THE UNION REVIVAL SER-VICES in HOLSTEIN are arousing great interest and attracting large audiences. Owing to the large crowds in attendance, the meetings are being held every night in the PRESBYTERIAN CHURCH and on Sunday, the churches were packed to the doors, aisles and every available corner, others not able to get in at all. Rev Thos. Wilson, Walkerton, is delighting everyone with his masterly presentation of the old Gospel. The sermons are genuine treats.

The Song Service commences at 7.15 and you are advised to Come Early and avoid disappointment. Conversions every night are resulting.

Everyone cordially invited. A GREAT REVIVAL is in progress and many have been couverted. The Holy Spirit's presence is manifest in a remarkable manner. Come and see.
