In a local school the other day, the teacher asked the scholars to write a sentence with the phrase, "bitter end" in it.

If a corporation takes gravel from a man's farm and pays him therefor, ought the said corporation to further recompense the said farmer for the damage to his property caused by the excavation?

On Saturday last a farmer who was leading a cow to Owen Sound had an exciting and dangerous experience, and so had the cow.

RECKLESS CHILDREN.—Some of the Public School pupils were trying at noon on Tuesday who was the more expert at throwing firecrackers up on the roof of the school building where the primary classes are held.

John A. McDonald, assessor for Glenelg township, had a card in the Durham papers of last week, thanking the people of that township for their uniform kindness and hospitality during the time he was performing his duties.

A GOOD IDEA.—One of the best fall fairs in the Eastern counties of Ontario is held at Metcalf by the Russell Agricultural Society.

THEY MEAN BUSINESS.—Governor Hanley of Indianapolis has signed the Parks Anti-Cigarette bill, which will go into effect in June.

Some boys on bicycles have been running into people on the sidewalks, and in response to complaints the Chief is going to enforce the by-law against riding bicycles on the sidewalk.

It Wouldn't Hurt. Even If Applied to Durham.

It would be a great thing for a town like Stayner if once a year its business men would organize an excursion party to spend a week or two in visiting other towns of similar size and looking into the way their neighbors do business.

No observant man can look about the premises of another man engaged in a similar business without learning something which will be of profit to him, even if it is only to note loose methods which should be avoided.

Another paragraph charges that a movement which would have made possible a truly national system "that would have covered the nation with a really national network of agencies for the cure and prevention of tuberculosis in all its forms among all people."

We have received a copy of an "open letter" to Hon. J. P. Whitney, from Rev. C. S. Eby, D. D., Bracebridge, protesting against a proposed grant of \$15000 to the "National Sanitarium Association."

This action by a Bracebridge D. D., who ought to know whereof he speaks will cause serious questioning in the minds of many societies and individuals who have contributed more or less frequently and liberally to the funds of Institution boomed very largely in the past by free advertising.

The writer claims a private institution, such as this, can not undertake to combat a great national disadvantage such as tuberculosis, by pathetic appeals and spasmodic grants from governments.
