The most pleasing event yet held in connection with this picnic was the baseball match played by a team of ladies from Dundalk with a team of our own locality, the latter winning with a score of 17 to 16 in a game of

I five innings. At the conclusion of the first innings the score stood 13--0 in favor of Dundalk, but Swinton Park settling down to business, steadily reduced the lead with good play, coupled with gratuitous coaching on the part of some of their male admirers. The pitchers were pretty evenly matched, that of Dundalk being perhaps a little swifter in her delivery, yet the uniform worn by our own girls consisting of a short Royal Blue skirt and white waist, showed off to perfection their muscular feminine development and that of our pitcher in particular. A little more watchfulness of the bases might not be amiss, and would stop some of the fragrant petty stealing going on but unless all were pretty sure catchers this might not do. In Mrs Goodall, first basewoman of Dundalk, they certainly had a fine catcher, it mattered not whether high or low, (was going to say rich or poor) or on either side, she would pull them in a manner that would make a "Toft" envious. Mr. Goodall, Dun- indisposition, his cheerful ways and dalk, made a very impartial umpire social qualities have been much miss-and gave good satisfaction. No ed during his absence.
