# tors and Brooders after trying the first. Perhaps you think that it requires a sceat deal of time or a great deal of technical knowledge to raise chickens with a Chatham Incubator and Brooder. If so, you are greatly mistaken. Your wife or daughter can attend to the machine and look after the chickens without interfering with their regular household daties.

The market is always good and prices are PLOT TO ASSASSINATE MINE OWN-never low. The demand is always in excess of

never low. The demand is always in excess of the supply and at certain times of the year you can practically get any price you care to ask for good broilers. With a Chathem Incubator and Brooder you can start hatching at the right time to bring the chickens to marketable broilers when the supply is very low and the prices accordingly high. This you could never do with hens as hatchers.

We know that there is money in the poultry business for every farmer who will go about it right. All you have to do is to get a Chatham Incubator and Brooder and start it. But parhaps you are not prepared just now to spend the money. This is why we make the special offer.

BOMB VICTIM.

San Francisco, March 5.—It developed here last night that a San Francisco mystery of two years ago has been touched upon in the confession made by Harry Orchard, now imprisoned at Boise, Idaho, on the charge of having nurdered former Governor Steameberg.

According to Orchard's confession, as According to Orchard's confession, as received here, the "Inner Circle" of the Western Organization of Miners plot-Brooder has no equal.

We know that with any reasonable effort on your part, you cannot but make money out of the Chatham Incubator and Brooder. ted the asassination of every prominent man connected with the employers' side of the famous Coeur d'Alene strike, and We know that we made a similar offer last year and that in every case the payments were one of the attempts to cannot murden met cheerfully and promptly, and that in many took place in this city.

In 1904 Frederick W. Product

Therefore, we have no hesitation in making intendent of the Bunker Hill and Sullior woman who may wish to add to their yearly profits with a small expenditure of time and morning of Nov. 17, Bradley opened his business in a small city or town lot. Anyone with a fair sized stable or shed and a small yard can raise poultry profitably.

But to make money quickly, you must get a larger one from you next year. H. M.

But to make money quickly, you must get a with selling hens as natchers. You must get a with selling hens as natchers. You must get a fair start in the To enable everybody to get a fair start in the right way in the poultry business, we make a small expenditure of time and money. This really means that we will set you up in the poultry business so that you can make money right from the start, without asking for a single cent from you until after 1996 harvest.

Gentlemen,—I had never seen an incubator and Broeder.

To enable everybody to get a fair start in the right way in the poultry business, we make a small expenditure of time and money. This really means that we will set you up in the poultry business so that you can make money right from the start, without asking for a single cent from you until after 1996 harvest.

Gentlemen,—I had never seen an incubator and Broeder.

To enable everybody to get a fair start in the right way in the poultry business, we make a small expenditure of time and money.

This really means that we will set you up in the poultry business so that you can make money right from the start, without asking for a single cent from you until after 1996 harvest.
