Boothville

Intended for last week

Mr George Sackett of Boothyille is gaining in strength and we hope to see him around as usual.

We are very sorry to hear of Miss Jennie Knox, Swinton Park, being down with scarlet fever, we hope to soon hear of her recovery. We are sorry of Mr Robt Knox having so much trouble and sickness in the family for two years now, they just got out last week from being quarantined for 7 weeks and had the house disintected which makes so much work.

spent a week with her sister Mrs Will little or no value to the Company? Has Wilson, Boothville.

dener, is poorly, but we hope for a speedy recovery. We congratulate Mr Willie Leith on his marrage last Wednesday to Miss Janet McDonald. We extend to Mrs Leith a hearty welcome to our neighborhood.

McDonald of Dromore is well again.

The Orange Society held their annual oyster supper in L. O. L. No. 1136 on Friday evening Nov. 17th. A number of friends accepted the invitations MR WILSON sent out by the members. After ampie justice had been done to the oysters son and Mr Alex Richardson who nev- with you, a big swindle it has been. singing the National anthem, all unit- an exception to the general rule and ing in saying they had spent a very | will yet come out alright. enjoyable evening.

effeffeffeffe The House of Quality

It's a mighty hard thing to write an advertisement that will describe intelligently the pretty things we wish to show you.

That's why we want you to come to our store and just see what we have to offer. That is the aim and object of this Ad.

We are showing exclusive designs in Japan China and Rare English Silverware. They have the indescribable prettiness that you must see to realize what "quality " in good goods really means.

The Watches But what's the

nse of talking about the good qualities of the Waltham and the Deuber-Hampden Watches! Why, your neighbors can tell you how long they have carried them and about their quality, you know. We sell only what has paseed under our own critical eye.

If you've a mind to see every Christmas display that's made, do so by all means but but see ours before you buy and save regrets. . . Seeing is believ. ing " you know. Our absolute guarantee goes with everything

Morrison Wilson, Woodstock. P. S .- Is it true that the committee which was appointed by the council to search for marl has refused and does We are glad to say that Mr John | refuse to tell the Cement Co where they have located large quantities of marl? M. W.

> Durham, Nov 28th, 1905. Dear Sir, -

In reply to yours of the 22nd, selections, recitations, by Misses M about the same as all other companies,

> All for a purpose. I again agree with you, and we are all trying to find out what that purpose is, and up to the present time have tailed to do so. Mr Ehrhardt partly solves the problem. He says a dividend never will be paid until it comes from the rock cement; I got that version of it direct from himself. And you think it is just the same old story, the big fish gobbles up the little ones, and I think if those fellows, with your friend the lawyer, at the head of them, succeed in their purpose, there soon won't be any small fish to gobble.

There is no necessity of me going nto figures, those you have aiready seen in the Chronicle, and the figures esting. That the attempt to make the regarding the present year's, business, you may depend upon, are perfectly letters, had we not have been in debt, the amount made this year would have payed you and I a 10 per cent dividend upon our investment. And in the face of this showing, your friend, the lawyer, and a few others upon the pretence of there being no marl in the country, carried a resolution to have the works removed or rather destroyed. That, I think is the propor wav of putting it, and upon the strength of that resolution. have taken upon themselves to take options upon rock deposits, amounting, I am told in one case to \$14000 and in another to half a million. Your money and mine

do you think of your friend, the law-It is being broadly hinted Mr Mc- think as I do, that he as chairman of

Kechnie has a selfish interest in keep- that board should have investigated Kechnie has a selfish interest in keeping the plant here. As a townsman, he may have, but his interest as a shareholder, he thoroughly believes and can demonstrate is best served by keeping the mill here.

During the past week, we have had letters from various sources expressing the desire of the writers to keep the mill here. Some write with indignation at the proposal to move and all are anxious to be posted. We have repeated requests for late issues these we cannot now supply, nor can we an.
