paid a warm compliment to Premier Ross, pointing out there was no evidence to prove that the ministers were corrupt; admitted there was corruption and scandals and deplored it, but no respectable Conservative or Reformer would blame the ministers. He gave an idea of the independence and democracy of the great Convention.

The vote gave Mr. McKechnie a decisive majority. The result was loudly cheered and on motion of Morice—Morgan, was made unanimous. Mr. McKechnie replied appropriately and with spirit and created a very favorable impression being warmly applauded as he sat down.

Mr. H. H. Miller, M. P., referred to the choice of a year ago and believed the choice just made would be a winner as the former had been. He thanked them personally for the result of Nov. 3 on this, the first occasion to meet with the men who elected him. Provincial business was scarcely less important than that of the Dominion. Showed the importance of the legislation fathered by the Liberal government of the Province. Mr. Whitney and his party for years ran down the Guelph College, but now wanted to establish more. Its graduates were found in every civilized country. "We are educating the leaders of Agricultural thought, throughout the Wide wide World," as well as in Ontario. Farmers Institutes, Live Stock Shows, County Exhibitions, Summer Excursions and Lectures, Care of Children and the unfortunate classes, Public Health, Public Libraries, &c, were all influenced for good by wise legislation. He showed how the Succession duties, opposed by the Conservatives, had yielded thousands to the revenue of the Province, and sat down amid applause for a clever incontrovertible speech.

Hon. Mr. MacKay, Minister of Crown Lands, congratulated the Convention on the fine spirit prevailing among the Candidates. Success he said, depended on four requisites

- A Good Man
- A Good Cause
- A Good Leader
- A United rank and file.
