## TOWN TOPICS

A special meeting of the Farmers' Association will be held in the Varney school house on Friday evening Aug. 31st. A full attendance is kindly requested.

D McILVRIDE Secy.

Miss Amy Edge was amongst the successful ones at the recent examinations for Sr. Leaving, part I and II. She took both in one year and her brilliant success calls for congratulations. She has been engaged in Bussan School for 1907 at \$400.

CALL FOR THE KEYS—The Directors of S. Grey Ag. Society amongst other improvements placed a padlocked door on the fence near the river. The vandals spirits that haunt the show grounds, discovering this, have wrenched the padlock off. Director Hugh McDonald requests us to inform them that they may have the keys by calling at his residence!

ORDER NOW.—Sample copies of the Weekly Globe and Canada Farmer, with the fine illustrated Magazine section can be obtained by request at this office. No city weekly is comparable to this in its many excellent features. With the Review only \$1.00 a year, 50 cents for both to Jan. 1, 1907, or if you do get the Review 25 cents for Globe alone.

On Thursday morning last at the home of his sister, Mrs. J. W. Benton Albert St. Durham, the spirit of the late George Arthur, second youngest son of Mrs. Eliza Bott, took his flight. Deceased had been in poor health for some time. The remains were interred in the Saugeen cemetery on Friday at 11 o'clock. The following relatives were present: William Bott, Owen Sound, Fred Bott, Lamash, Mr. and Mrs. G. Willoughby, Elmwood, and Rev. B. J. Bott, of Craik, Sask.

MONSTER LAND DEAL.—The St Paul Dispatch of 15 Aug has a record of a land purchase by the Hunter Land Co. of Minneapolis, which is surprising in its vastness. The chief member of the company as is well known, is Mr. H. A. Hunter, well known here and who is expected on a visit shortly. Half a million acres, in the state of Oregon, it involved, the consideration being about \$750,000.00. The tract sold is a strip of land running from Cascade forest reserve to the Oregon-Idaho boundary, a distance of 325 miles. We congratulate our townsman on his business push and hope the venture may be profitable.

ANOTHER EARTHQUAKE HORROR.—On Thursday and Friday last the city of Valparaiso in Chili, South America, was wrecked as San Francisco was by earthquake and fire. Santiago the capital was also shaken up and many towns and villages inland are struck heavily. Estimates place the loss of life at 2000 and of property \$250,000,000. The shocks continued for a day, over 80 of them, cracks appearing in the earth 50 to 100 feet wide and railroads and water systems of course destroyed. The suffering will be greater than in Frisco, for the compassion of the wealthy will not be so readily roused. Valparaiso was the chief seaport on the Pacific Ocean in S. America, and has a large European trade, chiefly British.

WESTERN MIGRATION.—Friday last Durham station was crowded with excursionists and their friends. The great harvest of the West called for laborers more anxiously than ever, and from Durham alone there were 52 tickets sold at the McFarlane agency, the majority seeming to come from Bertinck. Four or five went from Dromore, Holstein had its contingent ten got on at Varney and the gathering at Toronto numbered about four thousand in all. Some of the names we caught were: Mrs Wm. Herd and Mrs Wm. Willis, Allan Park for Dauphin, Man., Mrs Guthrie and family for Westhope, N. Dakota, Mr Hector McDonald, Miss Sarah McDonald, Miss Mary McLean, Aberdeen, all for points in Saskatchewan; Allan McDougall (son of Dan), John Livingston and son Andrew for Winnipeg; Jas. McDonald, Aberdeen, Alex Fletcher, Neil McConnell, (Co. Con.), Gordon Lawrence, Anthony Pust, Robt McCaslin, John McDonald, (Aberdeen) Wm McNally, J. S. Backus, Sam. McGowan, (Normanby), Norman McGillivray, Jos. Brown (South Glenelg) Albert Davis, Jas Ector, for Arcola, Angus McIntosh from Dornoch, Miss Sarah Domet, Robt Reid of the dredge, Sam Patterson, Andy Williams, Wm. Weir, Mrs Jno Aldred and two children (at Varney) for Yellow Grass, Sask.

