Public Library.

The best attended meeting this year of the Durham Public Library Directors was held on Friday evening last, and it was decided among other things to lay in some new books which were selected and ordered. The Library is being well patronized as it should be and as government grants are much smaller than formerly, the public should rally to its support even more than formerly.

A delegation consisting of H H Moeckler and Ed McClocklin coming from the Durham Dramatic Club made an important proposition to the Board which was accepted. They offer under the auspices of the Library, to give five public dramatic exhibitions during the coming winter, and as is well known the leaders have already made some good beginnings, the public may feel assured of some brilliant and profitable evenings.

Membership in the Library with full privileges of 20 or more high class magazines in the Reading Room, is only \$1.00 a year, or 50 cents for six months. Over 4000 volumes to choose from. Join now and have a profitable way of spending the long evenings.

When the Flag is Raised.

The School Board at its regular meeting on Thursday last adopted the following resolution unanimously. Sept. 13th.—"Quebec Day" Anniversary of Wolfe's victory of Quebec.

Oct. 13th.—"Queenston Heights Day" recalling the death of Brock and victory of Canadians.

Oct. 21st.—"Trafalgar Day" recalling Nelson's victory and death.

Nov. 9th. Kings Birthday.

Feb. 22nd. "Accession Day" when King Edward ascended the throne.

May 24th.—"Victoria Day"—birthday of the late Queen Victoria.

June 18th.—"Waterloo Day, the great victory of Wellington over Napoleon.

Distilled Sunshine

Did you ever have a headache that made Sunday feel like wash-day?

Perhaps you have been drinking inferior teas. (Oh, you don't need medicine—all you need is a package of Grand Mogul Tea.

This tea combs the links out of the nerves. Why? Because it is rich in theine (the flavoring essence) which is just concentrated sunbeams. Grown on the high table lands of Ceylon, this tea contains the elements of a pure nerve-food.

Grand Mogul Tea

There are no other teas "just as good" as Grand Mogul. 25c 30c 40c and 50c per pound. Sold only in packages lined with air-tight paper. Premium coupons in each package. The cost of these coupons is not taken out of the tea—but is simply a part of the advertising appropriation.
