

THE DURHAM REVIEW

Progress Brand Suits

If you will consider the way Progress Suits are made and compare them with other makes, you will easily see why they

Wear Better, Fit Better, Look Better

and keep their shape longer than the majority of other makes. They are well-tailored and made of good all wool Tweeds and Worsteds that gives a man every dollar's worth of value for his money.

Men's & Young Men's Suits

Remember the Place

Taylor & Co., Dromore

Dornoch.

'Tis with sincere regret that we part with Rev. Father Buckley, the venerable and highly respected divine, who delivered his farewell discourse to a large congregation on Sunday morning, prior to his departure for Port Lambton, his new field of labor. The Rev. gentleman has been in and out amongst us for the past sixteen years and was highly honored and revered for his integrity, sterling qualities and true sense of duty by all classes and creeds in the community. As a parting tribute to the warm place he holds in the hearts of his followers, they presented him with a well-filled purse and wished him Godspeed in his new sphere of labor.

She is a lady possessed with a charming personality is Miss Colena Campbell, who is holidaying at the old homestead in Bentinck, after an absence in the Queen City.

J. L. Smith, our progressive M. D., is beautifying his premises and adding to the appearance of his cozy home by levelling and sodding his lawn. Mr. Jno. Heft, whose practical experience was gained in the county town, has the contract and he is making substantial progress.

One of the most entertaining and interesting social gatherings of the season took place at the cosy domicile of Mr. Frank Pryle on Friday evening last. Music and a series of dances wound the genial qualities of the guests into a perfect contagion of social glee, and the various amusements were indulged with elevated and unrestrained mirth, until Saturday began to unfold its auroral beacons.

We heartily congratulate Mr. and Mrs. Duncan Campbell, of Bentinck, who celebrate their golden wedding on Saturday next. Particulars of this unique festival will be given later.

Mrs. Alex. McIntosh returned last week from the suburbs of the county town, where she has been visiting for the past two months with her daughter, Mrs. W. Follis.

A number of Dornochers celebrated Victoria Day by picnicking at Bell's Lake. Some 20 look advantage of the ideal day and journeyed o'er hill and glen till they reached the placid, limpid waters of that picturesque summer resort, where nature has been so extremely lavish, that the heart swells with rapture and enthusiasm as the eye imbibes the embellished beauty of the scene. The day was spent in boating and various other amusements and the tempting delicacies provided by the ladies to satisfy the cravings of the inner man were enjoyed with keen relish, the bracing air of the lake sharpening the appetite like a ten day's fast. The soft voice and rippling laugh of maidens, intermingled with mirth, jollity, song and music vibrated and re-echoed throughout the inviolable quietness of that romantic spot. A most enjoyable time was spent, and, as old Sol was wending his way to the western horizon, to give light to those in darkness, all embarked on the voyage home, thoroughly rejuvenated with the day's outing.

A number of our prominent burghers attended Mr. & Mrs. Geo. Green's silver wedding at Williamsford on Victoria Day and enjoyed in glowing terms the hospitality and true social feeling which pervaded every feature of the occasion.

Quite a number of our sports attended the union picnic held in Malone's beautiful grove on Friday of last week. The programme, which was rendered in a manner that showed careful and systematic preparation was so pleasingly patriotic and imbued with Canadian sentiment that a great many present went home with warmer hearts for "Our Lady of the Snows." Piper Campbell of Chesley, was present and the shrill thrilling notes of old Scotia's tunes accelerated the blood of every Scot present.

Enthusiasm reached the pitch of intensity on the homeward route, when excitement ran high and many catastrophes were narrowly averted.

Swinton Park.

Proton Council met in Hopeville on June 2nd and held their Court of Revision. The appeals were numerous a few being raised and some lowered.

Mr. Thos. Gregson, of Toronto, visited around the park on Sunday last.

Mr. John Weir was the guest of Mr. Thos. Huston on Sunday afternoon. Miss Jennie Knox visited at Mr. Geo. Watson's.

We are glad to hear the baseball club are getting along so well they intend playing a game with Dundalk club in the near future.

We wonder who the young gentleman is who takes a gramophone with him while out for a pleasure drive and keeps it singing "Good-bye my Blue Bell, Farewell to you." We think he had better keep it quiet the next time and not frighten Donald's cows any more.