## Severe Electric Storm.

After about two weeks of dry weather a regular deluge of rain visited Durham and neighborhood on Sunday last. At points not far off little or no rain fell that day though many showers have been passing since.

The rain was accompanied by the severest electric storm of the season and it left its mark heavily on some parties. When the final whistle blew the boys were 15 goals ahead, the score standing 17-2. To win districts, 4 and 5, the Aberdeens require a majority of 16 goals next Friday; that's all! Markdale has now relinquished all hope of the district honors and the Durhams agree with them. Seafort will probably be our next opponents in round 2, semi-finals.

But to return to the game. At the very outset it was evident the Aberdeens were clearly outclassed, and throughout the game, particularly in the 1st quarter and the first half of the last, the blue and whites simply tried with them. The Aberdeens more cheek, and Bamsley of the Durhams being unable to hold the sphere any length of time against the strong Durham defence. On the other hand, the local home was always master of the situation. Light, sure and speedy they displayed the prettiest combination play seen in this locality this season. Whit, Hammond, of Owen Sound, proved a valuable addition. With no practice whatever, he indirectly, played an effective game at inside home, as it always required two or three men to cover him. Carwell, Durham's fast, home man from Elora, was unable to be present for this series.

## Railway Notes.

Teams and men were being engaged on Saturday last to begin work on Monday at or near Priceville where the engine and big steam shovel are operating.

Mr Jas. McMitchell, an old Normanby boy, has the hiring in charge being one of the contractor's foremen. It is reported that \$4 a day is being paid for man and team and \$1.75 a day for labourers.

The surveyors have been active during the week in staking out more exactly where the line is to go, and actual work is expected to begin here soon also, though no options have yet, as far as we know, been taken on town property.

The big steam shovel and a small engine are being taken across from Fleisherton Station to Priceville this week. The work began on Monday. A track is laid on the highway by a gang of twelve men and the big machines travel by their own power. When they arrive at a hill or heavy grade a hawser is thrown out ahead and they pull themselves up. Down a hill the hawser is thrown out behind and they are let gently down. The steam shovel was partly dismantled before operations began, the huge scoop and crane being taken across on drays. On Monday about half a mile was made and it will likely be Saturday before the machines arrive at Priceville. A company of half a dozen surveyors are now engaged between Priceville and the junction. They were working on Sunday at Priceville to the horror of many good old Presbyterians—and Methodists too, of course who do not look upon this haste as a good omen. Fleisherton Advance.

## Business Locals

Arthur H. Jackson, Issuer of Marriage Licenses, Durham.

MILL WOOD FOR SALE.—From Aberdeen, delivered in town. Apply at J. W. Crawford's.

Fifty large 12x14 photographs to be given away one with every dozen photographs at R. W. KELSEY.

Ladies! buy your Sewing Machine and needles at the Massey Harris Warerooms. Other makes of machine needles supplied at a few days notice.

Young Man! If you are thinking of getting married, start right by securing your license from A. DAVIDSON, Durham.

## Two Districts Cinched

The Durhams overwhelm Markdale in the first semi-final by 17 goals to 2.

It was little short of an avalanche. Last Monday the Markdale Aberdeens came to town with the intention of defeating or at least tying the Durhams in their first lacrosse match here, and on the return game at home, to wipe Durham off the lacrosse map. When the final whistle blew the boys were 15 goals ahead, the score standing 17-2. To win districts, 4 and 5, the Aberdeens require a majority of 16 goals next Friday; that's all! Markdale has now relinquished all hope of the district honors and the Durhams agree with them. Seafort will probably be our next opponents in round 2, semi-finals.

But to return to the game. At the very outset it was evident the Aberdeens were clearly outclassed, and throughout the game, particularly in the 1st quarter and the first half of the last, the blue and whites simply tried with them. The Aberdeens more cheek, and Bamsley of the Durhams being unable to hold the sphere any length of time against the strong Durham defence. On the other hand, the local home was always master of the situation. Light, sure and speedy they displayed the prettiest combination play seen in this locality this season. Whit, Hammond, of Owen Sound, proved a valuable addition. With no practice whatever, he indirectly, played an effective game at inside home, as it always required two or three men to cover him. Carwell, Durham's fast, home man from Elora, was unable to be present for this series.

