Dromore.

The Annual Meeting of Amos Church was held over a week ago, and should have been reported sooner, but for lack of other material.

There was a large attendance of members and adherents present, together with a fair sprinkling of young people from the neighboring congregation. After opening services by the Rev Mr Campbell who acted as chairman and a selection from the choir the various reports were presented.

Report of managers and ushers was presented by Mr Wm Isaac who reported a pleasant spirit prevailing at their meetings, and a lack of unoccupied seats to accommodate those who want sitting.

The building committee's report was given by Mr J. M. Findlay, who recounted the steps taken towards building a new Manse with cement blocks. Plans and specifications were under way and expected within a few days.

The caretaking was afterwards let by the managers by tender, at the figure of \$48.00 to Mr Jas Eeles, and 15 cords of wood to Mr Wm Ramage at \$26.00.

Mr Eddie Wells is becoming one of our extensive farmers having rented another hundred acres, from Mr Chas McKenzie in addition to the 200 acres already worked by him.

At meeting of Presbytery at Mt Forest on Friday last where a paper was given by Mr McMurohy on the teachers' training course, Rev. Mr Campbell, Dromore, was complimented by Sec. Robertson of Toronto, on having the largest class passing on the subjects prescribed, throughout the whole Dominion.

He thought a more earnest study of the Bible should be made at home. Mr Wm Allan, N. W. Egremont, remarked on the difficulty of getting teachers, and expects that in the future, a teacher to be successful, must be a student of the Bible.

Mrs J M Findlay, Miss Mary Isaac Mr Gordon Findlay, Mr Wm Ramage were in attendance from this part together with those mentioned.

We are pleased to mention for the sake of the reputation of Dromore that the L. O. F. concert was of a high order, Miss Eeie Swanston as elocutionist and Misses H Watt and Jean Brown as soloists coming in for a good deal of praise.

The members of the choir of the Hall, and the Ebenezer appointment, and some of their friends gathered at the home of Mr Wm Ramage and presented him with a purse and money. As is the custom on these occasions the matter was kept a secret so that though suspicious there was something afoot, from the number gathering, it was still a matter of surprise to Mr Ramage, who thanked them all for the kindness displayed, and who felt it to be the greatest pleasure to know that he was appreciated by the people for his humble effort put forth by him.

The presentation was made by Miss Kate Dixon, while Mr Geo Lothian read the address, and also spoke at some length in regard to the recipient's patriotism and public spiritedness to serve. Mr W L Dixon acted in the capacity of Chairman and spoke also in the same appreciative strain. Mr Wm Moore and Jas Coleridge also con-

tributed their quote. A pleasant time was spent thereafter.

The oldest inhabitant never saw the beat of this thaw in January. The concessions completely bare of snow, with the roads are yet deep enough in places. Get your fall ploughing done before the winter sets in.

This'le, Jan. 18, 1906.

Dear Mr Ramage,— We again take pleasure in meeting under your hospitable roof.

The future may offer no better opportunity, than the present to show you in some other way, than in mere words that we appreciate your services as a Choir leader, and as a willing helper wherever your many musical talents can be put to use.

Therefore we ask you to accept this purse, as a slight acknowledgment of the pleasure and profit we have received from your instructions and your help.

We join in wishing you not only a useful and prosperous New Year but many such. May your days of joy be many and your hours of sorrow few, is the wish of the Ebenezer and the Hall choirs.

Signed on behalf of the | Wm. I. Dixon | | W. J. Moore | | Thos Harrison | | Hattie E. Watt | | Minnie Hooper | | Mrs D P Coleridge.

David Alan spent several days in Toronto last week attending the Torrey Alexander Mission, and is very enthusiastic over the meetings.

Miss Charlotte Pollock returned from Niagara Falls last week looking well.

Mrs J E Burrows, of Paisley, visited her sister Mrs Wm Seaman recently. Geo Calder was in Owen Sound last week.

The revival is the great topic of conversation, and the meetings are remarkable for the absence of emotional excitement, but there is evidently Holy Spirit power, being manifested in abundant measure. The people are coming in crowds, and on Sunday some we are unable to gain admittance, conversions nightly are resulting in some instances of a remarkable nature.

Rev Thos Wilson, of Walkerton, who is preaching every night is delighting everybody with his exceedingly able presentation of the Gospel, and the "old time religion." We can assure everyone who can possibly go that they will be more than pleased and surprised if they attend. People from all parts of the country are coming in and all desire to come again. Owing to the crowds the meetings are being held each evening in the Presbyterian Church where everyone will be cordially welcomed at 7:15 when the song service which is one of the principal features, begins.

Maple Park

Well M Ed we will try to write up a few of the interesting facts concerning the Park.

Mr Jas Hayes visited friends in Egremont last week.

Miss Sarah Porter from Manitoba visited her brother and other friends in the Park last week.

Miss Alice Wilson visited at home Sunday last.

Miss Maggie Knox from Durham high school spent a few days at her home last week.

Mr Alex Richardson and Wm Brown were seen out west one evening lately, we don't know how far west they went but we suppose some of the fair sex will know.

Mr S Anderson visited at Proton station last week.

Mr Less Watson with his fine driver put down the line Sunday evening to see the lassie we expect.

The attendant of the central telephone office, Swinton Park, visited at Mt Forest last week, but the subscribers on the Hopewille and Swint Park line hope that she won't get too many holidays as they did not get very good attendance while she was away.

We are sorry of a disappointment that a young lady happened with two weeks ago Sunday night when she missed a chance of a ride in a sleigh to church, by waiting for a horse and cutter to come. The rig never came along, but the driver boarded the sleigh when it passed.

Quite a number of ladies attended a quilting bee at Mrs Joe Philips Wednesday afternoon. The young girls gathered in the evening and spent a very pleasant time dancing and singing till the large hours in the morning.

Miss Sarah Ferguson went to the Queen's city last week, and will be missed.

Mr and Mrs Fred Runciman, of Proton station, visited at Mrs Runciman's parental home a few days last week.

Mr M, Scott visited old acquaintances in this part last week, and told all the young people's fortunes and read all the heads that wasn't read before.

Misses Bella and Katie McDon, did intend leaving for the Queen's city, soon. There don't seem to be a Ray of hope to keep Bella home.

Miss Flossie Campbell, of Swinton Park, visited her friend Aggie Ferguson Sunday last.

Mr Jno A. Ferguson and David Ferguson visited friends at Harrison last week.

We are sorry to see in S P. correspondence last week that the correspondent seems to be offended at something that we have said about the coasting club, but we think it will be all right if they can get a good steep hill, and get the boys to pull up the hill.
