By an act passed at the last session of the Ontario Legislature it is provided that for the first of January, 1907, it shall be unlawful to use sleighs on country roads, which have runners less than four feet apart, unless the council of any county passes a by-law providing that this law shall not go into operation. It will now be in order for the farmers to make up their minds whether they would prefer to leave things as they are now, or allow the new law to come into operation.—EX.

HIS ANKLE BROKEN.—While assisting in raising a pipe at the cement works last Friday, Mr. Peter Matheson met with an accident which will lay him off duty for a few weeks. A rod fell striking him on the ankle and breaking the bone. Pete came through the lacrosse season this year without any serious injury, but his time has come now. However, the cloud has a silver lining, for he had taken out an accident insurance policy two or three days before, which will not come amiss.

Standfields, all wool, unshrinkable underwear in Men's and Women's at Grant's.

HUNTERS OF THE DEER.—Monday last Messrs A. McLachlan, Wm. Calder, Walter Brown, Robt. McCracken and Jake Kress left with guns and dogs, for Muskoka, where during the two weeks allowed them they will engage in deer hunting. A number of young men are hunting the deer at home but are not compelled by law to wear a distinctive uniform as the wild-woods men have to do to prevent accidents. We hope they may all have a good time and come home in rollicking health, with venison aplenty.

Anniversary services in the Presbyterian church will be held on Sabbath, and Monday, the 12th and 13th of November. The Rev. Thos. Rev. K. Johnston, D.D. Montreal, says: "I listened with great interest to the lecture by Rev. Thos. Wilson in the Life and Labors of Dr. Paton. The lecture is instructive and interesting, the story is well told and the views are excellent."—Rev. Mr. Wilson will give his lecture in the Presbyterian Church on Monday Nov. 13, at 8 p.m.

A course of special sermons will be given in the Baptist Church by the pastor, Rev. W. L. Newton, on Sabbath evenings during the month of November. On Sunday, Nov. 5th "The Market of Muscle" will be the subject. This sermon is especially intended for young men. All are cordially invited. Subjects for the remainder of the month will be published each week.

Halloween passed off here in the usual manner. All manner of pranks being played and in some cases material damage done to awnings, gates, etc. The sanction of an old custom should not be given to deeds of pure mischief. The spirit of true fun should not run into malicious channels, and home affairs should be to the utmost be used to prevent both.

A man told us the other day that we don't publish all the things that he would like to see. We should say not. In the first place there is somebody depending on us for a living. If we print all we hear we'll soon be with the angels. In order to please the people we must print only the nice things said of them and leave the rest to gossip. Yes it's a fact, we don't publish all the news. If we did wouldn't it make spicy reading? But it won't be on week only; the next week you would read our obituary—in some other paper. All the news is all right when it's about the other fellow.—Elmore Gazette.

SUNDAY SCHOOL ENTERTAINMENT.—The Annual Sunday School Entertainment will be held in Knox Church, Northampton, on Friday evening, November 10th. A good programme is being prepared. Addresses will be given by Messrs Dr. Brown, of Holstein, and Rev. Mr. Stephenson, of Varney. Music by Messrs Kamage and Lee, P. O. More. The church choir and others will also contribute to the evening's entertainment. Doors open at 6.30. Refreshments served during the evening. Admission 10 and 15 cts. Everybody welcome.

## The Cement Situation

Since we wrote our article last week a great comment has arisen and action taken to ward off the threatened interference with the mill here.

Director Gilbert McKechnie waited on the council last Wednesday evening and laid before them the possibilities of the proposal for removal and urged it upon their attention as coming within the sphere of their duty. The council have responded as a unit and a committee has been appointed consisting of Mr. M. R. Dr. Jamieson, M. P. F., and Mr. McKechnie who will examine into the question on its merits.

The persistent cry of vanishing marl will be first examined. While no one believes in the early prediction, which was supposed to be based on accurate examination—that there was marl to last 100 or 200 years, there is a deep seated conviction based on thorough local knowledge as well as expert testimony that the end of it is not nearly in sight, and that long before it is exhausted, with management such as we have had this year, there will be not only dividends, but such returns as will reimburse every shareholder for the delay and the outlay.

The wild chimerical proposal to move such a plant to such a place, where, not far off for many years a rock cement has been made that is admittedly inferior to Portland Cement, is unexplainable by anything that appears on the surface.

The interest of every shareholder requires that no check be made at the dawn of prosperity. The mill is working beautifully, machinery is now thoroughly understood, a set of workmen trained to their duties are in charge, and but for the initial mistakes, (to speak mildly), there would this year be a dividend of from 10 to 15 per cent, and stock would be at a premium.

To move would furnish a repetition of adverse conditions, would be a flying to hills we know not of, and would certainly put many years off the possibility of shareholders having any return. Don't kill the goose that lays the golden egg.

An open letter on page 8 deals with this subject in an interesting manner.

## B. Y. P. U. Rally.

The 12th annual rally of the young people of the O. S. Association, met with the Baptist young people of this place on the afternoon and evening of Thanksgiving Day, Oct. 26. Although the attendance did not come up to that of former years, deep spiritual feeling and earnestness pervaded both sessions. Representatives from the following Baptist churches were present; Owen Sound, Warton, Meaford, Bentinck, Thornbury, Strathvorn, Woodford and Paisley.

