でうらうらうろん SUCCESSFUL PRIVATE SECRETARIES.

If there is no royal road to suclife, a very good substitute for it is to start the journey In the character of private secretary to a minister of the crown; for of all men who enter the race cases out of ten it is his own fault | says If he does not capture a valuable [prize. It is weighty evidence of the truth of this statement that the thought it would go away, but instead three men who to-day are filling the nest honorable and responsible about four inches square became inposts in our empire were, not many years ago, occupying useful but oiscure roles as private secretaries on salaries not exceeding £300 a year.

comparatively unknown barrister my care it got worse, and to my great and journalist, was writing Mr. alarm, a second inflamed patch ap-Goschen's letters for this modest peared on my left hand. This was stipend; but even in this charac- followed by an outbreak on my arm, ter he could not conceal the light and on the calf of my leg. The pain of genius that was in him; and to- | from these patches was terrible. day, as Lord Milner, he is one of the times, when they got thoroughly warm young man was clear of the place he profew dominant figures in the empire | they itched until I could hardly bear of the King, with a salary of £8,000 | it. I used ointments and salves of all continent in his hands.

A few years earlier, in 1885, Mr. Curzon, fresh from his Oxford triumphs and his presidency of ucion, was acting as assistant private secretary to Lord Salisbury without a penny of salary; thirteen years later he was ruling a fifth of the human race and filling the most splendid vice throne in the soothed the pain.
