Where does the Money come from?

WHAT MONEY? The money that makes millionaires of the manufacturers of Agricultural Machinery? Why, out of the pockets of the farmers who buy and finally pay for the machine.

Why not save some of this money for yourself by securing shares in the Farmers' M'f'g and Supply Co., Limited? What you don't save in the price paid for your machinery you receive yourself in dividends which otherwise would otherwise go into the pockets of the wealthy manufacturers. Write for particulars to