The young people were especially delighted to have the presence of Rev. W. E. Norton, Home Missionary Secy., who has always shown himself to be deeply interested in B. Y. P. U. work.

The afternoon session was opened by a service of prayer and thanksgiving led by Mr. J. Norton of Owen Sound, Mrs. W. L. Newton then warmly welcomed the visiting delegates, and amplified the welcome by taking two texts as the foundation of sermons appropriate to the occasion. "Lay not up for yourselves treasures upon earth where moth and rust doth corrupt &c." and "Enter into thy closet and when thou hast shut the door pray to thy Father &c." Mr. Strachan of Thornbury responded. The President's message owing to his unavoidable absence in Memphis, Tennessee, was read by Mrs. W. L. Newton and then the following officers were elected.

Pres.—Rev. L. F. Kipp, Strathvorn. 1st Vice-Pres.—Mr. J. A. McNeill, Paisley. 2nd Vice-Pres.—Mr. J. Norton, O. Sound. Sec.-Treas.—Miss Elnora Patterson, Warton.

A paper by Mr. R. George retiring President on "Our C. C. Courses" was read by Miss E. Patterson and Rev. W. L. Newton gave a most interesting address upon "Bible Reading and Christian Living."

After a solo by Miss Irving of Owen Sound, Miss Fischer, of Paisley, gave an excellent paper on "The Relation of the B. Y. P. U. to Society" and Rev. J. O'Neill of Paisley gave an eloquent address upon "Preparation."

Rev. W. E. Norton then closed the afternoon session by an impressive Devotional Service.

Evening Session. A well-filled church greeted the delegates in the evening. Owing to the absence of the president, Mr. George of Port Elgin and the Vice, Mr. McNeill, of Paisley, the chair was ably filled by the Rev. T. F. Kepp, Strathvorn. After a Prayer and Praise Service conducted by Rev. Mr. Pines, Mulock, greetings were extended to the delegates at the rally from the Epworth League and the Presbyterian Guild of town, by Messrs J. M. Latimer and J. S. Drysdale respectively.

Rev. Mr. Kepp, the chairman, then delivered a fine address. He took for his topic "Young People in Evangelistic Work" and showed how the young people in a congregation could assist and lighten the pastor's labors. He believed in visiting all the non-church-going people in his district, no matter to what creed they inclined, and bring the gospel to the people, where the people would not come to the church. Rev. W. F. Price, Meaford, was the next speaker called upon, and gave an earnest and forcible address under the name of "An Altered Motto." In an interesting prelude he told how the Spaniards believed the rocks of Gibraltar and the opposite shore to be the Pillars of Hercules and as the wide Atlantic then seemed unlimited the end of the world. As a result, Spanish coins were stamped with the motto "No plus Ultra"—No more beyond. This, he affirmed, appeared to be the motto of a great many societies, churches, and individuals in this land to-day—No More Beyond—they were content to rest on their oars without striving for something better and greater. He concluded with an earnest appeal for our societies and ourselves to follow the new motto, as the Spanish afterwards engraved on their coins—"More Beyond."

Rev. Mr. Norton, Owen Sound, on being called upon, announced a change in his subject from what he formerly intended, and spoke on "Powers in Christian Service." He defined power itself—clearly proving the great thing needful in this world to-day is Power. Where do we receive it? Direct from God through prayer. He next dealt on its transmission and closed with its final destination and use in Christian Service.

At intervals throughout the address selections were rendered by the Durham Baptist Choir, under the careful training of Mrs. Newton, which delighted the audience. In the musical line also, a marked feature of the evening was the appearance of a new vocalist to Durham, in the person of Miss Irving, Owen Sound, whose well-rendered solo in her high, sweet voice was an inspiration to all present. Towards the close of the evening a hearty vote of thanks

was moved by Mr. Norton seconded by Mr. Price, was given by the delegates to the local Young People's Union, for their kind treatment and pleasant and profitable day spent in Durham.

SLEIGH BELLS.—At six o'clock this morning, Nov. 1st, the ground was black; as we write at 9.30 a. m. we hear the sound of sleigh bells, so rapid and so heavy has been our first real fall of snow here. Hunters will now have all the tracking facilities they require, though many farmers will wish their turnips had been up first.

A CHARMING PICTURE. A sample copy of the new premium picture issued by the Family Herald and Weekly Star, of Montreal, has come to hand. It is certainly a decided change from their pictures of former years, and a change that will be appreciated. It is entitled "Queen Alexandra, Her Grandchildren, and Dogs," a most charming and interesting subject. It portrays Queen Alexandra on a visit to the Royal Kennels, accompanied by her Grandchildren. The picture of the Queen and the children is an excellent one and the handsome collies and hounds are so lifelike that one falls in love with the picture at once. All subscribers to that great weekly will receive a copy of this beautiful picture, size 22 x 28 inches absolutely free, on receipt of one dollar for a year's subscription. The publisher of the Family Herald has also issued this year a book of immense value to farmers. It is entitled "The Farmer's Manual and Veterinary Guide." This book is said by competent authorities to be the best of the kind ever issued. It cannot be bought, but can be had free on conditions which may be had on applications at this office or by writing to the Family Herald and Weekly Star, Montreal.