From the standpoint of Int. Districts 4 and 5, the match was rough; by N. A. L. U. standards, it was a nice, clean game. Will Lavelle and Smith received swelled heads, Hammond more cheek, and Bamsley of the Aberdeens was laid out with an injury to his leg. There were many minor bruises, but no scraps—on the field; a few Markdale players were given good at home commencement of the game. Wright, of Toronto Junction, was rightly judged to be the right man as referee, we are pleased to write. A few decisions were given which were not right, but he tried to be right, and both teams expect to be used right in the sad rites for and in Markdale next Friday if Wright be referee. The line-up:

Durham	goal	Markdale
C. Lavelle	point	Kelly
B. Matheson	cover pt.	Calbeck
B. McDonald	1st def.	Skelton
H. Wendorf	2nd def.	Armstrong
H. McDonald	3rd def.	Penelton
W. Hunter	centre	Bamsley
B. Moore	3rd home	Cummings
M. Smith	2nd home	Alton
T. Lawlor	1st home	Dundas
W. Lavelle	outside h.	J. Kelly
M. Cowan	inside h.	Burnside
W. Hammond	captain	McCortee
J. Darling	time-keeper	Campbell
Calder	penalty time-keeper	Rowe
	Referee	E. B. Wright, Toronto Junction.

The Durhams forced the game from the start—which was 3-5. The rubber travelled westward and in 11 minutes Smith notched the local's first. Cowan soon following with another. Again made a neat stop, one of the few for him during the game. Then Markdale tried for a look-in. A determined attack was made on the Durhams citadel, but Lavelle, was there, stopped the rubber, and flung it from before the nets with his hand. It looked easy and Durhams dropped in three more. Bert McDonald and Penelton got 5 minute rests. Smith on a quick throw from Lawlor, then made a neat pass to Lavelle in front of the flugs. One more. Cowan always a sure shot, again bulged the nets, and the agony was ended for the quarter. Durhams 7, Aberdeens 0. Bamsley was hurt in the 2nd period and Hunter laid off to even up, while Smith was penalized. "Mulvey" was again on the job and added No 8. Bert Moore had received a nice pass and turning round to spit up on the home, engaged in an accidental rear collision with Capt. Campbell, and both enjoyed a roll. Campbell couldn't see the joke, and a strictly confidential conversation ensued, which explained the affair. Then Cowan and goal keeper Kelly thought the track behind the nets was softer, so they rolled over there, and on arising found they had earned a five minute vacation. Burnside then defended the nets and made connections with four or five hot ones. Lawlor and Cummings were penalized, and the game was stopped a few moments while Will Lavelle recovered from a blow and Calbeck adorned the fence. Charlie Lavelle threw out a sure one, then Smith shot in two more, for the blues and whites. Half time, Durhams 10, Aberdeens 0.

Five minutes between quarters was not enough for Hammond so he took five more to start the third. The Aberdeens did their best work in this period, but Matheson at point painted everything that came near him in the other direction. In seven minutes Durham added No 11. Paddy Kelly and Smith dropped sticks behind the goal and decided not to use gloves, while the referee had a short consultation with them, and they forthwith concluded it was in order to pay a 5 minute visit to the time-keepers. Moore was next given a holiday because his opponent had a stick, but the blue and whites scored another.

(Continued on page eight.)

## August Nuptials.

WOOLSEY—DAVIDSON.  
On Wednesday, Aug. 15, at 12 o'clock noon, Miss Agnes Raymond Davidson, youngest daughter of the late Rev T. L. Davidson, A. M., D. D. of Guelph, Ont., and Mr George Vinton Woolsey, son of Capt Woolsey of New York were quietly married by the Rev W. Lynn Newton at the home of the bride's sister, Mrs W. Lynn Newton of Durham, Ont.

At twelve o'clock sharp to the sound of Mendelssohn's Wedding march the bride approached the altar on the arm of her brother, Mr Alfred Ernest Davidson who gave her away and where she was met by the groom. She was preceded by Master Lloyd Judson Porter, son of Captain and Mrs William Boardman Porter, and nephew of the bride who acted as page.

After the ceremony, Mrs. Newton played Lohengrin's Bridal March and Day of Gladness by Wagner, while the happy couple received congratulations. None but the immediate relatives were present.

