County Council.

The County Council of the County of Grey met on Monday 19th inst. All the members present but Mr McCannel, detained through illness, and Mr Thomson

Jno. McArthur, Esq., the Warden, took the chair and briefly addressed the council. He extended to them a welcome back to their duties. From all parts of the County he had heard of prosperity and congratulated them on the prospects of a bountiful harvest. He referred to the recent death of Mr Andrew Grier, Inspector of schools for East Grey, and said it would be their duty to appoint a successor. He expected there would be a report from the County solicitor, in the matter between the County and the village of Markdale, The equalization of the County's assessment would be before them and he hoped and believed every member would in this matter be actuated by what was fair and right, and believed justice would be done to every part of the county. He expressed his regret at the iliness of Mr McCannel, but boped he would soon be around again.

Mr Bell supported the motion. Mr Allen opposed the motion and declared that since Mr Frost gave the notice at January session that he would bring in this motion, he had been enquiring and found there was no disatisfaction with the present system. He would have opposed the election of the house of refuge if it had been conditional that inmates should be maintained by the munisending them there. Mr Pringle said that in Sullivan it was not the poor who were drifting away into the towns, but the wealthy and the poor were remaining with them. He claimed that the present system of maintenance in the house of refuge was all right, and he was opposed

Mr Shute saw no reasons for making the change. When the house of refuge was built it was not with the idea of municipalities getting rid of expense of maintaining their own poor—but merely having a place where this could be properly and economically done.
