A Peterboro' report: This second day Buckwheat, bush 0 60 of the Presbyterian Woman's Missianary Society's meeting was eminently one of business. The thoroughly representative character of the society appears Straw, per ton 1000 from the fact that there are 731 auxiliaries and 377 mission bands in twentyeight Presbyteries, with a membership of 24,580, and an annual income of \$57,-

A conspicuous personality at the meeting is Dr. Margaret McKellar, of Necmuch, India, who recalled that just fifteen years ago to-day she sailed for India to enter upon her mission.

The feature of the evening session was the address of Rev. Sidney L. Gulick, D. D., of Japan, on the new attitude towards Christianity developed within the last five years in Japan, consequent upon the changed political situation resulting from the Anglo-Japanese treaty and the improved status gained by the Japanese army in the Rev. Dr. Torrance made the address

of welcome on behalf of Peterboro' Presbyterians, and Principal McLaren reviewed the society's work for the year. Miss Helen Davies, who is possessed of a voice of beauty and good range, sang both afternoon and evening, to the delight of the audience.

The morning session was taken up with the hearing of reports from the 916c per lb., sheep, 14 to 1516c per lb. mission fields, from the societies' officers, and from those Presbyterians that mosa, and in the Canadian west among cattle, 1,220 hogs, 96 sheep and lambs, the Indians and Chinese.
