13 weather, and bespeaks the interest Miss Adair, the popular teacher is arousing in the section. Mr David Leith was chairman, and ably filled the position, while the program owing to its varied character was highly entertaining, especially since half way there was an intermission, during which a staff of waiters supplied tea and tasty viands.

Mr Jno. Wells with Lis gramophone. was leading feature of the evening. His is one of the best instruments of its kind, and his selections were much enjoyed and genuinely encored. Another interesting feature was the presentation by Mr C, Ramage, a former teacher of a number of stereopticon views, with appropriate readings, etc. There were songs by Miss Fee and Miss Mary Backus. Recitations by Misses Mary Mc-Alister and Henrietta Keller and Arthur Backus, all of which were given in good style and fine voice. The latter 5 pr Ladies' Swede and Cashmere Gloves, were 50c, now 39c per pr appeared also in a pantomime and won rapturous applause for his splendid acting. The three numbers by the boys "Glee Club" would have done them credit anywhere. A dialogue showing up the shams of "Society" was well done, and luridly affective was the tableau of the gipsy tent, the while Miss L. Fee and Arch. McDonald sang the dialogue-song "The Gipsy's Warning" and answer. Mr Ramage, at the close. made a few remarks based on his 104 years experience as teacher there and the meeting closed with "Auld Lang Syne." The proceeds-to strengthen

A Close Shave.

D. Campbell's Stable on Fire.

Monday night, about 11.30, the fire brick building of D. Campbell used as stable and storehouse. Great volumes of smoke were pouring out, but a pail brigade did most effective work before the engine arrived and kept the fire from bursting out. In 10 minutes the engine was placed on the river brink and water was playing into two sides of the building. The night was calm and his efficient brigade were masters butchers, the latter keeping on the of the situation. But for the engine destruction of much valuable property would have ensued, so again the enable, though covered in part by insur- March 8th, at 8 p m. ance. This we believe is the second time Mr Campbell has suffered from