We wonder where Brownville is, as the Cor. takes his news from places too numerous to mention.

Some of the young folks of Swinton Park, intend taking in the excursion to Niagara Falls on Friday, June 8th.

Vickers.

Mr. Bert Wilson, of Durham, spent Sunday with friends in this part.

Miss G. McLeod, teacher, spent from Friday till Monday with Durham friends.

Miss Mary Sumpton of Bruce Co., is visiting in this vicinity, as a guest of her cousin, Miss Adeline Reay.

Miss Amberzine Bailey has been on the sick list lately and we hope to hear of her speedy recovery.

A number of the children of this vicinity have the whooping cough.

A very successful Literary Social was held in the schoolhouse a week ago Friday evening. One of the most pleasing numbers of the programme was a solo by Miss Mary Vickers, accompanied by her brother Roy on the mandolin. An instrumental duet by Miss Rita Irwin of Durham on the organ and Mr. Stephenson on the violin, also a duet by Wilfred and Stanley Livingston, were well rendered. Refreshments were served at the close of the programme and a very enjoyable time was spent.

Prayer-meeting Sunday night was held at Mr. Thos. H. Lawrence's and was well attended. Next Sunday night it will be held at the home of Mr. Jas. Alexander's. Rev. Mr. Colling, Durham, is expected to be present.

Mr. J. Latimer of town, preached in Ebenezer church on Sunday, during the absence of the pastor, Rev. G. I. Stephenson, who was attending Conference.

Hopeville.

Proton Council held the Court of Revision in the village on Saturday, June 2nd and had a very busy day. A large number of appeals were heard.

Some of our people are starting for the North-West today. From this neighborhood are John Smith, Garibaldi Smith, Pete McArthur, Joseph Coulter, Jr. and James McLean.

Jos. C. Hall and J. McArdle are on the sick list.

John McMurdo has traded off his farm, two lots, to Thos. Campbell for his hundred acre farm. This was done on Court of Revision day here, while arguments of valuation were going on. The conveyancing is not yet done.

Miss Baker of Toronto, has been preaching in Hopeville Church lately. Crops look fairly well here this season.

St. Columba Anniversary

The Annual Anniversary services and Soiree of the Priceville Presbyterians always gives a stir to the little village on Saugreen waters. Splendid weather favored them and the meetings were well attended, making the financial part as satisfactory as the social, which is saying a good deal.

Rev. Mr. Phalen, of Horning's Mills, presided on Sunday able sermons to appreciative congregations and remained over for the Monday evening meeting, where he was joined by Rev. Dr. McKenzie of Shelburne, Rev. John McNicol of the Bible training school, Toronto, and Rev. Mr. Roach, the Methodist pastor, the quartette forming the speaking talent of the evening.

Mr. McNicol is a son of John McNicol of the Finance Dept., Ottawa, at one time a teacher in and near Priceville, and will be remembered by many yet. He is visiting his uncle and aunt, Mr. and Mrs. Jno. Nichol and their relatives.

The choir was happily filled by pastor Matheson and the music supplied by the local choir, who won golden opinions by their very brilliant performance. They have been under training lately by Mr. Wm. Ramage who was also highly complimented by chairman and speakers. The musical talent of Priceville has long been marked and it needs only a little organizing to bring it out in its native excellence. Miss Maud Riley acted as accompanist efficiently and a mixed one gave variety, as did a patriotic solo by Mr. Ramage which was honored by an encore. Miss Lang, teacher of the choir, gave an amusing recitation.

Rev. Mr. Phalen is an old college chum of Mr. Matheson's and gave a reminiscent narrative of their early days and subsequent doings. His topic was Liberalism and Conservatism he decried, but that found in social, family, national and religious life. He said some very nice things and has a spicy vein of humor from which he draws freely.

Rev. Dr. McKenzie made the speech of the evening on "four well-known men," who were neither political, historical, nor any other celebrities, but (1) yourself as you think you are, (2) yourself as you really are, and (3) yourself as God sees you. The suggestive topic as will readily be believed, was made good use of. Mr. McNicol and Mr. Roach both spoke briefly and with vim and were highly appreciated.

The proceeds amounted to over \$50 and after votes of thanks to speakers and singers, the meeting was closed with the benediction by Rev. Mr. Roach
