Egremont Council

A special meeting of council was called by the Reeve on March 14th to consider and dispose of the report of township engineer filed by the clerk on Feb. 26, which is designated Drain No 3 with branch.

A certificate from Postmaster, Holstein certified that the clerk had mailed notices to all parties concerned to consider and dispose of said report re drain No 3, McArthur Robb—that this council is satisfied that the requirements of the Act respecting notice to assessed parties to consider engineer's report on drain No 3 with branch, have been fully complied with. Carried.

The said report was read, diagram of drain No 3 was carefully examined and assessed amounts fully compared and discussed. All well satisfied for the construction of the drain, consequently no names were withdrawn from the petition.

Ferguson—McArthur—that the report of engineer re drain No. 3 be adopted and that leave be granted to introduce a by-law to give effect to this resolution.—Carried.

Robb—McArthur—that by law to issue debentures for drain No 3 with branch be now read a first and second time and the clerk serve the notices required as per section 22 of the Municipal Drainage Act.—Carried.

Robb—Philp—that orders be drawn in favor of the different parties for work on survey, board and horse hire, re drain No. 3 amounting to \$41.58 and to clerk for postage \$1.15, said accounts to be charged to said Drain acct. Council will meet at Holstein on April 14th, at 10 o'clock a. m. as a Court of Revision on drain No 3 and

to consider report on drain No 1 and 2 at 2 o'clock p. m. D. ALLAN, Clerk.

Swinton Park.

The tea-meeting of St Andrew's church on Thursday last was successful. Rev Mr Matheson occupied the chair. The speakers of the evening were Revs H. I. Hurt and Roach. Dromore choir were present and acquitted themselves well as usual. Proceeds amounted to over \$60, which goes to the building fund.

Mr Wm Campbell took a sleigh load of young people to Bethany church, Hopeville, Sunday evening last.

Mr Dan McCormick took a sleigh load of young people out to his brother-in-law's, Mr John Nichol, on Tuesday evening last week and spent a very pleasant evening and part of the morning.

Rumor has it that a young man went on strike lately as to speaking to a young lady, because she had talked too freely to another young man. Ah, now. Keep down jealousy.

Mr Gilbert McConnel and family left on Tuesday for a point in Saskatchewan. They have sold out here and their old neighbors wish them much success in their new sphere.

Wedding bells are ringing. Listen to the Charivari. More later.

One of our young students has time in the midst of studies to be gallant to the ladies, and gave one, a fellow student, a pleasant drive from Durham

to Hopeville and back, over the week end. They no doubt discussed their lessons all the way.

Dromore

The members of the Dromore and Hall choirs, met on the invitation of Mr and Mrs Wm. Ramage at the home on Tuesday last, the 13th inst., and after the usual vocal exercises partook of an excellent supper, covers being set for over 24. After full justice had been done to the viands provided, further music was furnished, and arrangements made for coming events. After which a hearty vote of thanks was tendered to the host and hostess for hospitality conferred and opportunity afforded of meeting together under their roof. As usual "Auld Lang Syne" closed a delightful meeting.

Miss Janet Hay is leaving for Toronto on Monday 19th, much to the regret of some of the young men.

The Dromore choir in their report of Swinton Park Soiree, where they furnished music of a high character, speak approvingly of the good time experienced, apart from the woe-woeing of the organ owing to dampness, and the dimness of the light provided, owing it is said to bad American oil, or what is more likely the vitiated atmosphere of the small building, crowded as it was with a \$60.00 audience. It was thought by the "wag" of the choir that it was singularly appropriate that the choir struck up with the anthem, "The Lord is my Light" when the lamps were simultaneously growing dim, and in some cases out all together.

Quite a few from here contributed to the funds by attending their neighboring church's entertainment.

Mr Duncan Calder, who has been ailing more or less for some time, died very suddenly on Saturday, when entering the door of his son's residence, on the 21st con, lot 21. Funeral will take place on Monday, at eleven o'clock, to the Mt Forest cemetery.

The sale at Mr David McIntyre's was well attended from this part, good prices being realized as usual, with the exception of implements, which are always more or less of a drug. It is hard to equal auctioneer McPhail in his line of business here.

Mrs Robt. Henry is we are pleased to say, recovering very nicely from her recent indisposition, happily not as was thought so bad. The memory of Mrs Henry is of a most wonderful quality being able to quote many of the psalms and paraphrases at great length.

On a recent occasion while losing her way home on a dark night from her daughters, the words of a hymn ran continuously through her mind and kept repeating while she strove to find her way. The words are singularly appropriate to the occurrence. Following is the poem, as recited by her to us at the age of 76: Among the deepest shades of night Can there be one that sees my way? Yes, God is like a shining light, That turns the darkness into day.

When every eye around me sleeps, May I not sit without control? No, for Jesus Christ he bids me keep, On every thought of every soul. If I could find some cave unknown, Where human feet have never trod; Yet there I could not be alone, On every side there would be God.

