ANNOUNCEMENT

WE beg to announce to the Public of Durham and vicinity that we have purchased the Drug business of the late H. Parker and are prepared to serve you in a manner which we trust will be profitable and pleasant to both you and ourselves. We look upon Pharmacy as a profession and shall strive in every way to buy and make only the purest, freshest and best medicines, we shall test and analyze them to see if they are as they should be and in putting up prescriptions and family recipes we shall make it our special concern to combine Drugs with skill, accuracy and with every assurance of safety. We might add that there is a wrong impression among the public as to the freshness of this Drug Stock. There is in this business, as in all others, a certain amount of old stock but it is in lines outside the Drugs. The late Mr Parker was a very careful and shrewd business man, and in buying the Drugs that deteriorated were bought in small quantities, whereas those which could be bought in large quantities with safety, were so bought, but all were kept in a manner to ensure their medicinal value

Like other Druggists we handle Perfumes, Toilet Articles, Cigars, Tobacco and other lines usually found in a well equipped Drug Store. In all these directions we shall endeavor to make the stock complete, the goods superior, the prices right. It is our intention to continue the business under the name of "Parker's Drug Store" and to continue the manufacture of the valuable remedies made by the late Henry Parker. We want everybody to be satisfied with what they get at Parker's Drug Store; satisfied with the goods, satisfied with the price, and satisfied with the treatment received.

YOURS MOST EARNESTLY,
