Edge Hill

This week we are called upon to chronicle the sad and very unexpected death of Mary McArthur, beloved wife of Mr. John Moffat who departed this life on Friday, Jan. 26, after a short illness of only four days. She had been in her usual health up till Tuesday morning when she was taken ill, medical aid was summoned but in spite of Dr's and all kind sisters could do she passed peacefully away on Friday morning which caused a terrible shock to the whole neighborhood. She was always a kind and obliging neighbor ready to help in the time of need and always jovial and hearty. She leaves to mourn her untimely death a husband and son, also an aged mother, three sisters and two brothers who will deeply mourn the loss of a wife mother, sister, and daughter. The funeral which took place on Sunday was one of the largest ever seen for some time upwards of 150 rigs being counted in procession to the Durham cemetery. Her pastor Rev Mr Farquharson officiated at house and grave. The whole community join their sympathy to the sorrowing and grief-stricken friends and relatives.

A few short years of evil spent, We reach that happy dawn, Where death divided friends at last Shall meet to part no more.

Among those that attended the funeral from a distance were Mr. and Mrs Robt Moffat and family, Toronto; Mr Thos Moffat and Mr and Mrs Thos Banks, Owen Sound; Mrs Duffield and son of Guelph; Mr and Mrs of London and Mr J W irth of Toronto. Miss Bessie Edge ft for Toronto last week, where she intends to spend the winter.

Mr and Mrs Jno Little, of Proton, visited at the latter's parents Mr and Mrs Robt Ector over Sunday.

Hopeville

In the last Review the closing remarks of our note about the Proton Council reads that it was not good to say anything about the council of 1906; our remarks we intended to say is that it was not safe to say anything about the council of 1905 as we do not want to say anything about the present council, there being a change of one and a very good one. His influence may make a better change in the doings of the council.

This last week a concert was held in the Hopeville church by the Sunday school children, and a very nice time was spent there.

Returned after about two years in the North West Territories, Mr Wm. McMurdo Jr. He has taken up land and is doing exceedingly well and will stay for the winter here, returning in the spring. We expect he will take somebody with him, but this will be kept very still till near the time. Wm is a bright smart young man and we have all hopes of him doing well in the west. We have a report that he is likely to get on the Detective force of the Dominion Government, if so he would make a good detective. He has had some experience here as a private detective hunting up lost property around Beer street some few years ago.

Mr Joseph Black, of the 14th con., went south to near Guelph and brought back with him a wife. She was a Miss Halliday. We wish them many pleasant days.

A beef ring has been formed here with some farmers and some of the village people.
