The Durham Baptist Choir will sing at the garden party under the auspices of the Methodist Church in Priceville this Thursday evening.
Dinner at 25 cts and supper will be served by the Ladies of the Methodist Church in the Town Hall on Dominion day, July 1.

"Power and feeling were infused into songs sung by Mr Cyril Dwight-Edwards, who was deservedly encored."
-Newcastle Daily Journal.—in the rink July 1.

The pipers and drummers of the 7th London Fusiliers, will be on hand at the Ben Nevis Camp Demonstration on July 1. Everyone admired the pipes in concert last year, and gratification is again in store for lovers of the "martial strain."

Durhamites at a distance are already planning to come home to the by Demonstration on July 1. The sons of Scotland are the organizers, but it is really a town affair and citizens should display hunting, flags, evergreens, etc. This will be a road breaker.

GOOD SERMONS.—Mr Wesley Baker, the young student who preached in the Presbyterian church on Sunday won golden opinions from his auditors. His lucid sermons, combined with good voice and fine pulpit presence gives promise of a brilliant career.

The Annual Convention of the Presbyterian Young People's Union will be held in Knox Church, Harrison, on Tuesday next, July 4. Miss Margaret Hunter, of Durham, is down for a paper "A Model Meeting," and there is made for a very successful convention. A full load at least will drive out from Durham.

PAY YOUR DOG-TAX.—All persons owning or harbouring dogs or bitches in town must pay a tax on the same to Chief Carson, Durham, at once. It not paid before the first of July the dog will be placed in the hands of the Police Magistrate for collection. June 22, 1905. BY ORDER.

LIGHTNING DAMAGE.—Sharp electric storms took place on Sunday night and about 1 a. m. Monday the barn of Mr Chas Kennedy, Bunessan, was struck and burned, including a binder, mower, and other valuable articles. Through loss for \$700, it will still be a heavy loss and inconvenience. Near Mr Forest some barns were unroofed June 22, 1905.

EXAMINATIONS AND AFTER.—Mr. Rowe, of Markdale, is the presiding examiner in Durham for the higher examinations; Mr A. Firth goes to Hanover for same purpose. Insp. Campbell and Miss Fofar have charge of the Entrance examination here, in progress Wednesday and Thursday. In a few days the army of school-boy and school-girl and pedagogic officers will be let loose for the summer, but alas! the poor trustee must plod on.

A WORD FOR THE BAKERS.—A fear is expressed that the town may be eaten out on Saturday. No fear of that. Still, it is the duty of hotel-keepers, householders, who expect many friends and others to give orders in time to the bakers for increased supply, so as not to let them have all the burden of providing for a want that is to some extent a risk. With fine weather, the town will be crowded as never before. Give your orders at once.

HOME EARLY.—No 4 Co. volunteers got home by afternoon train on Saturday having been allowed off Friday evening at 10 p. m., being thus all night on the road. A long delay occurred at Hamilton. They come home bronzed and with the best of health. The camp life and soldier-like in bearing. Elsewhere will be found some interesting notes of the camp life. We think it a pity and something to be remedied if the dignity of this company is to be maintained that no barrages of how-eyer humble a kind now exists in town. We think the attention of the government should be called to the lack of this necessity. Lieut. Torry's residence at present is the military centre of this district.

FATAL ENDING.—While Mrs Jos Corbett was returning from Gravenhurst, and when nearing Toronto, a week ago last Friday, she met with an accident which resulted fatally. She went to get a drink and opened in mistake the outside door of the car and found herself miraculously escaping instant death, indeed she was conscious when found. The utmost care and tenderness was exercised in getting her to the hospital and hopes were entertained that she would recover, but she died Wednesday following, to the great grief of her family to whom she was greatly attached. The remains were brought to the home of her son-in-law, Mr Thos Livingston, Durham, and interment arranged for Monday, but with the hope of allowing a son coming from California to be present interment was delayed till Tuesday. Mrs Corbett was in her 70th year and was married about 50 years ago at her home near Galt, and for almost that time she and her husband have been residents of Bentick, and had their full share of pioneer work. Deceased was valued for many neighboring qualities and was tenderly loved in the domestic sphere. Besides the husband, five sons and four daughters will mourn her death; the sons are Thos., John, and Wm. at Sault Ste. Marie, James in California, and Joe in Indiana. The daughters are Mrs Armstrong, Gravenhurst, Mrs Parker, Galt, Mrs Montgomery, a nurse, and Mrs Thos Livingston, Durham.

"Mr Will McLeod proved himself to be a comic singer of the first rank."

BAPTIST GARDEN PARTY.—With fine weather, though a little cool, a large crowd attended the garden party on Mr Warner's lawn on Tuesday evening. The band was on hand and rendered fine music and socially was at a premium. The handsome sum of \$55 was realized.

ALL WANT TO COME TO DURHAM.—From the number of applications for a ground privileges, some straight, some crooked, that the committee are receiving, it is evident Durham Demonstration is causing wide talk in the western part of this province.

