The poultry business, properly conducted, pays far better than any other business for the amount of time and money invested.

Thousands of poultry-raisers-men and women all over Canada and the United States-have proved to their satisfaction that it is profitable to raise chicks with the

AND BROODER. "Yours is the first incubator I have used, and I wish to state I had 52 chicks out of 52 eggs. This was my first lot; truly a 100 per cent. hatch. I am well pleased with my incubator and brooder. Thos. McNaughton, Chilliwack, B.C."

"My first hatch came off. I got 170 fine chicks from 190 eggs. Who can beat that for the first trial, and so early in the spring. I am well pleased with incubator, and if I could not get another money could not buy it from me. Every farmer should have a No. 3 Chatham Incubator.—F. W. Ramsav, Dunnville,

"The incubator you furnished me works exceedingly well. It is easily operated, and only needs about 10 minutes attention every day. R. McGuffie, Moose Jaw, Assa."

The Chatham Incubator and Brooder is honestly constructed. There is no humbug about it. Every inch of material is thoroughly tested, the machine is built on right principles, the insulation is perfect, thermometer reliable, and the workmanship the best.

The Chatham Incubator and Brooder is simple as well as scientific in construction-a woman or girl can operate the machine in their leisure moments. You pay us no cash until after 1906
