THE HOSPITAL FOR SICK CHILDREN

For It Cares for Every Sick Child in Ontario whose Parents Cannot Afford to Pay For Treatment.

The Hospital for Sick Children, College street, Toronto, appeals to the fathers and mothers of Ontario for funds to maintain the thousand sick children that it nurses within its walls every year.

"GOOD DAY, DOCTOR."

The Hospital is not a local institution—has Provincial. The sick child from any place in Ontario who can't afford to pay has the same privileges as the child living in Toronto and is treated free.

The Hospital had last year in its beds and cots 761 patients, 207 of these were from 186 places outside of Toronto.

The cost is 98 cents per patient per day, and there were 129 sick little ones a day in the Hospital.

Since its foundation the Hospital has treated 10,371 children—about 7,500 of these were unable to pay and were treated free.

Every dollar may be the translator of your kind thoughts into the Hospital kind deeds.

Everybody's dollar may be the Friend in Need to Somebody's child.

MASSAGE.

Let the money of the strong be mercy to the weak. The Hospital pays out dividends of health and happiness to suffering childhood on every dollar that is paid by the friends of little children.

"SEE'S KNITTING"

If you know of any sick child in your neighborhood who is sick or crippled or has club feet send the parent's name to the Hospital.

See the example of what can be done for club-foot children. There were 14 like cases last year and hundreds in 26 years.

twenty-five per cent. of all U. S. Patents issued to Canadians in 1903. Altogether the volume of business done by the U. S. Patent Office last year was the largest in its history.

Germany has purchased land, and plans have been prepared for a new Patent Office building in Berlin to provide accommodation for two thousand employees. Commencing January 1, 1905, the British authorities will follow the method of examination now practised in Canada, the United States and Germany.

Our readers may obtain any information about patents and trade marks by writing Munn & Co., Marion & Marion, Patent Attorneys, Montreal, Quebec, who have read up the above article.
