SOCIAL EVENING .- Another of these popular gatherings has been arranged by the Presbyterian Guild to be held in the basement of the Church on Monday evening the 30th inst. A pleasant evening is assured to all in attendance. Fuller particulars next week.

It is not often that a hotel is seized for taxes but that is what happened in Owen Sound on Monday week. Last year's taxes for the Ross House being unpaid, the tax collector, Mr Geo. P. Creighton, seized the house, and put the bailiff in charge. Unless the taxes, amounting to \$400 are paid forthwith the hotel will be advertised for sale.

FOOTBALL LEAGUE FORMED. - The Annual meeting of the Western Ontario Football Association was held Good Friday and for, we believe, the first time Durham will be represented in league football. We are placed in the intermediate series, and along with Ayton and Holstein compose district No. 4. Now for the baseball club and Durham will be strictly "in it" for sport this summer.

A SPLENDID MAP. - A short time ago through the courtesy of Mr H. H. Mil. ler, M. P., we received a splendid map of the Dominion especially valuable for having the new provinces delimitated. At this time when so many are going west, it adds greatly to the interest to be able to place them geographically, Our great Dominion, all in one scale is an inspiring sight, and we fancy no better emigration and could be devised than the spreading of such maps through British schools,

Owing to limited space in their own hall, it was held in the Town Hall, and a goodly number of the Oddfellows, their ladies, and invited friends, married and single, filled the upstairs comfortably to listen to the excellent program rendered.