The Durham District Lodge of Orange-ine will attend Divine Service in the English church on Sunday morning, July 9th. Members will please meet at Calder's Hall at 10 a. m. sharp, from whence they march in a body to the church.

BY ORDER OF COMMITTEE.
Congratulations to Mr Robert R. Watson, of Normanby, who to-day, Wednesday, in glorious weather, and being wedded to Miss Bella, daughter of Mr Wm Allan, of Egremont. May their life be as bright as the morning of their wedding day when this is written.

MAD DOGS.—London, Ont., is excited over the biting of a 4 year old boy by a dog supposed to be mad and the Mayor has issued a proclamation ordering all dogs to be confined for a month or more, to prevent a possible spread of rabies. The boy and the dog have been both sent to Pasture Institute, New York.

LECTURES.—Rev Dr Walter, Markdale intends giving a series of lectures in the R. C. Church on the evenings of the first Sundays in the month, beginning in July, on "Rome and the Holy Land." The Rev Gentleman has travelled there and has therefore a personal knowledge of his topic. Admission 10 cts.

STORES CLOSED.—Saturday July 1st the stores are to be closed, and allow man and maid the full swing of a not-able and attractive day. The Cadets arrive at 10.30 and everyone wants to see them detain. "Mr Will McLeod received deserved applause, not only for his comic character songs, but for the grace and skill of his "Sailor's Hornpipe."—Quebec Telegraph.—His first appearance in Durham is at the great Kink concert July 1. Get your tickets; plan at McFarlane's.

DON'T FORGET IT.—The members of the Epworth League of the Methodist church have arranged an excursion to Niagara Falls on Friday, July 7, including all stations between here and Elora, (inclusive.) Special train leaves Durham at 7 a. m. and will return evening of same day. Tickets good to return on any train up to Monday 10th. Fare: Adults \$2.35; Children \$1.20. Further particulars later.

DROVE 1500 MILES.—One day last week, a well preserved, elderly gentleman and his wife turned the REVIEW corner and stopped to enquire if he was right for Owen Sound for he had missed "Hunter's tavern" which was here or hereabouts 30 years ago. We pointed to the McKeechic residence over the way and the transformed hostelry impressed him with lapse of time. His name was Vall, a son of the printer who ran Wm Lyon MacKenzie's paper, and who later was connected with the O. Sound Comet in Van Dusen's time. The worthy couple had driven from Southern Wisconsin, where they had lived for 13 years. But were now returning to their home in North Grey near "Vail's Point," fully convinced Canada was superior to anything they had seen in the States. In their weeks of travel in an open buggy, they marvelled they had never been caught in a shower.

THE REVIEW

The middle in the lacrosse situation in this district is at last settled. At our last Saturday representatives met as follows: N. P. McIntyre representing the Durhams, Harold Robertson Wellingtons of Owen Sound, and E. E. Henning the Hanover club. Southampton owing to failure to appear on the 9th, upset all arrangements, and are now out, but the other clubs continue to play for their own interests and interests of lacrosse in this district set down to business at once, and have formed a three club district. Consistent practice is now the chief object to win games for the Durhams is expected to make a strong bid for at the district championship. Following is the schedule arranged:
Durham at Hanover June 29
Hanover at Owen Sound July 7
Hanover at Durham July 14
Durham at Owen Sound July 21
Owen Sound at Durham July 28
Owen Sound at Hanover Aug. 5 or 7
Durham's first scheduled game is at Hanover this Thursday afternoon. Let all who possibly can go over and encourage the boys.

The return exhibition baseball match played last Friday evening again resulted in victory for Harriston over the home boys, though they did not double the score. The Browns are now the champions of this north-western district. Durham may claim second place as they gave Harriston the most closely contested games they have won. In Harriston the home team scored 6 runs in the 7th inning when the game was called on account of darkness. Theobald and Matheson made a splendid battery and in hitting the teams were about even, but Harriston's came more opportunely. More driving, base running and good pitching also assisted in winning the game for the visitors. Base-ball is a growing game in this country; besides Durham other surrounding towns have organized teams last year or this; Harriston has played it for years, and the Durhams have reason to be proud of their showing against an experienced team.

The Durham Baseball Club will play an exhibition game with the home team in Mr. Forest's Dominion Day. We hope for victory this time.

Cement Company Appeals.
Judge Morrison last week heard the appeals of the Cement Co. against the assessors of Durham and Egremont. He has reserved his decision, but we believe there is likely to be a substantial reduction in Durham Assessment. Reeve Hastie, Clerk Allan and assessor D. McIntyre of Egremont were present and presented their case forcibly as did Durham also. The Cement Co. were fortified by the presence of engineer Bogardus and another expert, and these supported by the local officers and piles of vouchers and papers proved that the value of the assessors' estimate of the mill was only about \$150,000. It is assessed for \$200,000 this year and last. Taking the value to be \$150,000, the inevitable question arises—where did the rest of the money go? The discrepancy between the figures given in promotion times and those now sworn to is remarkable and compels a belief that somebody very like a crime lies at somebody's door.
