TOWN TOPICS

Tax Rate, 21 mills.
 No service in the Presbyterian church on Sunday next.
 An almost total eclipse of the sun will occur on the 30th inst. More next week.

FOR SALE—At the Hedges, Buggy, Cutter and other articles. Apply to Mrs L Somerville, on the premises.

FOR SALE—A three-year-old horse sound wind and limb, bred of "Clear Grit." Will be sold on easy terms. Also a "Stony River" two-year-old mare colt, something special. Apply to A. B. McLELLAN, Agent, Durham.

BEN NEVIS—A special meeting of the Camp will be held on Friday evening, 18th inst. Grand Organizer Burns will present 9 or 10 new candidates for membership. A full attendance of the members is requested.

The Convention number of "The Field," organ of the Phoenix Mutual Life Insurance Co., has reached our office. We notice that the Detroit Convention Manager Rudolph Konold, an old Gienelg boy now of Salt Lake City, took a prominent place.

FINE SERMONS—For the past two weeks Rev Mr Hamilton, Whitehouse, has occupied the Presbyterian pulpit, and given great satisfaction. He left on Monday morning. During his stay here he was a guest of his father-in-law Mr Wm. Smith.

UNDER THE KNIFE—Thursday last Mr J. S. Drysdale went to Fergus and was operated on for appendicitis. Same day and place Mr J. Edwards, of Gienelg, went through the same operation. Both were glad to hear of recovering nicely.

SPECIAL—A special meeting of Camp Ben Nevis will be held in the Odd Fellows' hall on Friday evening of this week. Brother John Burns, Grand Organizer will be present, and in addition to the initiation of new members, an interesting social and musical time will follow. All members are requested to make an effort to be present.

A SPRIG OF HEATHER—Very proud was Mr C. M. Maxwell, Saturday to receive from a friend in Scotland, a sprig of heather plucked at Kilmacnehan, Mull, where Colin's forbears were wont to worship. We beg to acknowledge a twig which reminds us of "The Knowes, where the bonnie heather grows."

THE PASTOR RESIGNED—Dornoch and Rocky Sauguen will be again vacant, Rev. Mr Aitchison having resigned owing to ill-health. This will be very disappointing to the two congregations who had learned to regard their new pastor and his wife with affection and respect. Very sincere wishes for future welfare will accompany them.

A UNIQUE PRESENT—Mrs M. Kelvie received lately from her son, Angus McKelvie, of New Liskeard, a brooch made of the crude silver from a mine at Cobalt in which he is interested. This was accompanied by a dutiful letter in which he refers to the mine from which he and his associates expect to realize \$10000. Angus' many friends will rejoice at his push and fortune.

N. B. C.—Nearly everyone in Co. Grey knows the names of the students of the Northern Business College, one of Owen Sound's prosperous institutions. Under the Principalship of C. A. Fleming for 26 years, it has made wonderful progress. The latest evidence of which is a handsome "announcement" of 72 pages finely illustrated, and containing full information as to the courses taught, &c. The Fall Term opens Sept. 1, teaching begins Monday Sept. 4. Mr Fleming will be glad to answer all communications.

The Hand of Death.

"Thou hast all season's for thine own, O Death!" wrote the poet, and this week we are forcibly reminded of this truth.

MR JOHN MCKINNON
 Friday, Aug. 11, about 11 p. m. Mr John McKinnon on the old McKinnon homestead, immediately south of Rocky Sauguen, breathed his last. For some time back he has not been in robust health and was troubled with a kidney disease which caused him and his friends anxiety. However he had rallied several times from it, and even on the day he died was around doing some fixing to his binder, retiring at 9 p. m. feeling better than usual.

Two hours later he was attacked with a heart-weakness, which brought on the end and a wife and three children were bereft of a loving and tender husband and father and the community of a useful citizen.

He was a member of the well-known McKinnon family, his brothers being Chas. Angus and Allan, of this town, Donald and J. D. of Toronto, and Malcolm of Fort William. He has been all his life connected with the Rocky Presbyterian church and in the little cemetery near by was laid to rest on Monday last amid many tokens of sympathy and respect. Thus in the prime of life—he was about 41—was he taken, a reminder to all "Be ye also ready."

MRS YOUNG
 Monday morning, Aug. 14, Mrs Jas. Young, mother of Mr Wm. Young, was gathered to a sheaf of corn fully ripe, she having reached the extreme old age of 96 years and two months. Aside from the infirmities of age, which have been pressing on her for a year or two back, she has always been a healthy woman, of the vigorous pioneer stock, and her son and two daughters, Mrs T. McFadden and Mrs L. Robson, will long cherish her memory and example. She was buried on Tuesday in the English Church cemetery beside her husband who predeceased her about 50 years.