After a short trip Mr and Mrs Woolsey will reside in New York.

KAISER—ELVIDGE  
Tuesday last the home of Mr and Mrs Lock Elvidge was the scene of a pretty wedding—their daughter Marion M. being united in wedlock, to Mr Irving H. Kaiser, of St. Thomas. The ceremony took place at 12 o'clock noon, the officiating clergyman being Rev Mr Bice, Rector of Trinity Church. The bride was accompanied to the side of her lover by her father and the solemn vows taken that made the happy couple man and wife. They were unattended. Congratulations followed and good wishes, and the company, composed chiefly of relatives of the parties, sat down to a sumptuous wedding repast got up in Mrs Elvidge's best style.

Those from a distance were Mr Edgar Elvidge, of Cleveland, brother of the bride; Mr John Mead, Hudson, Ohio, uncle of the bride; Misses Grubbill and Roos, Waterloo, intimate friends of the bride; Mrs Kaiser, Sr., Aylmer, mother of the groom.

The bride, attired in perfect taste—looked charming in a dress of white silk crepe de chene made with drop skirt of taffeta silk trimmed with panels of baby Irish lace and ribbon and deep-tucked flounce; bdcie of crepe de chene with yoke of baby Irish lace, inset diamond fashion with frills of valenciennes lace and tucked silk, the diamond bordered with bows of ribbon, elbow sleeves and deep girdle. She carried a bouquet of white roses.

The travelling dress was a tailor made one of green chiffon broadcloth, with double box pleat down front and back of skirts and pleated panel sides, and pony coat with vest of old Dresden silk and old rose straw hat to match.

The presents were numerous and beautiful as might be expected from the popularity of the winsome bride, and her friends here will rejoice that in Mr Kaiser she has found a worthy companion, and the warmest good wishes will follow them for future happiness.

They left by the 3 p. m. train amid showers of flowers, rice and handshakes and take their honeymoon trip to Toronto thence by lake and river to Montreal and on returning will make their home in St. Thomas.

FARM FOR SALE  
150 acres, Lot 40, 41, 42, S. D. R. For further particulars apply on the premises or by mail.  
ALEX McEACHERN, Prop.  
Top Cliff P. O.

## South Grey Fair.

Don't forget the date of this great Annual event this year falling on Wednesday and Thursday 19 and 20 of Sept. Secy. Davidson is already receiving entries and this great reunion event promises to be a greater success than ever.

And it should be. The Directors have been at great expense in fitting up the Hall to add to its comfort and convenience and have also been touching up the grounds and fences. There is over \$1000 offered in prizes, the government judges are to be present, harvest and fall wheat seeding will all be over, and the only element possible to endanger success is that over which Directors have no control—the weather.

Remember there is now comfortable housing for all kinds of stock and new arrangements for watering, September 19th and 20th.

TORONTO EXHIBITION RATES.—The following are the rates to Toronto and return from here during Exhibition weeks, from Monday, Aug 27th, good until Tuesday, Sept 11th: Aug. 27, 29, 31, Sept 3, 4, 5, single fare rate—\$3 15, Aug. 28, 30, Sept. 1, 5, and 7.—\$2.35

Rev Mr Boone, St Thomas, filled the Baptist pulpit on Sunday last acceptably. In the evening he drew lessons from the interview between Christ and Nicodemus, describing the scene in a piece of graphic word painting which will not soon be forgotten.

FOR SALE—Buggies, Harness, Plows, Stoves, Sewing Machines, Pianos and Organs, Washers and Wringers, Horse Wheel-Barrows, Cycle grinders, Horse blankets, Slings and hay forks, Machine oil, Horses, Fox Paw Stallion, sire of Ren Wilkes, and a large number of other articles. ALL MUST BE SOLD AT ONCE to enclose out the Estate of Dan Campbell, deceased.

DRESS-MAKING.—In connection with her Millinery business, Miss Dick is opening up a Dress-making Department and has engaged a first-class head dressmaker in the person of Miss Torry, of . . . . . She comes well recommended, and will begin work Sept. 1. Orders left previously at the show-rooms will be filled the first week.

Just arrived at Keeler's this week the largest stock of
