Hopeville.

The funeral of the late Mrs Wm Armstrong took place from the family residence, on Monday, the 18th, to Swinton Park cemetery and was very large. The old settlers turned out to pay their respect to one of the earliest settlers of the township had. The funeral services were conducted at the house by the Rev Mr Roach, the Rev Mr Matheson, of Priceville, and the Rev Mr Melness, of Cedarville.

Mrs Armstrong (nee Miss Sarah Seal) was born at Kingston of Irish parents and was living at Fort Maldon in the County of Essex, when she married William Armstrong, a former resident of the township of Hope, county of Durham. After living a few years there, they went to Hope township, where Mrs Armstrong stayed with friends, while her husband went with the first batch of young men to hunt up land in Proton township. He squatted on the land, where they lived until their death, and now owned by their sons. This happened about the year 1856, before the Proton land sale. Mr Wm Armstrong died about seventeen years ago.

She leaves to mourn her departure five sons and four daughters, all married but one son, two sons and two of the daughters living here were at the funeral, also a number of grandchildren.

Mrs Armstrong was an industrious woman, a good, kind and obliging neighbor, and highly respected, and it is said she was the first woman to settle in this part of Proton, where Hopeville now is.

Mr David Bilton has returned from a trip in Muskoka.

Mr Wm J Glenister moved to Toronto on the 23rd. He will return to complete his contracts.

Dragoons at Windsor.

On 24th May last the Royal Canadian Dragoons, who are to be in Durham on 2nd of July next, were in Windsor and we extract from the Windsor Record of 29 May, the following: The city was invaded by 15000 visitors, a large portion being Americans. Detroit's Canadian population helped to swell the crowd and joined as heartily as any others in the celebration. The Highlanders made a very pleasing appearance and received a hearty reception. The presence of cavalry, represented by the detachment of the Royal Canadian Dragoons, found much favor with the Spectators. The Dragoons were mounted on lively and fine appearing chargers and gave an exhibition of rough riding on their fiery steeds. Probably the most exciting event on the whole program was a "military melee" by eight of the mounted Dragoons. These and other evolutions will be presented on 2nd July. The Highlanders are coming too, so that with the Palares, the windmill, the games, the races, band music, all records will be smashed.