What a big span of existence! When Queen Victoria was born she was a girl of 10 years old. She has lived in the reigns of five English sovereigns. When she was woman-grown Railways, steamboats, penny-post, telegraphs, were still in the future and telephones were not even dreamed of, great men have risen and passed away and all of her generation are gone.

And still the story of death. The 15-months' old child of Mrs Bond, daughter of Mr and Mrs Geo. Wilson died on Sunday last after a very brief illness and was buried on Tuesday. Thus in a few days we have the infant in years, the aged mother and the man in his prime, all gone the way of all the earth. We extend our sympathy to all the mourners.

Examination Results.

The following is the list of candidates who passed at the recent examinations here: A very good proportion for the number trying and one or two who failed got only a few marks which will likely be added to the number:

For P.H.I. Junior Leaving: Clara A. Igo, Edith Allen, Rosalie Brooker, John Johnston, Arthur Weir.

For Matriculation: Clara A. Igo, Brad Jamieson, Whitfield Tyreman, Arthur Weir.

Deploable Fatality.

Mrs Tocher Killed.

On Saturday, Aug. 5th, the painful message reached Inspector Campbell here that the afternoon previous, his wife, Mrs Tocher had been thrown from a buggy and killed. The account following from the Owen Sound Sun gives the details.

Only a week or so ago Mrs Tocher was in Durham and met many old friends who are deeply shocked at the occurrence and deeply sympathetic with the husband and relatives whose loss is irreparable. Her aged mother resides in Port Elgin, and was expecting them Saturday as guests and instead received the lifeless body of her daughter and mourning friends.

Mrs Henderson is the only remaining sister, and there are two brothers, Insp. Campbell and Mr Arch. Campbell, Barrister, of Harrison. To these and the heartbroken husband and mother all sympathy is extended. The Sun's account of the accident follows:

Mrs Wm. Tocher, of Montana, who was visiting her sister, Mrs Jno. Henderson, Terrace St., the week before last, was thrown from a buggy in a runaway accident at 4:30 o'clock on Friday afternoon and died from her injuries at the hospital a few hours later.

Together with her husband, Mr Wm. Tocher, and Mrs Henderson, Mrs Tocher was driving northward along Boulevard St. When opposite Mr Ewing Cameron's residence, the horse suddenly reared and began to gallop down the street at a terrific rate of speed. Near Dr Cameron's residence the three occupants of the buggy were thrown violently out. Mr Tocher received several deep cuts and gashes, but beyond a few bruises, Mrs Henderson escaped unhurt. Mrs Tocher was fatally injured by being thrown against a pole on the side of the street. The assistance was summoned and the injured woman was conveyed to the General and Marine hospital, where she passed away four hours later.

The horse did not come to a stop when the occupants of the buggy were thrown out but continued its mad career down the streets. Mrs Jennings of Kappel, was sitting in her buggy in front of Mr J. K. McCorkindale's implement room, facing southward. She did not observe the runaway horse until it was almost upon her. The shaft of the buggy from which Mrs Tocher had been thrown penetrated the right shoulder of Mr Jennings' horse to a depth of about six inches. The horse was turned completely round as if on a pivot, with the result that Mrs Jennings was thrown out, alighting between the buggy box and the wheels. Fortunately her horse appeared to be dazed by the tremendous shock and deep wound which it had received and did not move while Ald. Arch. McMillan, who was at his place of business, lifted Mrs Jennings from her perilous position.

But after the excitement of the runaway had abated, the thoughts of everyone reverted to the earlier part of the tragedy, as a result of which Mrs Tocher passed at the General and Marine hospital at 9 o'clock despite all that medical skill could do. A deep scalp wound had been inflicted and she had sustained a compound fracture of the femur bone in the leg. The immediate cause of death was internal hemorrhage. The distressing circumstances under which the fatality occurred rendered the accident doubly pathetic, and it was indeed a sad telegram which went to her distant home in Montana on Friday night. Mrs Tocher, in company with her husband, had been visiting friends in this neighborhood for the past six weeks, and it was her intention to leave last Saturday for Port Elgin on a visit to her mother. Her maiden name was Margaret Campbell, of Durham, and was a sister of Inspector N. W. Campbell, of Durham. She is survived by three infant children as well as a sorrowing husband. The remains were taken to the home of her mother in Port Elgin, where the funeral took place yesterday. Mr and Mrs John Henderson, Terrace St., attended the funeral.