He smiles in Heaven, he frowns in hell, He fills the earth, the air, the sea, I must within his presence dwell, I cannot from his anger flee.

He bids me fly, he bids me where, To Jesus Christ he bids me go, And while I seek for pardon there, There's only mercy in his eye.

A large and representative gathering of the youth and beauty of the surrounding country gathered at the home of Mr and Mrs Whitmore and tripped the light fantastic to their hearts' content, as a send off to Wm, who has been home on a visit during the winter months. His home is in Rainy River district.

Mr Geo Reid is home from Toronto where he has been for some months and contemplates going west in a couple of weeks.

The members of Amos Pres. congregation decided at a meeting on Friday last to become a self sustaining body and keep a minister all to themselves. The recent call of Mr Campbell to Moorefield, has presented an opportune time for this creditable move. The managers so far are meeting with marked success, in realizing the promised increased amount incident to the change, in the meantime the building, the new name has been delayed for a short while, pending further developments. Our relations with the sister congregation of Knox have always been pleasant, and we hope the wisdom of the Presbytery will find a solution of the problem of service for them, so as not to check the laudable ambition of the growing Amos church to be sustaining.

What is this we hear? That certain young men after enjoying the festivities of a wedding on S. Line, Glenelg, in congenial company had to walk home? Some waggish young men, with a spice of envious mischief, had removed the buggies to the bush. Lock the wheels next time boys.

Hopeville

Mr Thos Davis, the new Tavern License Inspector, has made his first tour around the hotels in Proton last week.

Thos McCauley, Ex-Assessor, and tax-collector, is leaving for the North West.

W. Shand has rented the McLearn farm from Mr Halsead, of Mt Forest, who succeeds D. K. McArthur, as caretaker.

The mystery of the Hopeville fire is

not yet cleared up, there is talk of a fire inquest being held.

Meetings in the Presbyterian church has been going on every evening this last week with good success. Mr McInnes the minister, was assisted by Mr Beaul, of the village two nights.

There is some talk of a change in the pastor of the Hopeville church, in the near future.

Mr Jas Orr, of Egremont, has given up farming and moved into our village into the house formerly occupied by N. A. McDaid.

North East Normanby.

Mr and Mrs Thos Wallace returned on Friday after a few days' visit with Paisley friends. While there they attended the funeral of an uncle.

Quite a number around here are laid up with La Grippe at present.

A couple of loads of our young people spent Tuesday evening very pleasantly at the home of Mr and Mrs Alex Smith, in music, games, etc. Though they had to take waggons instead of sleighs, we believe they enjoyed it as much.

Mr Walter McCrie left Saturday morning for the West. Someone will miss him.

Mr Hugh Rose and Wm Johnston, of your town, spent Sunday with Mr Wm Johnston, Sr.

Miss Tena Allen, of Jarney, was the guest of Miss Louisa Gadd on Sunday and attended our Endeavor meeting.

A large number from here were down to Mr Adam's sale near Holstein on the 7th.

The Rev D. L. Campbell visited some of his congregation here on Wednesday. He will preach his farewell sermon on April 1st. Everyone will be very sorry to have to part with Mr Campbell, but we hope what is our loss, may be gain to others.

Mr John and Miss Alma Leith spent Sunday with friends in Egremont.

Mr Landels Marshall and Mr J. Allan Morice leave on the 27th inst for Innisfail, Alberta, a district north of Calgary, where a number of S. Grey people are located. To the same district or near it, went Mr Wm McIlvride and family, on March 6th last. This is Ontario being drained of its best.

Edge Hill

Mrs James Staples is at present visiting friends at North Bay.

Mr and Mrs Campbell, of Aberdeen, visited at Mr Thos Greenwood's one evening lately.

Pleased to hear that Mrs George Aljoe has fully recovered from her recent illness.

Pleased to hear that Mrs James Edge is able to be around again.

Americans and Chinese.

Comparing themselves with the Chinese, the people of the United States think they are an infinitely superior race and their civilization incomparably in advance. But if they read what Dr Wilbur F. Crafts, superintendent of the International Reformer Bureau, has said about the commercial invasion of China by Americans, their self-complacence will receive a bad shock. Speaking at Washington the other day, Dr Crafts told his hearers, a large congregation in a Presbyterian church, that China was a prohibition country from the fourth century but is now threatened with intoxicants from the United States. "American beer," he said "is a menace second only to British opium." He added that brewers are misleading the Chinese, insisting that beer is a temperance drink, and tobacco men are flooding the country with the plague of American cigarettes, accompanied with obscene pictures. The traders who are engaged in this nefarious traffic cannot be Christians but the Chinese will regard them and their business as the fruits of the religion they are supposed to profess. It is no wonder that missionaries complain that the evil practices of white traders in China, as in other heathen countries, raise more difficulties in their way than the ignorance and prejudice of the natives.—Montreal Witness.