Durhams win Exhibition Game.

A moderate sized crowd witnessed the defeat of the Markdale boys in a lacrosse match here Tuesday afternoon. Owing to late arrival, the game was started over an hour after the billed time while but 15 minute quarters were played. The big score ran up—10 to 6 in Durham's favor—was the result of more loose playing than would occur in a league match. However it was a friendly and clean contest and both sides were satisfied. 11 men a side were played with the Markdale bunch slightly the heavier, but for speed and swift combination, honors went to the blues and whites.

At the outset it looked like a walk-over for the Durhams, as they notched the first goal in half a minute, put on all speed and then simply rained them in for the next ten minutes. The Aberdeens were dazed, and when the storm passed over the score stood 7-0 quarter time.

During the remaining three periods, the Durhams, content with their big lead secured, let down in their play, and the match became less interesting. Each side had practically an even share of the ball, though Markdale counted more in goals, making a strong finish. Principal Rowe, of Markdale, as referee had little to do, and satisfied all. The return game in Markdale will be played Friday, the 25th inst.

Garden Party.

A Garden Party, under the auspices of the Methodist Church Varney was held at the home of Mr and Mrs John Aldred on Aug. 10th and which proved a decided success, the attendance being very large. The church was well represented. A great number of people were present from Durham, some even from Mt. Forest. A very enjoyable evening was spent in spite of the scarcity of seats. Some of the Egremont team did not arrive so the expected foot-ball match was not played. However those who were present enjoyed a friendly game. The Durham Brass Band having arrived by this time spread life and cheer everywhere by their excellent music. There was plenty of light on the subject, and good order was maintained throughout the whole evening.

The program commenced about ten o'clock. The Durham quartette rendered valuable assistance, their singing being highly appreciated. Ethel Pettigrew and Blanche Lauder sang sweetly together. Henry Gray sang a solo which everyone enjoyed. Miss Alice Blackburn, of Durham, who trained and accompanied these young people deserves credit. A recitation ably given by Mabel Mead pleased the audience. Two selections given by the Varney Orchestra, were well received. The audience listened with pleasure and interest to the short addresses given by Rev Thos. Colling B. A. Rev W. L. Newton, of Durham. All were delighted with the selections supplied by the Durham Brass Band. The Varney Church choir gave opening and closing selections which were much appreciated.

Altogether the evening was certainly a good success both socially and financially. The pastor, Rev Geo. I. Stephenson occupied the chair very efficiently. Proceeds of the evening amounted to about \$67.00—Com

Gasoline Power.

The REVIEW this week is printed by power supplied by a New Gasoline Engine bought from the International Harvester Co., represented in town by Mr John Clark. The installation taking place just yesterday and to-day at our busiest hours, has rushed us a little but when we get the change adjusted we may have more to say.

CHANGED LABEL.

If we have omitted the changing of any name on our subscription list last week, will parties interested please notify us; we will be only too glad to make the correction. Again, we will be equally glad to place in advance those names still in arrears. Put your label right this week.

Firemen's Convention.

The 6th annual P. V. F. A. was held at Merriton on the 1st 2nd and 3rd inst. and was the largest meeting since organization. A number of topics were under discussion, the principal ones were the 2 per cent tax on insurance companies, and accident indemnity. The act runs something like this that every fire insurance doing business in Ontario under the provisions of this act shall pay each year for the benefit of volunteer fire companies 2 per cent of the gross premiums received by said company in each Town or Village having an organized fire department this to be used for the relief of sick, injured and disabled firemen nearly every state in the American union has a similar law in force in favor of their firemen. Why can't we have the same in Canada? The property owner insures his home and business as a question of business. The insurance company takes the risk as a question of business—the time has come for the fireman who protects both from loss also to look at this work as a question of business. It was also shown that a great many fires were caused by carelessness.

One delegate from a large manufacturing establishment stated that no man employed in their firm was allowed to smoke on their grounds, if he did so he would be discharged at once without any questions. The different modes of fighting fire were discussed which resulted in a great benefit to all present. The next meeting will be in Hamilton next August where it is expected that nearly all the Fire Companies in Ontario will take part. It is the present intention of the Fire Dept. here to take a uniformed company to Hamilton and take part in the great demonstration to be held there on the last day of the convention.

R. Torry, Chief, Durham Fire Dept., and delegate to convention.
